

Congressional Communists Take Center Stage

As we near Inauguration Day for President-elect Donald J. Trump and witness the congressional circus in the U.S. Senate confirmation hearings for the President's selected cabinet members, keep in mind who and what you are watching as democrats launch their first efforts to obstruct the incoming administration.

The list of congress members I'm about to share is based upon official public records. They seldom refer to themselves as "communists" because face it, even most dumb-down democrat voters in this country would never knowingly vote for an avowed communist. But doubt not, each of the names presented below are confirmed communists, even though they most often use flowery labels like socialist, Marxist, liberal or progressive.

The U.S. Senate

- [Bernie Sanders](#) (I)
- [Rachel Ventura](#) (D)
- [Zaynab Mohamed](#) (D)
- [Jen McEwen](#) (D)
- [Omar Fateh](#) (D)
- [Julie Gonzales](#) (D)
- [Robert Peters](#) (D)

The U.S. House

- [Javier Mabrey](#)
- [Elisabeth Epps](#)
- [Tim Hernández](#)
- [Lorena Garcia](#)
- [Yara Zokaie](#)
- [Laurie Sweet](#)
- [Gabriel Sanchez](#)
- [Dylan Wegela](#)
- [Jimmie Wilson Jr.](#)
- [Samantha Sencer-Mura](#)
- [Zoey Zephyr](#)
- [Farrah Chaichi](#)
- [Enrique Sanchez](#)
- [Aftyn Behn](#)
- [Travis Nelson](#)
- [Andrew Boesenecker](#)
- [Madinah Wilson-Anton](#)
- [Eric Morrison](#)
- [Grayson Lookner](#)
- [Erika Uyterhoeven](#)
- [Abraham Aiyash](#)
- [Athena Hollins](#)
- [Rick Krajewski](#)
- [David Morales](#)
- [Torrey Harris](#)
- [Amy Perruso](#)
- [Elizabeth Fiedler](#)
- [Melanie Morgan](#)
- [Shaun Scott](#)
- [Mandie Landry](#)
- [Brian Cina](#)

The 31 House members and 7 Senate members listed above are all confirmed avowed communists ([albeit by kinder labels](#)) currently serving in the U.S. Congress.

Aside from the obvious question, should any anti-American

communist ever be allowed to hold public office in the USA? (absolutely not) ...it's important to know that in addition to these confirmed communists in Congress, there are dozens of anti-American communist sympathizers in Congress who fear tipping their hand to the public about their true intentions for America by wearing the correct political label.

In addition to these miscreants, there are numerous fake republicans as well, democrats by trade who had to run as republicans in left-leaning districts, many of whom are involved in international war-for-profit activities, along with their democrat cohorts, and partisan friends in the courts and news media.

Now, one need not look any further for why our Constitutional Republic is teetering on the brink of extinction. Of course, even more anti-American miscreants can easily be found at the state and local levels as well, such as card-carrying Communist Party "activist" [Mayor Karen Bass in Los Angeles](#), Governor Gretchen Whitmer and her leftist friends Secretary Benson, and AG Nessel in Michigan.

So, as you watch the Senate confirmation circus, keep these folks in mind. As they voir dire Trump cabinet appointees, questioning their "qualifications" for office in the senate hearings, maybe the nominees should challenge the qualifications of Senate members to occupy their offices, especially those who are either communists or communist sympathizers.

This is exactly what a "fifth column" is, in military terms.

"a group of persons inside the battle lines of a territory engaged in a conflict, who secretly sympathize with the enemy, and who engage in espionage or sabotage; – sometimes also referred to as a trojan horse."

Other times, they aid and abet our enemies by simply interfering with elections, spreading false propaganda,

establishing policies that directly harm the American citizens, for benefit of foreign interests, or sabotaging the operations of their political opponents via tangling up processes, or weaponizing political justice against them.

But at the end of the day, you can hardly blame politicians for behaving like politicians, or even communists for behaving like communists. In the USA, the buck stops with the American voters.

Senate members are “term limited” to six years, unless you re-elect them for another six years. House members are “term limited” to only two years, unless you re-elect them for another two years. And occupants of the Oval Office are “term limited” to only two four-year terms, if you elect them for a second term.

Every two years, you get the chance to throw out a bad House member, a bad Senator every six years and a bad President every four years. If you don't do that, who's fault is it??? The real problem is YOU!

New constitutional amendments are not necessary to solve the problems in America today. Constitutional enforcement is necessary! Legal Citizen ACTION is... and we're running out of time.

Go ahead...check the backgrounds of anyone disrupting the senate confirmation process today. You may be shocked to know who those people really are and what their true motives might be.
