Confronting The Oppressors

"Never take counsel from your fears."-Stonewall Jackson

On a daily basis, Americans are being inundated with oppression through a [corrupt system of not only the media, but also corrupt politicians as well](#).

[80 house members have been reported as communists](#).

Through it all, we see such unlawful and unconstitutional organizations like that of the American Civil Liberties Union, The Southern Poverty Law Center , Planned Parenthood, Homosexual organizations and bureaucracies such as the TSA, Homeland Security etc. surfacing throughout the country (Psalm 55:11; Amos 3:1-15) only to upend American sovereignty. While in the end, they are making war against God by advocating that which He clearly condemns (Micah 3:5).

It has been rightly said by William Booth, "If you want to change the future, then you are going to have to trouble the present."

It is a tactic that enemies of this country within and without are facilitating.

"Accuse the other side of that which you are guilty." —Joseph Goebbels, Nazi propaganda minister

The enemies of America are doing their best to tear down the United States Constitution while claiming victim status and perpetuating the crimes.

However, the good news is that it works both ways, if the American people are willing to enforce the law against them that commit the crimes (Psalm 40:8; 1 John 3:4).

"The strength of the Constitution (enumerated Laws) lies entirely in the determination of each citizen to defend it. Only if every single citizen feels duty bound to do his share in this defense are the constitutional rights secure." -Albert Einstein

America, there is no other side to the issue when it comes to America's oppressors. There is the law abider or the Lawbreaker. Furthermore, America is a Constitutional Republic, ruled by law (Article 4, Section 4), not by the opinions of the criminals.

When you go to Judges 3, you find:

Now these are the nations which the Lord left, to prove Israel by them, even as many of Israel as had not known all the wars of Canaan; Only that the generations of the children of Israel might know, to teach them war, at the least such as before knew nothing thereof; Namely, five lords of the Philistines, and all the Canaanites, and the Sidonians, and the Hivites that dwelt in mount Lebanon, from mount Baalhermon unto the entering in of Hamath.

And they were to prove Israel by them, to know whether they

would hearken unto the commandments of the Lord, which he commanded their fathers by the hand of Moses. So the corrupt Kings were allowed to remain only to PROVE THE CHILDREN OF ISRAEL TO KNOW WHETHER THEY WOULD LISTEN CAREFULLY UNTO THE COMMANDMENTS OF THE LORD! This they failed to do, and because they did evil in the sight of The Lord they were delivered into the hands of their enemies…. And the children of Israel did evil in the sight of the Lord, and forgat the Lord their God, and served Baalim and the groves. Therefore the anger of the Lord was hot against Israel, and he sold them into "their hand and were forced to serve them!"

When you look into the history of the patriarchs, you can see that the Lord is willing to give the church what it is willing to fight for! (1 Timothy 6:12) What an opportunity for us in this country to prove the God of Israel (Judges 2:22), who has not changed (Hebrews 13:8), that He might show Himself strong on our behalf once again (2 Chronicles 16:9).

Remember America, greater works will we do than Jesus did (John 14:12). The sooner you take Him at His word, the sooner we are going to see the God of Israel in Jesus Christ glorified. America has been a beacon of light to the world (Isaiah 51:4), and it is for us to keep it lit up. To those who understand "to bring the light you must endure the flame," we have a job to do, and your enemy is scared to death of this revelation of truth in action (Matthew 16:17-19). Let's set the record straight.
