

It's Not About Ducks and Cats in Springfield OH

I went to Springfield, Ohio last week. Me and a couple dozen of my friends made the trip to pray over the city. We, like most of you, had heard the hype about the eating of ducks and cats. Too be honest, in today's America anything is possible. So, we went to see firsthand.

They're Still Getting Away With It

We also had to learn reading, arithmetic, general science, basic geography—gee! Not much time left over for Gender Studies, Critical Race Theory, or Marxism Really Does Work (We Should At Least Try It!) studies. “How do you know you really are a girl? Have you at least thought about your gender?” No, we had no time for anything like that.

Silent Assertion: The Shabbiest of All Lies

None of the mainstream media will educate the American people as to the consequences of Biden-Harris dumping 15 to 21 million illegal migrants into the guts of America within four

years, and possibly another 21 million if Harris wins the White House. If you think Springfield, Ohio represents a growing nightmare, just wait until your city becomes yet another Springfield, Ohio!

Destroying Strong Men – Another Step in Taking Control

Back then I related it to ‘The old sciences, the old words and meanings, the old assumptions, expectations, and the old virtues and religions...’ as we saw it play out in the takeover of our education system. But we cannot ignore our Old Ideas and Customs that include our nation’s heritage, its founding, and our reverence for our Declaration of Independence and Constitution.

20,000 Illegal Haitians Overwhelm Ohio Town

I have asked myself for over 20 years why does the American church sends missionaries to foreign countries to preach what they call the Gospel overseas (Galatians 1:8), and at the same time, they fail to preach the Gospel to the people here. After all, the greatest mission field in America is the schools that are completely being overlooked.

It Doesn't Need to Be Rewritten, It Needs to Be Reread

It is up to us, to both diligently read and study the Constitution of the United States. I know it sounds daunting, but I can tell you from personal experience, it's not nearly as hard as you've been led to believe. Only after we have a grasp of the fundamental and paramount law can we judge if other laws are complaint with it, if our states should abide by them, and if our representatives are fulfilling their oath to support it.

Eliminate the Machines, Return to Paper Ballots

However, in the Texas Senate race of 1948, Lyndon Baines Johnson had his people change paper ballot votes from 7s to 9s in his favor and claimed victory over the beloved former Texas Governor, Coke Stevenson. Texas Ranger, Frank Hamer, proved the fraud and took it all the way to the Supreme Court. Democrat Justice Hugo Black never looked at the proof and gave the election to LBJ.

Is Ancient Stoic Philosophy Relevant to 2020s America?

Some will want to know: is Stoicism compatible with Christianity? Devotees of each considered themselves to be competitors during the first few centuries AD. To my mind Keith Humphrey, in his just-published *Stoicism and Christianity* (2024), lays out a credible account of the overlap between the two, which is greater than their differences.

The Ten Commandments Are Not Requests

Ohio residents in small town erupt over havoc caused by massive influx of 20,000 of Haitians. 'I want out of this town. I am sorry. Please give me a reason to stay,' a citizen who is considering leaving Springfield said." Nov. 9, 2024. Short video: "Haitians are in the park grabbing ducks, cutting the heads off, and eating them"

Church Burnings in America

I had the opportunity of once interviewing the late Vatican insider Malachi Martin, who wrote penetrating books about the Catholic Church entitled *The Jesuits* and *The Keys of This Blood*. He believed that Mikhail Gorbachev, who presided over the “restructuring” of the old Soviet Union, never gave up on Marxism-Leninism but adopted the viewpoint of the Italian communist Antonio Gramsci that a worldwide communist state could only be achieved gradually.

America’s Growing Nightmare: The Future of Our Country Hidden In Plain Sight

For anyone who reads this commentary and thinks we’ve got to save the world’s poor and homeless, please understand that I have traveled across six continents on a bicycle to “see” what I am talking about. As the third world adds 83 million more desperate people, net gain, annually, we can’t save them. But we can, and at this time, we ARE killing our country by following this insane immigration path.

Just 51 Days to STOP THE STEAL

If you made it to the end of this piece, you can never again ask what you can do to help save this country, because I just told you what all of us can do. You can never again claim that there's nothing you can do, because there's plenty you can do. You can not continue to blame anyone else for what doesn't get done, if you're not going to do it yourself.

Man-Made Religious System By the Traditions of Men

What we have in this nation, in these modern times, is a religious denomination and mega church system that is designed and operated by man, and for man and his pleasures and the gates of hell have overtaken this church religious system and also this nation. On the other hand, in Matthew 16:13-16, Jesus said He will build His ekklesia (assembly) and the gates of Hades will not prevail against it.

A Disastrous Debate?

He's said he has no plans for another debate. Maybe that's just as well. I have friends who believe he's nevertheless still going to win, if only because the Bidenista economy has

been a disaster for ordinary people. Many of Trump's supporters out in the hinterlands, friends argue to me, have basically gone silent.

Can Trump Save His Campaign?

On the eve of the presidential debate, I received an email from Trump supporter Laura Loomer declaring that getting Christians out to vote for Trump in November is the key to victory. If this is the case, then why is Trump trying to appeal to Democratic Party voters on issues like abortion and drug legalization?

The USDA Wants the Control of Your Land, Air, Water – Action Needed

Propaganda is the game of the communist DNC. This is how the communists gain power. Lazy citizens who don't pay attention to anything other than free stuff from the government vote for more free stuff. Equity just means we will be all be equal in poverty as the communist government will regulate, tax and steal everything we own.

Equality v. Equity

Throughout most of my life, I have been a firm fighter for equality, freedom, liberty, true justice, national sovereignty and security, peace and tranquility. Millions of Americans think they stand for these same things and many do. But today, millions do not stand for these things at all and fundamentally, it is what divides our nation in every election.

Legal Firearm Possession as Probable Cause

Then imagine, after providing your drivers license, you're pulled out of your car, searched, handcuffed, and "stuffed" into the back of the police cruiser while the officer searches your vehicle from stem to stern, even though you've done nothing wrong.

America's Growing Nightmare: Suppose You Were An Idiot

This list of idiots can only be stopped at the ballot box in November. If you don't stop the number one idiot, Kamala Harris, you will be amazed at all the misfortune, crime, homeless illegals, collapsing schools, collapsing welfare

systems, chaos and Muslim events coming to the USA in 2025.

“Our Democracy”

The town—any town—has a local school district governed by a local board of education. As the years go by, the townspeople grow more and more discontented with their schools and find that they object to what’s being taught, who’s teaching it, how much it costs, and the batty “school officials” running the show.

Trump Makes Bid for Dirty Drug Money

Having lived through the Reagan years, I was pleasantly surprised to find that my 18-year-old waitress at a local restaurant had also seen the new Reagan movie and found it “educational.” She had not been around during that period to experience and witness a president who believed in total victory over communism.

The Real Way to End Poverty And It's Not by Government

The reason the United States has led the world in wealth, standard of living, and abundance is that every resident of the United States has had the ability and the opportunity to invest and produce their own capital and build personal wealth. Why is that possible? And why has most of the rest of the world failed, and continues to fail, at such an attempt?

How Controlled is Your Food Supply? And Who Controls Your Mainstream Media Intake?

While the corporations expand, the little business options are becoming rare as the days go forward, and without a doubt, this is a concerted effort to make sure that you get in your food supply what the corporations want to feed you (Isaiah 28:18).

Secret Service: Incompetence or Nefarious Intent?

Listening to both these forums is of the utmost importance for Americans to be knowledgeable as to how President Obama and

his minions, Valerie Jarrett, John Brennan, James Clapper and Eric Holder succeeded in “fundamentally transforming” America. Not only was the intelligence community weaponized against Americans, but the entire federal government and much of the judiciary has been changed.

The Global Scam Network: A Deep Dive Into International Fraud

By understanding the origins of global scams and their devastating impact on individuals and communities, we can take steps to combat this growing threat and protect ourselves from becoming victims.

Trump Projected to Lose to Harris?

In retrospect, it looks like Florida Governor Ron DeSantis would have been a better choice for Republicans, as he demonstrated in his work as governor that he would stand by conservative principles. An economic conservative, he was strongly pro-life and opposed the legalization of marijuana in his state.

The Bull, the Cape and the Matador

The next day the cape will find something new to blast with their click bait headlines and articles and columns filled with provable lies. Then the next day is another cape which is a partisan pretend-fight over protecting social security and Medicare and who has the best plan to save it. Or, a cape that says the Republicans care more about national security than the Democrats.

Why are Kids Killing Kids?

Of course, every time another school mass shooting takes place, Marxists rush to blame the inanimate object, the weapon used to commit the crime. Never mind the fact that the inanimate object is entirely incapable of harming anyone on its own, or that decades of crime statistics here and around the world prove two very important facts...

The Growing Nightmare for

America: Loss of Culture and Way of Life

How will the fabric of our culture withstand such God-awful numbers and such horrendously incompatible cultures, languages, and world views? What if Laken Riley, a University of Georgia nursing student out for a run, were your child? That Venezuelan illegal thug raped her, brutally murdered her, and destroyed her body.

Marxist Progressive Ideology Has Been Established in America

Yes, we just read it which means we need to obey the Word of God rather than analyze it, speculate on it or ignore it!!! This should wake us up but our pulpits remain silent and the churchgoers love it so in doing nothing!! I hope to God we hear what the Spirit of God is saying to us and the judgment that is coming if we continue to ignore Him!

America's Abundance Has Led

to Apathy

America is still the last haven of hope where humanity can flourish. The world owes a great deal to America for inspiration and practical accomplishment. Americans have helped every other nation in the world. America's enemies decry her greatness, yet they want to be in America and to be American.

Catholic Church, Heresy and Galileo

The city of Pisa in central Italy, well known worldwide for its leaning tower, is the birthplace of the famed astronomer, physicist, and engineer Galileo Galilei (1564-1642). He has been called the father of observational astronomy, a division of astronomy more concerned with recording data about the observable universe than with explaining astronomical objects and phenomena based on analytical models.

Are Oregon's Measures Gimmicks Or Schemes

Remember, our constitutions are supposed to define the narrow pathway for government actors. The Bill of Rights for example, tells us what government cannot do. The notion was that the

people shall remain free while the government will be bound with constitutional shackles to protect our freedom.

Where is the Kamala's Joy?

How do you lose 300,000 children? You hire incompetent people that are more focused on their DEI hire, than the job they must do. Not to worry, we are told Kamala will fix the border. Do you really expect her to fix the mess she created?

The “Election Industrial Complex”

From fake voter guides to fake endorsements to funding from developers who stand to profit from their elections, the RPOF has decided that RINO/Globalists must be in place to lead efforts for development, future medical mandates, choices for our children, and all the rest. Their higher-ups in the world Globalist community use them to get to you. State by State.

The Compassion Cartel Getting

Rich on Poverty

The statistics on global poverty are staggering. According to the United Nations Millennium Project, there are currently 1.2 billion people living in poverty. Fifty thousand deaths per day occur worldwide as a result of poverty. Every year more than ten million children die of hunger and preventable diseases.

Trump's Big Move Into Eugenics?

Eugenics is associated with the Nazis and other totalitarian movements and is an effort to "improve" the human condition through "science" and genetic manipulation. The Nazis wanted to create a master race.

America's Growing Nightmare: Changing America for the Worst Possible Future

I don't know how many people read my columns, but every American needs to read this series. You need to forward it to your mayors, city councils, governors, House member, U.S. senators and friends. There is no way we're going to maintain

our civil society if we continue on this course.

Why Kamala Harris Should Not Be President

As Vice President she failed on the economy, with inflation reaching a 40-year high and grocery prices rising over 21%. As Vice President she also failed as Border Czar, allowing over 10 million people to enter the U.S. illegally. And lastly as Vice President she crippled domestic gas and oil producing, driving up gas prices up over 30%.

Can a Christian Vote Pro-Abortion?

I am sure you are aware that the Republican Party has taken the pro-life plank out of their party platform. It comes as no surprise to me. As a guy who has spent countless hours on the streets defending the pre-born children this change in policy came as no surprise to me.

GOP Must Take the House & Senate

Those threats MacArthur spoke about from within are directly dictated by the global masters who orchestrate wars and who are draining the lifeblood of America. The threat to the Union is both foreign and domestic. Right now, the threat is another stolen election.

Americans: There Are Provisions In The U.S. Constitution To Impeach & Prosecute Corrupt Politicians

When perusing our founding documents, namely the Declaration of Independence, I find that $\frac{3}{4}$ of this document is what our forefathers did not tolerate when it came to the corrupt. What an example they have left to their posterity (Hebrews 13:7).

The Diabolical “Save Act”

Puts Americans in Chains

Due to resistance, several deadlines for implementation have come and gone. Most states have refused to allocate state tax dollars to mandate this dangerous and unnecessary federal ID card that has an estimated implementation cost of \$23 billion. There is now a new deadline promoted by the globalists in our federal and state governments, of May 7, 2025.

The Woke Mind Virus

How far we've fallen here in America. This isn't the nation I grew up in anymore. Those infected with the "woke mind virus" will call this "progress." It's not. Today, we have a nation of lawlessness and insanity, the by-products of men and women being lovers of themselves, and haters of God.

America's Growing Nightmare: You Can't Believe It Until You See It

Part 1: You can't believe it until you see it. When you see it, you can't believe it. I've traveled through third world countries. I've been sickened at what I saw. I am now sickened at what I've seen in America's cities. After a summer of 18,000 miles, 30 states, 20 major cities, West coast to East

coast, Florida to Michigan, I learned a few things about the “State of America.”

Protecting the Elderly from Scams Through Mental Health Awareness

Protecting the elderly from scams is a collective responsibility that requires awareness, proactive measures, and support. Mental health awareness is vital to this effort, as it directly influences older people’s vulnerability to scams. By staying vigilant, educating our loved ones, and seeking professional help, we can safeguard older people from the growing threat of scams.

Judgment is Here and More to Come

Christians today show no spiritual interest in resisting this evil that has overtaken our nation and have reduced Christianity to going to a building on Sunday Morning to have their ears tickled and made to feel good in their sins. I am in a group called the Salt and Light Brigade with Coach Dave Daubenmire and he has a daily podcast called coachdavelive.com and this group is heavily engaged in this culture and spiritual war raging in this nation.

Is Trump Destroying Reagan's Legacy?

In 1933, when his wife became pregnant, Chambers said that he and his wife immediately knew that, as faithful communists, their immediate option was abortion. But his wife came over, took his hands, and burst into tears, saying, "We couldn't do that awful thing to a little baby, not to a little baby." It was the instinct of a mother.
