

Censoring Freedom Of Speech Is The First Thing A Dictatorial Government Does!

"Freedom of speech is the great bulwark of liberty; they prosper and die together: And it is the terror of traitors and oppressors, and a barrier against them." –Benjamin Franklin

You look at any government that means to control the people and the very first thing that you see them do is to illegally censor free speech (Ephesians 5:11).

Namely, I am talking about the speech that calls the governing body out for the very corruptions that it means to conceal (Psalm 94:16). What is happening in America today is just that, which is a clear violation of the First Amendment of the Bill of Rights.

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances. -Amendment I

If it is not Facebook, YouTube, Google, then it's the mainstream media and others who are illegally censoring or suppressing free speech. Everyone who is opposed to the government's unlawful global agenda is being censored, that is everyone but them (Psalm 94:20).

What's worse is when your representative government puts on the act that they are defending your God-given rights when, in fact, [they are doing just the opposite](#) (Proverbs 17:15).

Just last week on the [Sons of Liberty national radio broadcast](#), I highlighted the fact that this current, criminal administration is doing its best to [control every aspect of our lives](#), and now means to [control the internet](#). Of course, liars will lie and that is exactly what they did in attempting to denounce the truth of the matter. But again, we knew the better.

While Americans are being continuously barraged by the lies of the mainstream media's propaganda machine (Ephesians 4:14) that is conveying to you how other countries are under chaotic attack, we are here warning that you are the very ones that are under attack here in America by your own government (Ezekiel 33:3).

"If the freedom of speech is taken away then dumb and silent we may be led, like sheep to the slaughter." President George Washington
