

Never Mind the Bomb, Beware of Islamofascism

The handwriting is on the wall. Huge numbers of Muslims, overwhelmingly poor, under-educated, and deeply indoctrinated in the jihadist belief, are invading the world. It is this human bomb that must be diffused as well as keeping a vigilant eye on the other one that Iran's Mullahs are relentlessly pursuing.

One Debate, Three Movies

Tonight's the big "debate," if you want to call it that: President Donald Trump takes on Zombie Joe Biden on the official Trump-bashing nooze network, CNN. Major-league Trump-basher Jake Tapper will (it only hurts when I laugh) "moderate." The other moderator is actually named "Bash." Tonight she'll try to deserve it.

Choosing High Self-Esteem: Carrying The Mental Equivalent For Happiness

Finally, you write the next chapter of your life by your hand and by your choices. Engage your brain, heart and soul toward

your highest and best outcomes. Engage the power of brave thoughts. And, enjoy the ride!

DemocRats Are Once Again Reinstating A Military Draft

This may help you understand the very reason that the United States has been at war 93% of its existence. This, is in the hopes of policing and dominating the world at the expense of the blood of America's children (Amos 4:10).

Who's Protecting Our Children?

There has been a lot of controversy over parent's rights lately, especially related to public schools. From the teaching of Critical Race Theory to Drag Queen Story Hours, there has been situations where the relationship between parents and the school district have become outright hostile.

In God We Trust

When it comes to the matter of rulers over mankind, throughout human history, rulers over societies have in every case, proven to be the greatest threat to those societies, always in the end, abusing their power and turning on the very people they are sworn to protect. In fact, throughout human history, there has never been a government worthy of its people's trust.

Democrats Run “Gay Pride” Events

Rainbow flags were everywhere on June 22 when thousands of Democrats rallied in support of “gay pride,” abortion, condoms, transgenderism, and marijuana at the annual “Frederick Pride” festival in Frederick County, Maryland. So-called “pride” events like this one are barely disguised Democratic Party get-out-the-vote efforts to get Joe Biden back in the White House.

Will America Survive the Threat of Islam?

While former President Obama glorified Islam, the barbarians have made it inside our fortress. They have infiltrated our

system of government. This time around, the people of the sword have their collaborator, Useful Idiots, inside, busily doing all they can to dismantle our republic and replace it with worse death Islamic ideology by appeasing the enemy.

Stop Non-Citizens from Voting – Here's How

Thankfully, Willard “Mitt” Romney’s niece, Rona McDaniel, is gone from the RNC National Committee; she was head hen for four terms. One has to wonder why she wasn’t booted years ago because her record as a complete failure was there for all to see? Some changes have come about along with pledges: RNC co-chair Lara Trump promises to prosecute anyone who cheats in an election: ‘We will track you down’.

Exploring to the Edge of the Map

Since we’re heading into the summer of 2024, let’s turn toward some uplifting essays that instruct, inspire, and maybe, just maybe...assist you in your unique journey through this life. Whether you travel by bicycle, backpack, canoe, sailboard, kayak, skis, or other methods...this story may inspire you toward your highest and best adventure-seeking during your time on this planet.

It's Not Going to Church But Being the Church

Jesus said in Matthew 16:18 that He would build His Ekklesia and the gates of Hades will not prevail against it. The church in America has lost the way of Jesus Christ while using the Name of Jesus. Because we are not being obedient and we are not embracing the Ekklesia Jesus built, our religious systems in America are ineffective and will continue to implode.

There's No Excuse For Being Clueless

Given the work that I do, it grieves me to see so many professing Christians who are so ignorant of the days and times we're living in. Most don't know and don't want to know what's really going on in this world – or how Christ-followers are to respond to it all. Truly, those who are not Christians, or are “nominal Christians” at best, are much more well informed than those who claim to be “devout.”

Rigged for You, Not Against You

When Mr. Scratch comes to fulfill the contract, Stone, out of desperation, seeks the help of Webster to get him out of it. Though Stone's signature and the contract are clear, Webster demands a trial since this is the right of every American. Mr. Scratch agrees, as long as he can choose the judge and jury.

Why Did They Do It?

This is what Make America Great Again means. It means, as Jefferson added, that the vast majority of our country's inhabitants are too "enlightened, too well experienced in the blessings of freedom and undisturbed industry, to tolerate long a contrary state of things."

President Hillary Clinton 2025?

The entire democrat party is reeling from their freefall from popularity as their poll numbers nosedive to all-time record lows. The word panic isn't strong enough to describe the level of fear sweeping across the country throughout the failing democrat party.

An Open Letter to The CEO of Tractor Supply

As for me and my house, we will never shop at Tractor Supply again even if we have to go much further and pay more to purchase our needs. This letter, Mr. Lawson, is going to be posted nationwide in as many locations as possible. You have insulted the people who have patronized your business and made you a very successful entrepreneur.

The Real Matrix: New Normal Edition

I was once able to get through to a person at Hewlett-Packard, trying to troubleshoot a printer problem. Instead of helping me resolve my problem, the person tried to sell me a subscription to their technical support services! Only \$25/mo., for something I needed once, and might never need again! I turned them down flat! My wife's nephew is an engineer. He came in and fixed the problem for free!

Is Trump's "Too Big to Rig" Strategy in Trouble?

Setting the American people up for another communist "victory" at the polls, MSNBC and the liberal media are already warning of another January 6-style "assault on democracy" by those protesting vote fraud. Such a confrontation will certainly be another FBI set-up to capture, kill, and/or imprison Trump supporters.

Fraternal Twin Court Cases Point to the Death of Justice Worldwide

Trust in our institutions has been falling fast. Based on the reactions to the Trump conviction, it appears whatever faith people had is either completely gone or eroding at an astounding rate.

With Liberty and Justice for All

But somewhere along the way, a society distracted by daily life itself, forgot to remain "forever vigilant" in the defense thereof, and politicians who refuse to abide by their

Oaths to the same, allowed this most basic foundation for life in America to collapse under the weight of partisan agendas and purposeful deep and fatal divisions in the electorate.

It's Been a Hard Week

They're challenging each other to "name three drag queens" to "prove his/her/whatever's loyalty" to the LGBTQetc cause. So it seems the candidate who knows the most drag queens should run the city. Why didn't we think of that years ago? I mean, it seems so thumping obvious, doesn't it?

The Long Ride at Age 80: Trading Sofa for a Bicycle Seat

No big deal since hundreds of cyclists have ridden trans-Americas. Yes, I've done it too, but in my 30's. In your youth, the energy, strength and true grit come naturally. As you read this story, hundreds of cyclists around the world pedal into their own adventures. They're riding on six continents...trail blazers.

Why Are Americans Tolerating Injustice?

The price of freedom, in both the natural and in the spiritual, has been that of blood (1 Corinthians 2:14). First and foremost, the atonement of our souls was paid for through the blood and sacrifice of Christ that we might obtain spiritual liberty in Him (2 Corinthians 3:17).

Russia's KGB and Ours

Biden exchanged a Russian arms dealer in an American prison for an American pothead lesbian basketball player held in Russia for drug dealing. Now, according to published reports, he wants Wall Street Journal reporter Evan Gershkovich, held in Russia on phony espionage charges...

Legal Insurrection Through Lawfare, Part 2

The Department of Justice is the most heavily politicized of the U.S. government. In 2016, 91.6% gave to Democrats. Homeland Security employees came in at 75% Democrat, and the Department of Education was as high as 96% Democrat. The National Education Association has never donated to a Republican presidential candidate.

Love or Desire?

In an old episode of "My Three Sons," 18-year-old Chip Douglas elopes with a girl. Can the marriage work? Of course, it can. But it also might not. I knew a similar couple years ago and within two years they were divorced.

Vote Every Muslim Out of Office

I've said it before and I'll say it again: Muslims should never have been allowed into the U.S. Knowing their centuries of history, violence and one major goal: A world caliphate. It isn't because I hate Muslims (except the ones who want me, an infidel, dead), it's because of their goal and they will lie through their teeth to achieve world domination. The good news is a lot of American Muslims are throwing off the yoke of slavery and women being treated like chattel.

Armed Enemies Within Plot Trump's Murder

The Secret Service is a component of the Department of

Homeland Security, run by Open Borders architect Alejandro Mayorkas. That means that the federal official ultimately in charge of the Secret Service “protection” for Trump is at the same time turning a blind eye to hundreds of foreign terrorists entering the country, perhaps to assassinate Trump.

Grief Is Circular: On The Long Ride

For the millions of you who lost your father or mother at an early age, or any age, we share a circular grief that others don't know, cannot understand and won't be able to relate. I remember that the Spirit of St. Louis flyer Charles Lindbergh said, “Death is the last great adventure.”

Mosques and the Islamization of America

There is a glimmer of hope that the American people are finally waking up to the deceit and the menace of the creed called Islam. Their opposition to the building of the mosque shows that the creeping Islamization of America is indeed something to stand against and prevent before it is too late.

Religious System Man-Made by the Traditions of Men and Americans

What we have in this nation is a religious church system that is designed and operated by man, and for man and his pleasures and the gates of hell have overtaken this church religious system and also this nation. On the other hand, in Matthew 16:13-16, Jesus said He will build His ekklesia (church) and the gates of Hades will not prevail against it.

We Can't Do the Work For You

Well, it's better late than never, I suppose. After nearly 60 years of allowing the homosexual agenda to move forward, claiming they just wanted "equal rights," claiming this was a legitimate civil rights issue, people are just now starting to wake up to what's really happening, and I've been getting phone calls, emails and letters from people who are outraged and panicked.

Forget "Republican" and "Democrat"

In America today, we have only two choices of affiliation: our

Constitution or Communism. Know it, and live by it. This vivid dichotomy is hideously apparent, everywhere today. As we approach voting season – the most critical one in our nation’s history – this is one fundamental that Americans must understand.

An Open Letter To The CEO Of Walmart

For you to support such obvious and evil, makes you completely guilty of every innocent individual, and especially children, whose innocence you have played a part in destroying! Shame on you! I would strongly urge and recommend that you read, and pay heed, to Christ’s warning to you and others in Matthew 18:6!

Obama Seeks 4th Term

As everyone with an IQ above their shoe size already knows, the so-called “Biden Administration” is actually the 3rd Obama Administration. The entire Biden staff and cabinet is made up of all the Obama era Executive Branch officials and Obama has been in charge again since January 20, 2021.

Trump is a Marked Man

With right-wing parties making gains in European Union parliamentary elections, it is apparent that a global rejection of the status quo is paving the way for President Trump to win the U.S. presidency in a decisive manner. While some commentators are focused on whether Joe Biden can make it all the way to November's elections because of his senility and old age, the real question is whether the communists and globalists decide the time is right to take out Trump by any means necessary.

What Does It Mean to Be a Conservative?, Part 2

What conservatives need, therefore, is a rational Plan B to organize themselves and separate, if need be, forming self-sufficient communities built around solid family structures and sustainable small businesses, working from the bottom up instead of from the top down, able to sustain and defend themselves when the Global Wolf attacks, as he inevitably will.

Damnably Lies and Damnably

Liars

I do not know about you but I am getting pretty damn irritated by the liars who run the world. You do understand that liars run the world, don't you? Psalm 2 calls out the greatest conspiracy in world history...The kings of the earth set themselves, and the rulers take counsel together, against the Lord, and against his anointed...

They Never Saw It Coming

Nevertheless, three times on the last few weeks, these geniuses have been caught napping by events they should've foreseen a mile off. No one but a "progressive" would have been the least surprised by any of it. But then most of us aren't distracted by any need to build a pedestal and pose on top of it.

There's a Patience in the Wild: Dogged, Tireless, Persistent

Two of the guys on this journey proved themselves "day riders" for all their lives. But, at over 70, they enjoyed retirement with time to spare. All of us sported gray hair, or no hair, gray beards, high blood pressure, bad knees, sore hips, touch

of diabetes, and spare tires around our mid-sections.

The Second Great Colorado Land Grab

Right now, there is a battle going on in Colorado. One side wants President Biden to use the 1906 Antiquities Act to designate over 400,000 acres of land in Mesa and Montrose Counties as a national monument. This would, among other things, limit future oil and gas leases, mining claims, rights-of-way, and utility infrastructure.

Take Heed To Who & To What You Are Listening

The other day while listening to my intro feed on the radio broadcast, I was hearing another show host talking about what the bad guys were doing to the country. He was conveying to the American people the wicked deeds that are being committed against them by less than 1.7 percent of the population. He called them the elites, which he said, "ruled the world."

The Culmination of Marxist Infiltration, Part 1

A military coup is planned. Rosa Brooks claims that if Trump is elected in 2024, they must find a way to remove him. This is being planned through Georgetown University Law Center, the premier law school in DC. “It’s a feeder school to the Justice Department, to Supreme Court clerks and to the entire intelligence community. Everything is planned there.”

Rights After Conviction

According to federal law, if someone is convicted of a crime and punished with more than one year in jail, they lose their rights protected under the Second Amendment. A recent decision by the Ninth Circuit Court not only brought that federal law into question, but decided it was wrong. The court didn’t find that this federal law violated the Constitution, rather they found it violated Supreme Court’s Bruen decision.

The Epiphany of Zebediah Clump

“The Epiphany of Zebediah Clump” won best “Short Narrative” film, on Sunday, October 7, 2012, at the closing ceremonies of the 3rd Annual Portland Maine Film Festival. The film was

written, directed and edited by Peter Falkenberg Brown, a Portland native. The short was Brown's first film and his directorial and acting debut, starring as Zebediah Clump.

Ninth Circuit Court of Appeals Re COVID-19 Experimental Injections

"Paxton is also investigating whether the companies misrepresented the efficacy of their Covid-19 vaccines and the likelihood of transmitting Covid-19 after taking the vaccines in violation of the Texas Deceptive Trade Practices Act. The investigation will also look into the potential manipulation of vaccine trial data.

We're Doomed Buffalo Breath: That's That Smell?

Sandi and I cranked our way toward Alaska, laboring up mountain grades in the Sawtooth Range of Idaho on Route 75. Late in the day, we came to a river intersecting the highway.

Yearning For the Good Old COVID Years

Interesting that this is coming now...just in time for the most significant presidential election of our lifetimes. Just in time for them to release "Disease X" or whatever other depopulation protocol they're brewing up. Just in time for the next American civil war. Just in time for the coming mayhem and attacks by those who've invaded all Western nations. Just in time for World War 3.

One Day Every Follower of Jesus Will Influence the Culture & Nations

We know exactly what the thief is doing and because too many of us are cowards, ignorant, and apathetic, we continue to see no evil while allowing the thief and his followers to capture our nation, steal our freedoms, and degrade our culture without little to no resistance when it is our responsibility and, in our power, to do so!! This is in itself pure evil on the part of our pastors, churches, and citizens for allowing our enemies to steal our nation.

Truth Spoken Boldly Overcomes Censorship

Pro-Hamas and anti-Israel demonstrations taking place on many university campuses across the country during the 2024 graduation season have endangered the wellbeing and safety of their Jewish students. On the heels of this, the U.S. House of Representatives passed the Antisemitism Awareness Act of 2023 to prohibit “hate speech” specifically against Israel and Jewish people.

Political Brass-Knuckles

We have a lot of work ahead of us because today’s ideological battles are part of a modern war. The battles we face are much more than meaningless skirmishes. The far-left has crafted their one-sided story under a false narrative of oppression and victimhood. The vast majority of Oregonians, left, right, and center know something is wrong with this picture.

What Does It Mean to Be a Conservative? – Part 1

Import the Third World, become the Third World. That’s what we just saw. This won’t stop Trump. He’ll win the election if he’s not killed first. But it does mark the end of the fairest

justice system in the world. Anyone who defends this verdict is a danger to you and your family.

RFK Jr.: The Silver-Tongued Spoiler

Washington Times columnist Don Feder opines: “God knows Donald J. Trump isn’t perfect. But he’s all that stands between us and a totalitarian nightmare from which we may never wake up.”

Oil is Power, CO2 is Food. Globalists Want Control of Both

How often do I say everything is connected. Nothing is more evident than that. Just look at what we see going on in the world. Can you make the connection? Climate change is not about the climate it is about control. Oil is power. Cheap oil gives people power. Global elite will never give people power. That would cut into their wealth and create competition which is not acceptable.

Trump's Life is in Grave Danger

Eric Trump has told the cable channel Newsmax that his father's political enemies would like to see "real harm" done to his father because nothing else is working. Claims like this are quickly dismissed by the major media, and Special Counsel Jack Smith wants President Trump gagged in his federal documents case for saying that the Department of Justice wants to kill him.

Make Way for Utopia

Meanwhile, we have been trying to get the Washington Post to dig up the actual identity of the speaker, supposedly a major figure in the Biden White House (we don't believe his only job is to feed the goldfish). Unfortunately, the WaPo is in a bit of a shambles just now.

D-Day: June 6, 1944

Those who fought at Normandy on D-Day to preserve freedom from defeat by Hitler's national socialist fascists paid a terrible sacrifice. The beaches at Normandy, with NAZI artillery and machine guns established in cross-fire patterns, were, indeed, "killing fields," prepared for slaughter. The sea and sands ran red with blood.

Time To Capitalize On the Left's Blatant Attack On America

The Donald Trump "Guilty" verdict has turned into a gilded one. The lemons handed Trump have been sweetened by the massive show of both monetary and other support he has received in the single day since the verdict.

What Am I Doing Wrong? Absolutely Nothing, Scripturally

Most recently, I was speaking to one of my ministry friends and he had told me of someone that he knew in the ministry that he said was a great man, and had won awards and big prize money for his works. I thought out loud and said "Good for him", and then I thought, "What am I doing wrong?" "Of course," I said this knowing that it was an opportunity for me to preach the Biblical Christ to him.

Thinking Globally, Acting Locally: How Sustainable Rule Took Over Your City

Solar and wind farms to eliminate gas and oil; 15 Minute Cities; eliminating single-family homes; eliminating gas-powered cars; stop eating beef; no more warm water showers; ban ice cubes and electric stoves; Sustainable! How did these radical ideas become official policies in our once great American cities, now on the verge of collapse? Here's the story.

Your Life On The Ledger: Net Zero Is The Goal

And that score means everyone. A new system that monitors EVERYONE's BEHAVIOR will be instituted into the financial system even if you do not make a salary. Why? You are using natural resources every day. Your carbon footprint must be monitored. Net Zero is the goal.

Stopping Another Steal

November 2024 Elections

In my Jan. 24, 2024, column, Finally: RNC Files Bombshell Election Lawsuit, I covered a new lawsuit by the RNC regarding violation of federal election law (Foster v Love) and how Trump was cheated out of his second term in 2020. All candidates for federal office (House & Senate) were also cheated but that was the game plan and it hasn't changed four years later.

When Did the Federal Reserve become the National Treasury?

For over 220 years Congress had funded federal agencies through appropriations from the Treasury. Then, in 2011, Congress decides to fund a new agency in a different way. After this new agency promulgated rules that members of the CFSA objected to, the trade agency sued, making several claims of both statutory and constitutional violations.

How To Handle Anyone Who Drivers You Nuts

Did you hear of the older lady driving a Cadillac who aimed her automobile toward a slot in the parking lot near the store? Seconds before she pulled into the space, a young man

zipped into her spot in his shiny sports car.

Nothing, and I Mean Nothing, Can Stop Trump and His Love for America

Donald Trump has stood firm against the challenges thrown at him, refusing to be silenced or deterred from his mission to Make America Great Again. Now, it falls to us – the voters – to echo his call to action. On November 5th, let us send a resounding message to Washington: We will not be swayed by sham trials or manipulated by political games.

God's Intent for Creation and the Kingdom of God

And while we sat around and our flesh thinking of self and our inner experiences and dreaming of being raptured to the streets of gold, an alien demonic philosophy called the Chaldean spirit has moved into the soul of Christianity and America and we have a crippled Body of Christ that is stumbling across this nation leaving a crippled and destructive result.

Your Mind is Stressing You to Death

Strong emotions stir up vivid thoughts that can hold your attention so captive that you fail to see where you are going, and when you can't see where you are going, you have accidents.

America's Severe Storms of May 2024 are Following the Same Path as the April 8 Solar Eclipse

As the severe storms tear through the path of the April 8, 2024 solar eclipse, many mainstream media news outlets are attributing the cause of America's severe weather to global warming, as they fail to recognize that the severe storms of May 2024 in America have followed the same path as the April 8, 2024 solar eclipse indicating something different.

A Fanciful or Hopeful Scenario if Trump Succeeds in Gaining a Second Term

In the arena of culture and education, Trump will advocate a revamping of school curricula to reflect our true American identity and history as well as the achievements of the nation's founders as it used to be without undue reference to race, the elimination of CRT, and the restoration of cultural memory.

The Real Fight, Pt. 2

In ensuing material I hope to explore the nature of the Global Corporatocracy more, and this kind of response. I don't wish to focus on details of the upcoming election. Ask me who is going to win, and I'm going to echo Tucker Carlson's answer: I've no idea. I'm convinced that leftist agents of the Global Corporatocracy will pull out all stops to make sure it isn't Trump. The rest is details.

How 'World Economic Forum' Threatens Montana & the Rest

of America

The World Economic Forum (and Bill Gates) wants to cull 80 percent of the world's population and take ownership of our land and property, so we will, in their words, own nothing, go nowhere, eat bugs, and "be happy" submissive, quiet socialists. Their planned "great reset" now in progress plans to put America under socialism.

Why is the RNC "Working Feverishly" Against Donald Trump?

The Republican National Committee is working against the People's Choice, Donald Trump. Let that sink in. HE IS THEIR CANDIDATE, for heaven's sake. Yes, even with Lara Trump as National Co-Chair. Lara is either clueless or complicit at this point. There is NO middle ground.

The Republican Party is Dying in a Post-God World

Most people don't have the time to actually watch the speech or read a transcript. It's just too much trouble. This is a reason why Larry Hogan goes with the secular culture and

appeals for votes from those consumed with the murder of the unborn as a human right. Hogan understands the “spirit” of the times. It has consumed his soul and threatens the survival of our nation.

Does Everybody Go To Heaven?

Our family lost a brother last week. Our brother Dan passed into eternity at the age of 73. It was unexpected, something millions of Americans have experienced over the past 4 years. Somehow the death of a loved one makes death seem so...well...final. We all have an appointment with death and the Bible teaches that “tomorrow is promised to no man...”

Music Transcends Race

We discovered them by accident. My wife got interested in the late Bobby Caldwell, a rhythm and blues star who was rather more heard than seen; and a lot of the people who enjoyed his music—black people—thought he was black, too. There are quite a few videos showing how black fans reacted when they learned that Bobby Caldwell was... white.

Discovering the Three profound Secrets to a Happy Life

As an ordinary citizen of America, my life path carried me into amazing places. My choices allowed me to encounter some remarkable people who espoused “how” to live a happy life. I share their ideals with you for you to incorporate them into your own life—and prosper with happiness.

Time to Take a Side and Make a Stand

But one thing is very clear at this moment in history...our government is currently full of the most criminally imperfect people in our country, and that must change! Right now, a growing majority of Americans across the political spectrum see Trump as that agent of change...and the more the corrupt government tries to prevent him from running, the more patriotic Americans rush to his side in a growing revolt against that maniacal anti-American corruption.

VICTORY: Huge TARGET Backlash

– Only Shows The People That They Still Hold The Power

Well, friends, if it is not the said, extorted representatives in America selling the people out to the highest bidders (Luke 22:48), that is when it comes to the attacks being made on the morality of a people, then it is the Chinese source from which much of this financially flows. Remember, if I can demoralize you, I can control you (Matthew 4:9-11).

Honor Victims of the U.S. Government on Memorial Day

As we witness the assault on Trump's home and the mass imprisonment of those protesting the stolen election of 2020, let us remember the scandals of the FBI/ATF armed assaults on Randy Weaver's home and family at Ruby Ridge, Idaho, and the Waco religious compound in Texas.

The Treaty That Cannot Be

The World Health Organization's (WHO) Pandemic Agreement has been in the news again lately. Not only does this United Nation organization want the power to take over the world in a "health emergency", but numerous politicians and commentators keep claiming that if Joe Biden signs this treaty, it would be

legally binding. The truth is that is just not true, for several reasons.

Get US Out of NATO

Oh, and let's not forget trade between No. and So. Koreans while thousands of our military have been "guarding" the demilitarized zone for since I was a toddler. North & South Korea have a long history of trade that's had its good times and bad times. No. Korea is in bed with the commies (China) but there's still a lot of trade going on.

Memorial Day 2024: Will Americans Still Die For Freedom?

Memorial Day—which will be officially observed on Monday, May 27 this year – is a day to remember what should be remembered every day: The service and sacrifice of the more than 1.3-million American veterans who have given their lives in war so that we, their posterity, might live as free Americans.

Diversity, Equity, Inclusion: Another Name for 21st Century Racism

Who wants another four-year term of the current D.E.I. “INCOMPETENT & DEMENTIA-RIDDEN” Joe Biden in the White House where he can complete the job of displacing millions of Americans with another 12 million illegal refugee replacements, trash our laws, degrade our Constitution and wreck our economy?

Net Zero: The Plan Put Forth by the Globalist Tyrants

As for “Net Zero,” that’s the whole extent of what we, as human beings will get out of this demonic plan of the Globalists for the depopulation and tyrannical control of mankind. Through taxation, regulations, restrictions and shady backroom deals involving dirty money, they will net trillions.... while we net ZERO.

Not By Any Way Except the

Kingdom of God

For over forty-five years, I was an evangelical Christian and pastor. I so much wanted America to follow the Lord Jesus Christ and do the things that pleased Him. For twenty years, I was a member of the Moral Majority. We worked hard recruiting other evangelicals to vote for Ronald Reagan for President. We thought if we could get Ronald Reagan elected President, America would turn completely to God.

Let's Make Oregon Safe, Free and Great Again

If you are still wondering about who you might vote for in the Secretary of State's race, let me help. I've got some notions that will be worth your time. This Secretary of State's (SOS) office is an executive position and it is entirely partisan.

Ron DeSantis: A Globalist in Patriot Clothing?

The latest glaring non-statement from DeSilence concerns the actions of his RPOF, which has recently taken legal action against Judeo-Christian constitutional conservative organizations in the state, who dare to use the word, "Republican" and the elephant as a symbol. This, of course,

has NO basis in law, just in the minds of the persecutors.

The Real Fight, Pt. 1

The result is the DIE (Diversity-Inclusion-Equity) intellectual vacuum in which a Claudine Gay rises to the top at Harvard and is forced to resign when she can't navigate this kind of situation and is exposed as a plagiarist besides. Columbia University has Minouche Shavik at the helm. She has somewhat better credentials than Gay's, having been at the helm of the London School of Economics – the U.K.'s Fabian-founded elite institution.

Iran Emerges as a Hub for International Organ Trafficking

Do we understand that the international community, including various heads of government, is complicit in this scam? Their silence and inaction raise serious questions. They must prove otherwise by taking concrete steps to dismantle this tyrannical regime. They must stand with the people who yearn for freedom and democracy.

Make Christianity Masculine Again

The compromised, weak, Jesus loves everybody messages emanating from the pulpits of America are responsible for the full bore, full steam ahead, in-your-face-assault on everything Christian in the nation.

America: We're in Serious Trouble

The mainstream media twists reality to unreality. "The View" features a bunch of wacko females who hate the majority of Americans. One of them said that the basketball phenomenon Catlin Clark enjoyed "Pretty Privilege...and White Privilege." What a crock of horse-feathers! Clark became the highest scoring basketball player in college history.

Different Strokes, Different Folks

If we don't want the fighting to get out of hand, we have to agree to disagree—and that's harder than it looks. Once upon a time it plunged our country into civil war: individual states vs. federal government, and two vastly different takes on

states' rights... and slavery. Try to name a war that didn't start over widely different perceptions of the same damned thing.

A Picture Paints a Thousand Words, Portrait of King Charles III

The reality of life on the streets of the UK is entirely different to how it once was. There is nothing to hide behind. Many people are afraid to walk the streets of towns and cities in the UK which have become unrecognisable. They are afraid to go to their doctors and hospitals' and they do not like what their children are being exposed to in schools and via the media.

Record High Of Hostility & Violence Against Churches In America

If it is not the sodomites who are playing the victims to those who stand up to their crimes by calling them bigots and haters (Leviticus 18:22), then it is those from the Middle East that mean to treasonously conquer America by calling out those who stand up against their crimes as 'Islamophobic'

(Article III, Section 3 U.S. Constitution). The truth of the matter is that they hate the very Laws that condemn their crimes.

What Can the Constitution Do For You?

I meet a lot of people who think the Constitution is useless, while others wonder how people can get away with violating it. While these may appear to be opposing positions, I believe they stem from the same misconception: That the Constitution of the United States is some superhero that will come flying in to save the day. Rather, the Constitution is ink on parchment, a tool and nothing more.

Titanic: Accident or Deliberate Drowning?

On board the maiden voyage of the Titanic was a cabal of very wealthy people opposed to formation of such a central bank especially as it was constructed under FED guidelines. These included Benjamin Guggenheim, Isidor Strauss, John Jacob Astor, and other financial oligarchs.

New Election Lawsuit: Plaintiffs RNC & Donald J. Trump

There is great hope President-Elect Donald Trump, who was absolutely cheated for a second term, will win this November. Never mind all the conspiracy theories peddled by the prostitute media and mindless hens on garbage TV shows like The View that career criminal, Joe Biden, won in 2020.

House GOP Gullibility on Display Once Again

In Greek mythology, a story is told about Odysseus, a king of Ithaca. This king is said to have waged war against the city-state of Troy. After an unsuccessful siege of the city, Odysseus conceived the idea of building a huge horse and hiding within its structure many of his best fighters, counting on the Trojans to see the wooden horse as a sign of their victory over the Greeks.

America Going Tribal Beyond

Recognition or Commonality

No question: we are repeating Rome's history. America is bifurcating. We're manifesting "tribalism" rather than Americanism. We're battling 55 million foreign born who don't share our cultural values. We're segmenting. We're CRT'ing. We're D.E.I. separating. We've got "affirmative action" employees in the cockpits of 747 airliners. We've got Muslim American Hamas supporters chanting, "Death to America."

Back to the Kingdom of God or Else

Many preachers today preach Jesus but they do not preach what Jesus preached – the Kingdom of God Message. Life simply will not work except in God's way and God's way is Christ's and Christ's way is the gospel of the Kingdom of God. The whole New Testament is the Kingdom of God Message. Are we hearing God? No!

Press Conference on Narco-Nation America

For those who think marijuana is a harmless drug and that "Reefer Madness" is the name of a funny out-of-date movie, consider the case of Bryn Spejcher. She experienced what is

called “cannabis-induced psychosis” and stabbed her boyfriend Chad O’Melia 108 times, killing him, then stabbed her dog and was trying to kill herself when the police arrived.

Integrity Matters

Nickaylah Sampson dreamed of following in the footsteps of her parents, Mathias and Natalie Sampson, by pursuing a career of service to her country as an officer in the U.S. Army. In 2020, she was appointed to West Point, one of the most prestigious military academies in the United States, where only about ten percent of applicants are admitted annually.

City of “Yes, I Want to Be a Slave”

Carbon neutrality is just one of the thousands of weapons being used against us in this asymmetrical warfare of Cancel Culture. To fight better, we need to be working together. Join a Freedom Pod today, at AmericanPolicy.org, or start one in your neighborhood so you can better counter these attacks on our God-given constitutional rights.

Armed Forces Day—Third Saturday of May

May God bless and keep all those more than 1.3-million patriotic Americans who by their service and sacrifice on active duty in the armed forces or in the Reserves or National Guard protect and defend the freedom of all 340-million of the rest of us Americans.

In Defense of Jews, Israel, and the Sacred Individual

But I was profoundly disappointed and shocked to discover a growing anti-Semitism in the ranks of patriotic conservatives. It caught me by surprise. I did a double-take when I read the words of conservatives blithely stating that a cabal of Jews and the nation of Israel were responsible for just about everything “bad in the world.” I said, “What? What did I just read?”

Unsatisfying Script: A Description of the Movie

“Civil War”

The critics’ reviews of the movie waxed critical. Easy to do since the director did not pick a side or make some left wing political statement. Even negativity can cause people to think and evaluate, but that is a challenge now as people are hourly spoon fed solutions on which they are expected to chow down – and believe.

Why Are Western Countries Committing National Suicide?

One look at France today, 55 million French persons, and 5 million Muslims, you can cut the racial/religious air with a knife. You might remember where Muslim terrorists shot up Paris restaurants, slaughtered theater patrons and killed cartoonists in that once “free society.” More than 90 “no-go zones” now dominate the French countryside.

It’s Getting Too Crazy

Meanwhile, though, the mayor had noticed that the city needed more lifeguards for its swimming pools and beaches. The light bulb goes off overhead. Aha! If only the feds would release the funds for it, he said, the city could hire a lot of the migrants as lifeguards... because “they’re excellent swimmers,” he said.

Tied of Being Called “Anti” Simply For Having an Opinion Counter to Someone Else

So...I am anti...anti...meaning I am sick and tired of being called “anti” simply because I have an opinion counter to someone else. It happened again to me this weekend. I got myself into a heap bowl of chili simply by asking an obvious question that I didn’t know I wasn’t allowed to think out loud.

Guilty Illegal Immigrants Rioters Charges Dismissed While Innocent January 6ers Remain In Jail

In the process, these illegals are bringing with them drug trafficking, human trafficking, murder, rape, attacks on the American military, attacks on America’s police, etc. The list goes on. What could one expect from those who are ILLEGALLY crossing over the border?

Competing Titles: Tennessee House Falls Victim to 'Agenda 21' Conspiracy Theory vs Tennessee Bans Agenda 2030

In 2012, while Agenda 21 (now 2030) had been around for two decades, because we had a misinformation press even back then, the number of people who had understanding of what Agenda 21 i.e., Sustainable Development was about, was very small comparatively. And many of the tools and tactics of Agenda 21 had not been out in the open back then.

Presidential Immunity

Rather than following the Constitution and laws of the United States, the courts, and all of the attorneys arguing the cases, are attempting to design a system to meets their ends. They are legislating from the bench, rather than applying the law to the case at hand. While Mr. Trump is attempting to turn the Presidency into a Kingship, the courts are trying to turn the United States into an oligarchy.

Happy 76th birthday, Israel

Today, Israel has reunited Jerusalem and provided unrestricted

freedom of religion. Access of all faiths to the Holy Places in the unified City of Peace is assured. The story of Israel's rebirth is indeed a miracle, yet challenges have remained, threatening the existence of this tiny ancient country filled with a rich culture.

What 2024 Polls Really Tell Us

My favorite line about polls and statistics is, 99% of all statistics are made up on the spot to suit someone's agenda, and man is that true when it comes to modern political polling data. Today, most Americans don't even care how accurate the information is, they will share the polls of their choice, so long as it suits their agenda.

Earth Day 2050: Our Society Is Not Prepared For The Future

Since the mainstream media won't educate you, and politicians continue to explode our population via legal and illegal immigration into America, you cannot count on knowing or understanding what Americans face in 26 short years. But I can tell you this: it's gonna' get really ugly for anyone living in that 2040 to 2050 decade when America hits that 100 million

added human “resource competitors.”

Happy Church, Little Resistance of Evil and the Powers of Darkness

It is decision time for the Remnant in America. We have a faithful LORD and King and if we will meet Him on the battlefield, He will give us the victory against evil. We have work to do because one day we will stand before the King and answer to Him for what we did with what He gave to us.

The Absurdity of the Two State Solution Crowd

Asking why we continue to see and read of the hatred and vitriolic rants against the nation of Israel often sounds like a “broken record.” I have surmised that we will continue to hear and see the incessant spewing of Antisemitism because those expressing these views are short on reason, rational thinking, and logical, analytical deduction skills.

Understanding the Sovereignty of God

The only true sovereign that ultimately rules in all affairs of mankind desires that His crowning creation would recognize of his own free will, the need to accept His authority in all spheres of man's governments, personal, family, church and civil. Unfortunately, history has very clearly proven that mankind is totally incapable in his fallen nature to follow God's will in his personal life, much less in the civil sphere.

Why the U.S. Ignores Islam's Threat

The left has put America in a very precarious position by allying with America's enemy. We are in a state of subversion, and most of us don't even dare to name the enemy, which is Islam. It is no surprise. The so-called Democrat Party always allies itself with America's hardcore enemies.

Preparing the Trial of Barack Hussein Obama

This is not to say that the House Republicans have not made

serious mistakes. They expelled Rep. George Santos, who fudged the facts about his background. But it was Barack Hussein Obama who campaigned under false pretenses as a Christian when he was a Marxist mole with sympathies for radical Islam. His policies are still guiding the Biden Administration.
