

Cheap Labor and Tax Subsidies?

By Karen Schoen

March 22, 2024

Cheap Labor?

Isn't that what the whole immigration issue is about?

Business doesn't want to pay a decent wage.

Consumers don't want expensive produce.

Government will tell you Americans don't want the jobs.

But the bottom line is cheap labor and Tax Subsidies.

Let's take Cheap Labor First

The phrase "cheap labor" is a myth, a farce, and a lie.

There is no such thing as "cheap labor."

Take, for example, an illegal alien with a wife and five children.

He takes a job for \$5.00 or \$6.00/hour. At that wage, with six dependents, he pays no income tax, yet at the end of the year, if he files an Income Tax Return, he gets an "earned income credit" of up to \$3,200 free.

He qualifies for Section 8 housing and subsidized rent.

Taxpayers expense

He qualifies for food stamps.. Taxpayers expense

He qualifies for free (no deductible, no co-pay) health care.
Taxpayers expense

His children get free breakfasts and lunches at school.
Taxpayers expense

He requires bilingual teachers and books. Taxpayers expense

He qualifies for relief from high energy bills... Taxpayers
expense

If they are or become, aged, blind or disabled, they qualify
for SSI. Taxpayers expense

Once qualified for SSI they can qualify for Medicare.
Taxpayers expense

All of this is at (our) taxpayer's expense.

He doesn't worry about car insurance, life insurance, health
insurance or homeowners insurance.

Taxpayers provide Spanish/Multi Lingual language signs,
bulletins and printed material.

He and his family receive the equivalent of \$20.00 to
\$30.00/hour in benefits. Taxpayers expense

Working Americans are lucky to have \$5.00 or \$6.00/hour left
after paying their bills as well as the illegal's bills.

The American taxpayers also pay for increased crime, graffiti
and trash clean-up.

Since we are paying for all the illegal's 'free stuff" the
corporations can pay them less adding to their profit.

Now add Tax Subsidies

On top of that Corporations now qualify for WOTC

The WOTC, Work Opportunity Tax Credit, extended until 2025 is being used by corporations to hire people in certain categories. Once hired using DIE principal, the corporation gets a \$10000 per person per year tax subsidy. Tyson is a perfect example. Tyson just fired 1200 Americans and will 5200 illegals. How many other companies will follow suit? [[Link](#)]

Put that together with the Workforce Housing Tax Credit and major corporations will be building low income housing for their workers while getting another tax subsidy on the back of the taxpayer. [[Link](#)]

In addition OBiden is printing \$35 Billion to convert commercial building to rental units to house the illegals that are invading our country. The taxpayer is fleeced again and the House gives more money. [[Link](#)]

OBiden's policies are causing the US treasury to print \$1Trillion every 90 days.

Since we are paying for all their "free Stuff" the illegals can go on a spending spree and the economic indicators charting purchases will make the economy look strong.

In reality we are printing money to give to illegals so they can spend the money buying stuff making the corporations lots of profit. In addition the corporations get so many subsidies that they are getting really cheap labor.

Imagine \$15,098 per person per year goes to the government to support the illegals OBiden has brought to America to replace you. Can you use an extra \$15,000? Are you happy yet? [[Link](#)]

Cheap labor? YEAH RIGHT! Wake up people!

Ask your candidates questions VET them carefully and hold them accountable.

WHEN THEY LIE TO US AND DON'T DO AS THEY SAY, REPLACE THEM ALL!

You will not hear this on MSM. More illegals have gotten jobs under the OBiden regime than at any other time. Those “great” job numbers you hear are jobs for illegals. Free speech is having its lights turned off. Although the Globalists yell constantly they are for free speech, they are only for the free speech that agrees with their vision. Nationalists will dream of their future, their life and set a plan to achieve that dream. Globalists will have a visions of life and demand you fit into their vision without deviation. If you disagree they will squash you.

It seems as though the Blacks, Hispanics and LGBTQ+++, are no longer the favored chosen ones. Americans are being replaced by illegals with tax subsidies and votes.

Remember:

Everything is connected. Nothing is random, Everything has a plan. All plans are lies. All Globalists want is MONEY, POWER, CONTROL Don't give them yours. Challenge them with the truth. Doing Nothing is affirmation. Get 5 people and share this article. Ask them to share with 5 people and continue. We can bypass MSM. Share with your 5.

Great video to share with your 5.
