

The Origin of Covid-19— Updated, Part 5

All but one of the 27 scientists who signed the letter had connections with Chinese researchers. Dr. George Gao, head of the Chinese Centre for Disease Control and Prevention, had supported Daszak's nomination to the National Academy of Sciences.

Shut Up and Pay

The public pays for what people who don't know any better call "public education." But the public doesn't own it. In that very real sense, "public education" isn't public. Every moment of instruction, every textbook, school building, teacher pension, administrator's gorgeous salary, every visual aid, locker, sports equipment—every cent of it, the public pays for.

Greg Gutfeld: He Is Funny, PERIOD!

In this age of political corruption, worthless Congressional Critters, our president advocating for open borders, useless wars and political pundits...humor might keep you sane. At least, if you're laughing, you've got a chance to keep your

sanity. Otherwise, you'd be reduced to balling your eyes out daily.

This Is How The People's Representatives Should Be Upholding The Law Against ALL Crimes

If I were in the position of this mayor I would not have given them the option of resigning, they were guilty and everyone knows it and should rightly be held accountable for their crimes though he did take it the right direction...

E Pluribus Unum2021 – Out of Many, ONE!

We have reached a moment in history when 100% of federal democrats are anti-American, and two-thirds of republicans are too! The people can stop the tyranny any time they want, but they will have to unite in one voice, one people, to do it.

Trump 2024?

Personally, I'm not a fan of any politician and today, I know that 100% of the Democrat Party is anti-American, while two-thirds of the Republican Party is as well. Still, I also know that politics is a team sport, which means, if you don't play the game on one of the two national teams, you're not even in the game.

Mike Pence, a History of Treachery and Betrayal

Pence and his wife Karen have always wanted the presidency, but what he doesn't understand is the fact that he followed the advice of his good friends from Congress, Paul Ryan and Jeff Flake, rather than standing with the man who gave him the chance to one day lead the country. Pence is our 21st Century Benedict Arnold...he stabbed the president in the back and the Republic in the heart.

The Death of Freedom in America

Ronald Reagan's words have come true. We now live in a country where we have to explain to the rising generations what it was like to live in America where people were free. While this day

has been coming for decades, recent events show us the real level of rot and decay when it comes to your rights and liberty.

This Is HOW Angry Most Americans Feel Today

In the past week, U.S. Border Patrol agents tried their best to stop 18,000 Haitian illegal migrants from violating our borders. All of it caused by President Biden's insane invitation to illegally invade our country. Biden can now take credit for the dumbest retreat of our military in the history of the United States: Afghanistan of the Taliban.

SARS-CoV-2: Isn't It Time Someone Did this?

Never in my long life have I seen what we're seeing now around the world regarding those experimental injections being passed off as vaccines to "protect yourself and those around you". In Australia, their lockdown situation is akin to being in prison...

Politics and the Politicization of the US Military

Americans traditionally have been wary of a large permanent military establishment, believing it to be a threat to democratic institutions. This attitude goes all the way back to the Founding Fathers who deliberately kept the army small, preferring to rely on local militia in case of an emergency.

Democrats: Architects of the Destruction of America, Part 4

What the Present illegal administration is doing to America is nothing short of treason. If you disagree with that statement you are part of the problem, This administration is trying hard to make elections irrelevant. Their demand to use mail-in ballots guarantee they never lose another election.

What Else Do You Need To See?

Only days after presiding over the worst military disaster in American history, Joe Biden told us that his “patience is running thin” with those who have not agreed to be lab rats in

the most massive human experiment in the history of mankind.

Majority of Government Was Fake, Now it's all Fake

Our Declaration of Independence and Constitution remain as the Supreme law of the Land. In simple terms the only valid laws remaining in force are those of the states, and our founding documents. The Unconstitutional Election Insurrection effectively removed any authority or semblance of our Republic.

Elder Cleansing and the Falling Away From Constitutional Judeo-Christian Governance

The New World Order globalists with their anti messiah / antichrist allies at every level, under the guise of a medical crisis, have exerted control over the world's nations, many of which were formerly governed by Constitutional Judeo-Christian principles. They have imposed and will continue to try to implement draconian measures, including...

Saving Privately Milley

Over the years, and particularly after the events of September 11, 2001, and the popularization of the Internet, even the most gullible American citizen has suspected that there must be a secret reason why more often than not our government acts against the best interests of the American people...

Are the Dems Winning the Political Vaccine Wars?

The Fox poll found that 74 percent of the people are “extremely” or “very” concerned about the pandemic. By contrast, I keep hearing from Republican voters who believe that the virus is no more deadly than the seasonal flu or the common cold.

Gabby Petito: Tip of the Iceberg of Violence Against Women in America

What’s almost beyond understanding stems from the fact that a motorist called 911 to report that Laundrie hit and slapped

her alongside the road. A cop intercepted the couple. He talked to them. He could see her distress and the cut on her face, but for some reason, he allowed her excuses to not arrest Laundrie.

Read! Read More!

This is serious. How are we supposed to maintain a constitutional republic—and keep our liberties!—if hardly anybody knows, or cares, what a republic is, how a constitution works, or what history tells us will not only not work, but can actually lead us into disaster?

We Know Who Is Funding Evil, Who Is Funding Good?

We all know who is funding evil. George Soros and his army of Luciferians, BLM, which has raised over \$1 BILLION, and a long list of others who are hell bent on destroying all things good. Perhaps you could name a few of the culprits on your own.

Meeting Invitation and Special Presentation

You must be registered to attend for security reasons and because space is limited. Please RSVP at your earliest convenience and indicate how many people will be in your party. Contact information follows. The location is a quiet residential area a bit north of the Capital Beltway.

Detroit TV Asks For Stories Of Unvaxxed Dying From COVID – Gets Over 180K Responses Of Vaccine Injured And Dead Instead

I wonder what WXYZ will do now? Will they do what most corporate media companies do, fueled by almost unlimited resources from their billionaire Wall Street owners who are almost all connected to the pharmaceutical industry, and just go out and hire actors instead to do the story and make them up?

Agenda 21: Cancel Culture on a World-wide Scale

We are on the verge of civilization collapse, but not for the reasons the environmentalists, globalists, and anti-humans believe. We are on the verge of collapse because of the evil, anti-humanity schemes, plots, and plans they are forever coming up with. Now is the time for us to throw the sabot into the machinery and stop the Marxist, Communist, Globalist plans...

The Unvaxxed ARE Following the Science

No intelligent human would ever take one of these vaccines after reading these adverse event reports. No decent human being would ever suggest anyone else take one, much less force them on anyone, after reading these VAERS Reports. I feel sorry for those who have been duped into following the herd instead of following the science.

**Secret Communist Plan
Fulfillment, China's Role,**

Part 3

According to Bob Woodward's forthcoming book, PERIL, Milley told ChiComm General Li Zuo Cheng four days before the 2020 election, "We are not going to attack or conduct kinetic operations against you. General Li, you and I have known each other now for 5 years."

Forced Jobs, Health Fascism and Medical Apartheid

Totalitarianism has become the norm and our God-given freedoms are being shredded. After the "stealing of America," one party gained control of the entire political system. Opposition parties are prohibited, individual opposition is outlawed, and they're flexing their muscles with unconstitutional control over both our public and private lives.

The Evidence Is In! COVID-19 (84) Jobs Really Are Very Dangerous!

The vaccine isn't supposed to work, it's supposed to make things worse. And it has! It's increased the susceptibility of millions of people to severe illness and death. That's what

it's done. It's a stealth weapon in an entirely new kind of war; a war aimed at restructuring the global order and establishing absolute social control.

America's Wide Open Borders: You Can't Fix Stupid

In the past nine months, over 1.4 million illegal refugees violated our borders and now reside in our country at a cost of upwards of \$65 million per month of our taxpayer dollars. That's on top of the 1,000,000 legal immigrants that entered our country this year. That's on top of the 300,000 anchor babies and their mothers that subsist on our tax dollars.

Second Amendment: Massive, Dangerous Foreign Invasion by Illegal Aliens

Trump was sworn in January 2017. Democrats allegedly swept the House in 2018. Don't believe that vote count. It was imperative to stop Trump getting the wall built as well as his other campaign promises. All the new Marxists were sworn in January 2019. Republicans controlled Congress under Trump long enough to fix this nightmare. They did NOTHING...

Democrats: Architects of the Destruction of America, Part 3

We can see almost throughout the history of the Democrat Party how they have seemed to make every effort to tear America down. They did all they could to keep slavery in place, they established the Jim Crow laws even though they try to make you think that Republicans wrote the laws.

Time For a Serious 'Sit-Down' Discussion

Like small businesses, churches were willing to take the government warnings seriously and err on the side of caution. But weeks and months later, even after the businesses reopened, it seems most of the church doors remained shuttered, the leadership there agreeing with the government that they were, indeed, "non-essential."

Medical Tyranny Machine – SPECIAL REPORT

Since the onset of the COVID19 “regime change” operation that was planned and launched as early as 2013 when Patents were first sought for COVID19 and related mRNA technologies...and later used to unseat Trump and his supporters from power in 2020 via totally unregulated “mail-in” balloting...I have worked with a team of serious Americans to uncover the whole truth.

More Thoughts on the Impending Break-Up of the U.S.

Last week (as I write this morning), “Joe Biden” *pulled a trigger likely to aggravate divisions over the experimental mRNA vaccines. He blatantly violated the U.S. Constitution – as if that matters these days! – by signing an executive order commanding employers with 100 or more workers to get them jabbed, or tested every week with a test known to be invalid and scheduled to be discontinued at the end of the year.

George Washington Favored

Vaccine Mandates

Conservative personalities such as Tucker Carlson are taking an anti-vaccine approach, even as their own employer requires evidence of vaccination status. His frequent guest, Alex Berenson, screams, “Folks are angry out there. Angry at the lies and the power grab.”

Dancing on the Brink of Doom

Those “Met galas” in New York always give me the creeps. The one this year charged \$30,000 a ticket. That’s what assorted high-end leftists paid to show off their overpriced threads—there are always photographers handy.

Part 1: None Of What’s Going On In Washington DC Makes Any Sense

Does anyone of those 545 Congressional Critters possess an ounce of common sense? Do you think what’s going on in Washington DC resembles anything that’s reasonable?

Tolerating NO accountability, NO performance, America's NEW Normal

Recently General (Ret) Mc Gregor said, " When there is no accountability, there is no performance." Our leaders desire to destroy America proved that statement. We have NO – Zero accountability in Afghanistan and therefore we had NO performance.

Tolerating Political Crimes, Crooked Politicians, Is The Recipe For Self-Destruction

Is it that these self-proclaimed Christian conservatives are cowards, that they are fearful (Revelation 21:8) to actually stand up in honor of where our veterans have fallen in fighting off concerning tyranny in other lands (2 Corinthians 5:15), while desensitized Americans tolerate them in office in our own lands (Hosea 4:6)?

Post-Pandemic Problems and

Prognostications

The manipulators have stated openly that soon no one will own anything. Personal property and private homes, the envy of those who don't have much of them, don't deserve them, or already have too much of them for their own good, will be eliminated. They expect you will like it that way – less responsibility and more time for self-indulgence.

America is a Paper Tiger

On the anniversary of 9/11, I am used to seeing the claims that Dick Cheney bombed the World Trade Center in an “inside job” designed to drag us into war. This is the Alex Jones school of thought. What's worse is the tendency to “remember the victims” but refuse to admit that our nation has truly failed to remember them by avenging their deaths.

Secret Communist Plan Fulfillment: China's Role, Part 2

The ChiComms wanted our president to be someone who could be guided primarily by his campaign manager and top White House advisor Anita Dunn, who said Communist Chinese murderous dictator Mao Zedong is her “favorite political philosopher”

(according to THE WASHINGTON POST, Mao killed up to 80 million of his own people).

Texas Vs. Roe

The recent Texas law SB8 has been described as an attack on the right to abortion. The case challenging the law, Whole Woman's Health et al, v. Austin Reeve Jackson, Judge, et al, has become a lightning rod for abortion activists. Referring to the law as both extreme and a blatant violation of constitutional rights, President Biden has been one of the chief spokesmen opposing this law...

Part 2: Does Anything Going On In Washington DC Make Any Sense?

If you're a Republican, Independent or Democrat—you must be scratching your head daily as to the utter folly of those 545 people that you elected to serve our nation. Why aren't they collectively solving our nation's problems? Why aren't they making common sense decisions? Why don't they do what's right?

COVID-19: The Omega Brief

When career criminal impostor president, Biden, issued his handler's latest unconstitutional mandate, state governors went ballistic. Americans who have refused those gene therapy injections now have even more fear of losing their paycheck. That walking corpse has no clue what's going on.

No Pity for the Ignorant and Apathetic

Don't you think it would be much better if people learned the truth, and helped take back your country from the parasitic super rich ruling class and their powerful Communist minions, before they kill you, and destroy everything we cherish?

Anybody Forcing the Experimental Covid-19 Vaccine on You is Guilty of Crimes Against Humanity

Stand and Fight. Stop wearing the masks and resist. Whatever you do or don't take the dangerous, experimental jabs. Decide what is more important right now, keeping your job at the price of your own health, freedom and even life, or standing

up at a critical time in your country...

Democrats: Architects of the Destruction of America, Part 2

So all seems “quiet” now in the country since the “Commander in Thief” has taken up residence in the White House. Things may seem quiet, but do not be deceived. There’s a deep, ugly sludge oozing out across our land and the demoniacs have quietly been having a field day.

9/11 and American Exceptionalism

In the case of the 9/11 events, the evidence shows that, first, never before or after 9/11/2001, has a skyscraper with a steel structure collapsed due to a fire. Secondly, never before or after 9/11/2001, a skyscraper has collapsed on its own footprint except as the result of controlled demolition.

A Question of Allegiance

On the one hand, Joe Biden is congratulating himself for an “extraordinary success,” despite the fact that his policies resulted in the death of 13 American soldiers, the abandonment of Americans behind enemy lines, and the loss of 85 billion dollars in military equipment.

A 9/11 Every Two Days

But consider this message, one of many I have received, from a right-wing religious zealot and lunatic: “...either you never read any of the irrefutable facts about the Dangers and horrors of this fake bio weapon falsely called a vaccine or you’ve been bought off by the Demoncratic party i.e George Soros and company...”

For Those of You Throwing Off this “Plandemic” As a Mere Conspiracy Theory

The Centers for Disease Control and Prevention (CDC) has a lengthy document on its website, seemingly unnoticed when it was originally written, explaining how to put people in camps to keep them safe from Covid-19.

Land of the Masked, Vaxxed and Terminally Scared

Fear is a terrible thing. It causes people to lose all common sense and react in fear, all real science and data facts totally ignored and even rejected. If you are moving with the herd, you are likely moving in the wrong direction today.

9/11: The Unspeakable Film Premiere

I firmly believe Flight 77 did not crash into the Pentagon. In the past 30 years, the three issues I've written a million words about after spending a zillion hours doing research are the Federal Reserve, 9/11 and COVID-19.

Questions Still Linger Regarding 9/11

New York City's Twin Towers would be a likely target since terrorists had already tried to destroy them in 1993, and in the event of an air attack, the preventive solution was simple. Just have an Apache Longbow helicopter with its 30mm

chain guns, rockets and missile on standby alert at one of the city's several forts.

Two Questions That Demand Answers

The state of South Australia is going to use high technology to keep tabs on all its, er, "citizens." They'll subject you to random checks on your whereabouts, via your cell phone; and if you don't text the government within 15 minutes of receiving the message, they'll sic the cops on you.

Part 5: Climate Change, Wildfires, Chaos in Big Cities

In the past week, the Dixie Fire in Northern California burned 432,000 acres by Sunday. By the time you read this column, another 100,000 acres. In other words, we can't contain it or control it. Too much heat in the atmosphere and too much kindling on the ground.

The Killer Covid Vax, A Genocidal Bioweapon, Part 2

We are naïve if we think Nazi Germany cannot happen again. In fact, the Bible predicts it will. The Germans and even Hitler himself were all too human. Read the atrocities around our world. It is clear that raw humanity is certainly not very pretty. Evil held in check often erupts when the conditions are right.

Rosh Hashanah – Time to Remember Tradition

As we learned in history the road to freedom is never easy or fair. But we are blessed. We live in America and Americans will not give up their freedom with ease. This week I will pray. I will pray not only for myself and my family but for America. I know we are strong and I know now is the time to face the uncertainty together.

Big Labor's Socialist Agenda

In a statement, former President Trump calls the bill the "Communist Plan to Destroy America," adding, "It destroys our Borders and the rule of law by granting dangerous amnesty that will flood America's beautiful cities. It will overwhelm our

schools, and make our Nation less safe.

Supreme Law of Unelected Dictators

247-years later, hard proof of mass dumbing down of American society is overwhelming now. In fact, America has absolutely reached the level wherein society may be “too dumb to remain a free people.”

Secret Communist Plan Fulfillment China's Role, Part 1

In late 1945, U.S. General George Marshall goes to China where the Nationalist Chinese are winning against the Communists. Marshall approves a plan to reduce the forces of the Nationalist Chinese Army, and then boasts: “As Chief of Staff, I armed thirty anti-Communist divisions; now with the stroke of a pen, I disarm them.”

The Judicial System is On Trial

There must be a way to allow Americans fair access to a trial as required by the Constitution without undue harmful effects on their constitutions and pocketbooks. By frightening defendants or making it financially impossible for them to present a decent case, the system does not allow them to maintain their innocence until proven guilty.

The Coming Genocide: Mass Extermination of Humanity, Part 1

The purposeful denial of decades old life-saving medications, azithromycin, steroids, hydroxychloroquine and ivermectin and the failure to treat people with a multitude of supplements, leads to one conclusion. The plot is mass extermination of humanity.

The Break-Up of the U.S. Is Inevitable. Here Is What You

Can Do

The U.S. is going to break up in the near future, possibly within our lifetimes. I don't think it's stoppable at this point. The only issue is: will you prepare, or leave things to chance? You cannot save what is no longer "your" country. But you might be able to save yourself and your loved ones working with small and autonomous communities of like-minded others.

Is Our Country Committing Demographic/Sociological Suicide?

We now understand by the Department of Homeland Security, that between 23 to 27 honor killings are committed annually in the USA with another 500,000 cases of female genital mutilations all committed by Muslim immigrant men as commanded by their Islamic religion. We're talking murders and assault and battery on young girls.

Can the CDC, FDA, Fauci & NAID Be Sued for Fraud?

The best, smartest, most experienced and courageous molecular biologists, biologists, virologists and doctors who've been

speaking out here in the U.S. and other countries will be expert witnesses in a court room. Dr. David Martin on the State Little RICO. The list is too long to name each one but we've got them to testify.

Democrats: Architects of the Destruction of America, Part 1

Ever since the fake president was sworn in we have seen the Democrats do everything they can to take away our rights, give away our nation to illegals on a scale never seen in America before. Biden is allowing illegals to cross our southern border by the hundreds of thousands with about 40% of them testing positive for covid.

God Has Spoken

We brought all this upon ourselves. Once a nation of Christians, we forgot about God and followed our own wicked, carnal desires and the enticements of foreign gods. The shepherds, who should have known better, were content to keep us all fat and happy with feel-good self-help "talks," and no fear of the Lord at all.

Using Anger To Control People

Therefore, the solution lies in the present moment. If you discover the way to stop reacting to the present as the extension of your past, a wonderful thing happens. It is the present reaction of resentment that builds upon the original implanted event and reinforces all aberrant behaviors.

Inflammatory Disorders, Cancer Markers on the Rise

Some have brushed off the notion that the virus could be a bioweapon because it didn't cause sudden, mass deaths. But this is a misconception. A successful bioweapon can be something that causes long-term, progressive, chronic-type diseases, noted Dr. Richard Fleming, a physicist, nuclear cardiologist and attorney.

Why and How We Take Back Our Country

Most people are under the false impression that government officials, politicians, corporate officials, military flag

officers, judges, bureaucrats, et al. are the true rulers of our country. They are not, they are only the well bribed minions taking orders from the PSRRC which they dare not disobey for fear of dire consequences.

How the States Can Suppress Illegal Immigration

“The good People” need to stop waiting for some rapturous event (whether of heavenly or human origin) the timing of which even the Scriptures deny that any man can predict. They must come to grips with the admonition that “God helps those who help themselves”. And, with that as their guide, they need to shoulder their responsibility, to organize themselves, and to plan, prepare, and act to save this country. No one else will do it for them.

Heads Up, Jew Haters! Don't Take This Medicine!

Maybe I don't frequent the right journals, Internet sites, TV shows or radio stations, because all I've seen and read and heard since the 1960s is that the Arabs who call themselves “Palestinians” —you know, those perpetual “victims” who have received literally billions—maybe trillions—in “aid” from America, have become famous for five or six things only...

‘Educating Perversion’ With Little Or No Consequences

If the United States of America ever turns into a failed state, a socialist hell-hole that’s only another name on the map, nothing will have played a bigger part in its destruction than what we like to call our public education system.

An Interview With Reality of Our Country’s Present Mess

One of my journalistic colleagues, Charley Reese, recently retired from the Orlando Sentinel. He’s a journalist for as long as I have been a journalist around 50 years. He’s seen what I have seen. He shares his views of America and our current quagmire as brought to you and all of us by those 545 rascals in Washington DC.

Defeat COVID Mandates by restoring the Genuine Meaning

of the “privileges and immunities” and “due process” clauses

But since the federal and State governments are refusing to recognize our Rights, it falls on us to boldly step up to the plate and insist that our Rights be respected. You have no lawful, moral, or religious duty to submit to a government when it violates our Constitution and seeks to take from you the Rights God gave you.

Don't Tell Me That One Person Cannot Make A Change!

With all of the promises made to the Church, I have to say that I cannot find defeat, only victory. The defeat comes to the disobedient, not the obedient. Nowhere can you find in Scripture where the Lord ever, one time failed a faithful man or woman of God. Nowhere!

Biden's State Department Blocking Christians From

Leaving Afghanistan

Beck has proof that the Biden State Department has been calling neighboring countries and ordering them not to allow any Christians from Afghanistan into their country. Many of the surrounding Muslim countries have tried to show mercy and would allow a temporary stay just to get them out of the deadly kill zone they are now in.
