

Chicago Born Democratic Socialist, Ayanna Pressley

The meaning of peace is the absence of opposition to socialism. –Karl Marx

Socialism in general has a record of failure so blatant that only an intellectual could ignore or evade it. –Thomas Sowell

America has got the equivalent of stage three cancer of socialism because the federal government is tampering in all kinds of stuff it has no business tampering in. –Todd Akin

The fourth member of the jihadi squad is Ayanna Pressley. This jihadi Jane was born in Chicago in 1974 where her mother was a tenants' rights advocate with the [Urban League](#), so she comes by her Democratic communism naturally.

The National Urban League was established in 1910 regarding urban conditions for black Americans. Its key founders were Socialist Party [member](#) Ruth Standish Baldwin, the aunt of [ACLU](#) founder [Roger Baldwin](#), and black social worker [George Haynes](#), who served as the organization's first executive director until 1918. One of their leaders in the 60s was [Whitney Young](#) who influenced President Johnson regarding his "[Great Society](#)" initiatives for wealth redistribution.

Ayanna Pressley worked as a senior aide for [Democrat](#) Congressman Joseph P. Kennedy II, and then as

political director for Senator [John Kerry](#). She is a member of the [National Women's Political Caucus](#) founded by Bella Abzug, Shirley Chisholm, [Betty Friedan](#), [Eleanor Smeal](#), and [Gloria Steinem](#). Pressley is also a member of the [NAACP](#).

In 2009 Pressley was elected as an at-large representative on the Boston City Council, a post she went on to hold for 9 years. She ran for Massachusetts' 7th Congressional District seat in the U.S. House of Representatives. Endorsed by the Boston chapter of the [Democratic Socialists of America](#) and by [Justice Democrats](#), she promoted a so-called "[Equity Agenda](#)," which characterized income disparities between blacks and whites in her district as "the legacy of decades of policies that have hardened systemic racism, increased income inequality, and advantaged the affluent."

Upon taking office, Ayanna Pressley immediately joined the [Congressional Progressive Caucus](#).

Pressley supports the National Football League members who choose to kneel during the playing of our National Anthem. "It is necessary that we are disruptive right now and making people feel uncomfortable," said Pressley.

Like the rest of her jihad squad sisters, she hates America.

Campaign Funding

Inspired by the grassroots fundraising network that [Howard Dean](#) assembled during his 2004 presidential bid, [ActBlue](#) (AB) is an Internet-based political action committee (PAC) that [bundles](#) and transmits contributions which individual donors earmark for various progressive candidates, political parties, PACs, and outside spending groups. They are located in a small office in Cambridge, Massachusetts. AB has grown into the [largest](#) fundraising platform for Democratic Party candidates in America and Ayanna Pressley took great advantage of their funding.

ActBlue was utilized extensively by the progressive blogging community, known colloquially as the "[Netroots nation](#)." Speaking at a Netroots Nation convention in July 2019, Pressley exhorted minorities to embrace the no-criticism-culture of [group-think](#) and identity politics. In 2006 the [Daily Kos](#) (founded by [Markos Moulitsas Zuniga](#)) and MyDD.com together raised \$1.5 million for their preferred candidates through AB.

Barack Obama and Hillary Clinton both used AB. In 2007 [Daily Kos](#), [OpenLeft](#), and the [Swing State Project](#) collaborated to create "[Blue Majority](#)" on the ActBlue website—specifically to

endorse and fundraise for [committed progressive candidates](#). AB also attempted to target particular progressive causes via its sister site, [Blue America](#)—endorsing candidates who, for example, supported a single-payer healthcare system.

This is not penny ante fundraising, AB writes checks for a million dollars or more.

Ayanna Pressley Issues

Like the rest of the jihad squad, Pressley also promotes the [Green New Deal](#) and the elimination of all fossil fuels; a government run health care system a la Medicare for All; a federal minimum wage of \$15-20 per hour; tuition-free colleges with taxpayers picking up the costs; paid family leave legislation to care for ailing family members; all employers both public and private, should be legally required to implement affirmative action hiring and promotion policies giving preference to non-whites and women as compensation for historical injustices.

But that's not all, she wants U.S. defense spending radically scaled back; capital punishment eliminated; the nationalization of failing banks and companies is more appropriate than government bailouts on their behalf; limits to the Second Amendment; the dissolution of Immigration and Customs Enforcement (ICE) and the Department of Homeland Security (DHS) with open borders being the standard; murder of unborn babies up to and after birth; high taxes on corporations; steep cuts in defense spending; an amendment changing the legal voting age from 18 to 16; and a [90% tax rate for the wealthy](#).

Her goal is to replace free-market capitalism with a socialist economic framework.

She wants all these communist changes, but she and her husband fail to pay their taxes on time. In February 2019, right

after Ayanna took office, Pressley's husband, Conan Harris, paid off a \$17,430 government [lien](#) against him for unpaid federal taxes during 2014-16.

Pro-Abortion Funding

In 2015, [Emily's List](#) (EL) presented Pressley, who believes that there should be no room in the Democratic Party for anyone who opposes abortion rights, with its Rising Star Award. EL is a political action committee that [raises](#) millions of dollars each year for Democratic, pro-choice, female candidates running for elected office.

There are only three requirements a candidate must meet in order to be eligible for support from Emily's List: The candidate must be a woman, she must be a Democrat, and she must support unrestricted access to [taxpayer-funded](#) abortion-on-demand. EL has occasionally withdrawn its support from women expressing even the barest opposition to any abortion-related "right." U.S. Senator Mary Landrieu (D-Louisiana), for instance, [lost](#) EL's backing in 1997 after she voted in favor of a ban on the practice commonly known as "[partial-birth abortion](#)." For a comprehensive list of political office holders assisted by EL, [click here](#).

What jihadi Jane Pressler doesn't mention is the inconvenient truth of "[black genocide](#)" which has significantly decreased the potential black population over the past fifty years. Just look at the State of

Georgia.

According to [recent Centers for Disease Control \(CDC\) statistics](#), while black Americans constitute 32.2 percent of Georgia's population, 62.4 percent of abortions in Georgia are performed on black American women. By contrast, whites constitute 60.8 percent of the Georgia population, but only 24.7 percent of abortions were performed on white women. Even pro-abortion groups like the Guttmacher Institute [admit](#) that "black women are more than five times as likely as white women to have an abortion."

Stacey Abrams who lost her Georgia gubernatorial election blamed the lack of black's ability to vote which was totally false. What she didn't state was that the black population of Georgia had been murdered by abortion; black voters have been eliminated for nearly 50 years. Abrams, like jihadi squad member Pressler, has never researched the statements by the founder of Planned Parenthood, eugenicist Margaret Sanger who hated black Americans and called them a menace to the race.

Illegal Aliens and the Southern Border

At a February 2019 press conference organized by groups like [MoveOn.org](#), [Indivisible](#), [United We Dream](#), and [CASA](#), Pressley joined Representatives Ocasio-Cortez, [Ilhan Omar](#), and [Rashida Tlaib](#) in demanding cuts to federal funding for the Department of Homeland Security. "We are here to draw a line in the sand, in the name of love and in the name of justice," said Pressley. "It is clear that we must reduce and not increase funds for the DHS."

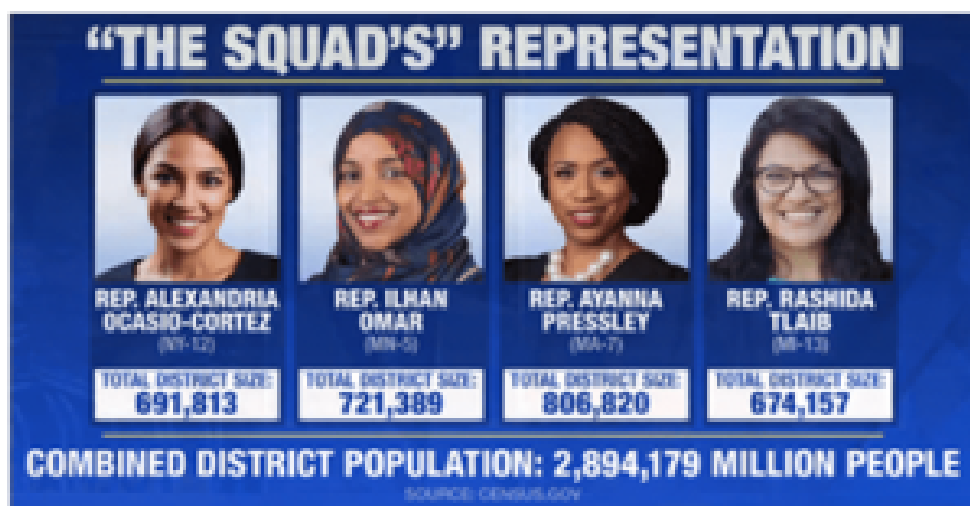

She also wants to defund the U.S. Immigration and Customs Enforcement (ICE) agency, in light of what she viewed as the agency's central role in enforcing immigration policies that were deeply destructive. Pressley has spoken out in favor of both the DREAM Act, federal legislation that would establish a path-to-citizenship for illegal immigrants who came to the U.S. as minors, and former President [Barack Obama](#)'s "Deferred

Action for Childhood Arrivals” (DACA) program, which had been enacted via a 2012 executive action protecting hundreds of thousands of illegal aliens from deportation.

Pressley often condemns treatment of illegal aliens as brutal, but like her jihadi squad sisters, she [refused](#) to condemn [Antifa](#) terrorist attacks on ICE or their murderous and barbaric assault on journalist Andy Ngo.

She condemns President Trump’s southern border wall as “Trump’s Hate Wall,” and wants open borders to allow any criminal, gang member or terrorist into our country.

Conclusion

Think about the combined population that these four jihadi Janes are allegedly representing and perhaps influencing. It’s almost three million Americans.

Each of these jihadi squad members want to change America into a third world socialist (read communist) country. They want to impeach President Trump for loving America and her people because he is an impediment to their goals. They continually call him a racist and spew the most vile garbage against him. Their vilifications splash onto us as they hate every American who voted for the President who wanted to Make America Great Again.

They claim President Trump and those who supported him are racists and white supremacists. The jihadi squad and their

democrat comrades scream "white privilege," which is equally racist in its tone because it stereotypes all whites, (something black people have long railed against when it comes to people of color) as over-privileged and undeserving of what they have, and this leaves them ripe for humiliation and white discrimination. The mainstream media lap dogs for the Democrat Party and Deep State repeat these lies often enough to brainwash Americans with their propaganda.

Nazi propagandist, Joseph Goebbels is their teacher. He said, "If you tell a lie big enough and keep repeating it, people will eventually come to believe it. The lie can be maintained only for such time as the State (*or media*) can shield the people from the political, economic and/or military consequences of the lie. It thus becomes vitally important for the State to use all of its powers to repress dissent, for **the truth is the mortal enemy of the lie**, and thus by extension, **the truth is the greatest enemy of the State.**"

The final sentence of the **Declaration of Independence** is a promise among the **signers**, to "mutually **pledge** to each other our Lives, our Fortunes, and our Sacred Honor," and many of them and their fellow patriots **did** in fact sacrifice their lives and fortunes in service to our country.

The jihadi squad members are today's enemies of the state, of freedom, of liberty, of our Declaration of Independence and of our 1787 Constitution written by white European statesmen of honor, who gave their all for our representative Republic.

Censorship is being used to help the Deep State and Democratic Socialists. Websites such as NewsWithViews are being marginalized and deleted from Facebook, twitter, and google. Advertising has been pulled from the site because these leftist organizations do not believe in freedom of speech. They are anathema to freedom and liberty and truth...yes, truth, which has become the new hate speech. As such, this website is suffering for funds to keep it running. We need your help;

please won't you consider sending monthly donations to NewsWithViews to keep the website in the black...our CEO and the writers all work without pay to bring you their opinions on the news hoping you'll help us save our beloved country. Help us please by spreading the articles, getting others to sign up to receive the E-Mail alerts, and by [donating here](#).
