

Congressman's Frontal Lobotomy Was Successful

Authored by Devvy Kidd not AI

It was just a matter of time after President Trump legitimately won the election last November before some member of the Democrat/Communist Party USA in Congress files Articles of Impeachment. I knew it was coming. Anyone who followed the disgusting political lawfare war against Trump during his first term knew the cockroaches in Congress would try again if Trump was re-elected.

The first term round of lawsuits didn't work out as planned: [Trump wins dismissal of emoluments court case that challenged legality of payments to his hotels by foreigners](#), July 10, 2019. Into the sh*t can. But, never let it be said members of the Democrat/Communist Party USA ever give up no matter how many lawsuits they have to file; either members of Congress or some other zealots in the private sector who hate Donald Trump. He's bringing their gravy train to a halt.

Yet another "citizen" group out there **working to destroy their own lives and liberty** while screeching about hurting or saving "our democracy". Some citizens group WHO DOESN'T EVEN KNOW OUR LEGAL FORM OF GOVERNMENT [1] barfed up a petition on the day President Trump was legally inaugurated! [Public Interest Group Calls for Immediate Impeachment Investigation Against President Trump, Jan. 20, 2025](#) – *"Trump's return to the White House poses an unprecedented threat to our democracy."*

WASHINGTON, D.C. (January 20, 2025) – [Impeach Trump Again](#), a non-partisan campaign led by Free Speech For People, launched on Inauguration Day with a petition calling on the U.S. Congress to initiate an immediate impeachment investigation into Donald Trump's violations of the Emoluments Clauses and into his unlawful, corrupt campaign practices."

The emoluments Clauses? The real violator of that provision in the U.S. Constitution is Hildebeast Clinton. [Hillary Rodham Clinton: Liar, Globalist Traitor](#), Mine, May 26, 2013[2] & [Judge Flapdoodle Strikes Again](#), Mine, April 2018[3]

Which brings me to Rep. Shri Thanedar (D-MI), born in India became a citizen in 1988 and is the quintessential example expressed by Benjamin Franklin: *"We are all born ignorant, but one must work hard to remain stupid."*

The Detroit Free Press back in October 2023, exposed Thanedar's membership in the Democratic Socialists of America. Thanedar apparently has quit his membership over Palestine and Israel. Official photo 2025, Thanedar is 70 years old.

However, in Thanedar's case, it's more like he had a

successful frontal lobotomy a long time ago. Just like the other maniac Rep. Jamie Raskin [D], Thanedar absolutely believes his hustle to “get Trump” will succeed:

April 28, 2025: [Congressman Shri Thanedar Introduces Articles of Impeachment Against President Donald J. Trump for High Crimes and Misdemeanors](#)

Washington, DC – “Today, Congressman Shri Thanedar (MI-13) introduced articles of impeachment against Donald J. Trump, President of the United States, citing a sweeping abuse of power, flagrant violations of the Constitution, and acts of tyranny that undermine American democracy and threaten the rule of law.

“Donald Trump has repeatedly demonstrated that he is unfit to serve as President and represents a clear and present danger to our nation’s constitution and our democracy,” said Rep. Thanedar. “His unlawful actions have subverted the justice system, violated the separation of powers, and placed personal power and self-interest above public service. We cannot wait for more damage to be done. Congress must act.” Rest at link -brain dead Shri lists Trump’s alleged crimes.

To say the very wealthy Thanedar’s articles of impeachment filing has gone over like rancid meat outside in Arizona summer heat is putting it mildly. Memes galore and postings on X; [this one is my favorite](#). Another one of Satan’s pimps and a sociopath: [The Dem Who’s Leading the Impeachment Charge Against Trump Is a Trainwreck](#), April 30, 2025 – embedded: “This guy owned a pharmaceutical testing lab. In 2010 he went bankrupt, locked the doors and left all the puppies and monkeys he was testing inside to die.” Reference made to this: [Humane Society Legislative Fund Condemns Candidate Shri Thanedar’s Alleged Neglect of Animals](#), May 4, 2018: “The animals’ caretakers had reportedly climbed fences to provide food and water until more solid arrangements were made.”–[USA Today](#): Pet Talk: Rescuing 118 test-lab beagles is a labor of

dog love.

“About 170 dogs and monkeys were rescued in 2010 from an abandoned pharmaceutical testing lab owned by Shri Thanedar, a Michigan Democratic gubernatorial candidate currently leading in the polls.”—[Huffpost](#): Over 100 Dogs And Monkeys Were Rescued From Michigan Democrat’s Shuttered Company

Candidate Delayed Rescue Of Animals He Claims He Tried To Save”

Who voted for that POS to serve in Congress? Does he really believe filing articles of impeachment against President Trump is going to succeed? I have no doubt and although (thank God) lobotomies are a thing of the past, this Thanedar cretin acts like someone who had a successful frontal lobotomy. One can only hope (altho’ election fraud is a big factor in Michigan as well as MN, CA, AZ, GA, PA) come 2026 his arse is voted out in their primary. I wouldn’t hold my breath because despite his animal cruelty, Thanedar was elected to Congress in 2023 by voters who apparently approved of his sickening cruelty towards helpless animals. Bless those out there who helped save those abused animals.

Just like President Trump’s first term, here come the high paid lawyer’s forum shopping for judges who hate Trump and lawsuits galore over deporting ILLEGAL aliens no matter how many vicious crimes they are guilty of. All the screeching and bellowing about due process even though ICE not only has detainers but deportation orders for the human garbage we’re trying to get rid of and out of OUR country.

Due process? **They aren’t citizens and have no right to be on U.S. soil, period. Millions have scammed the asylum**

privilege; 93% are thrown out.

Did we see this massive push back when liar and illegitimate president Hussein Obama deported 3 MILLION illegals? No and [yes he did during his illegal presidency](#). Where was AOC yelling and screaming over deporting those poor “undocumented” illegals? She could give a damn about how many women are raped, killed or robbed by illegals. This happens EVERY DAY and has been happening everyday in this country for decades when it could have been stopped in 1993. Did we see all this madness when Eisenhower rounded up and deported about 1.3 MILLION ILLEGALS? No. ([VIRAL Video Shows Actress Alexandria Ocasio-Cortez Auditioned for Congress](#), March 12, 2019).

[Judges Who Break Federal Law Can And Should Be Prosecuted](#), May 2, 2025

Just a small number of examples of how judges whether they be lower level in a state or a federal judge are supporting lawlessness and protecting those who have invaded – YES INVADED OUR COUNTRY – along with the most vicious gang members from countries like Venezuela and El Salvador. They're beyond deranged but one thing for sure: Get them off the bench if elected in a state or:

18 states allow recall from governor down to city councils. I did it here in my city six years ago. I filed the paperwork to recall my city council woman and due to the great job by several individuals, enough signatures were turned in as valid and *she was voted out of office*. Of course, the retaliation against me as the instigator by certain individuals wasn't pleasant but our district then elected the best city council man you could ask for so it was worth it. *It's We the People who will save this country but only if enough of us fight back and don't back down.*

[Here's the link which lists all the states, who, how, etc.](#) for recalls. Sometimes a recall isn't successful but it generally ruins the rotten elected public servant's political future. My fellow Americans: *We have that tool, use it.* If your state doesn't have recall, maybe with enough signatures you

can get it on the ballot for citizens in your state.

As for these federal judges: **They are completely out of control.** Call them miscreants, Trump haters, political party hacks, whatever, but the bottom line is it's a jurisdiction and constitutional issue and We the People need to ACT NOW or this crusade by federal judges to continue protecting ILLEGAL ALIENS who are robbing, raping, killing, committing other crimes, stealing jobs and getting paid cash under the table, collapsing our health care system and cheating American children because schools are drowning in illegal aliens will not stop. Kissed and blessed by trash like AOC and the Democrat Party in Congress.

[House passes bill that seeks to rein in 'rogue' judges, limit district court authority](#) – The legislation, titled the No Rogue Rulings Act, passed in a 218-214 vote along party lines. One Democrat did not vote. April 9, 2025 – “The House on Wednesday night passed a bill that seeks to rein in “rogue” district court judges, and limit their authority.

“The legislation, titled the No Rogue Rulings Act, passed by a 218-214 vote along party lines. One Democrat did not vote because of a medical issue.

“The [No Rogue Rulings Act](#) would prevent a U.S. district court from issuing any “order providing for injunctive relief, except in the case of such an order that is applicable only to limit the actions of a party to the case before such district court with respect to the party seeking injunctive relief from such district court.”

“It comes after Republican lawmakers [called](#) for liberal “rogue” justices to stop issuing nationwide injunctions, which has drastically impacted President Donald Trump’s agenda.”

The House passed the bill weeks ago so why hasn't the Senate

**voted yes so it can get to President Trump to sign into law?
WHY?**

[Congress.gov](https://www.congress.gov):

Latest: Senate – 04/10/2025 Received in the Senate and Read twice and referred

Action: to the Committee on the Judiciary. (All Actions)

Yes, the DemonRATS can hold this up because their rules are different from the House **but we have beaten down Democrats many times in the Senate when the GOP held a majority.** Why? Because enough voters flooded their offices and we need tens of thousands to do the same if it comes down to that in the Senate to get that Act passed.

THIS IS EXACTLY WHY I HAVE BEEN POUNDING ON THE FRAUDULENT RATIFICATION OF THE SEVENTEENTH AMENDMENT for over two decades. **It has to be abolished just like prohibition.** [How's The Seventeenth Amendment Working Out for You?](#) Mine, April 14, 2013: "James Madison, known as the Father of the Constitution wrote: **"The Senate will be elected absolutely and exclusively by the State legislatures."** John Jay, co-author of The Federalist Papers is quoted: "Jay then informed Governor Clinton that, unlike the Senate, where the two-thirds rule was in force for treaties and impeachment, the lower house had nothing to do with treaties; it represented the people **whereas the senate represented the states** – for the Federalists always a significant distinction."

"The U.S. House of Representatives was to be the legislative body for the people. Each district within the states of the Union would elect an individual to Congress (Art. I, Sec. II) who would represent them under Art. 1, Sec. 8 of the U.S. Constitution. The framers were adamant that the states remain sovereign entities and have equal representation in Congress. Thus, the U.S. Senate would be comprised of two senators from each state. (Art. I, Sec. III)

“Those senators would be elected by their state legislature to go to Washington, DC to represent the interests of the state, not the people. If they didn’t, the state could recall them, fire them and hire someone new. The Senate confirms federal judges and supreme court justices. The Senate must advise and consent to ratification of treaties that have been negotiated and agreed to by the President – Art. II, Section II, U.S. Constitution.”

He who yells the loudest gets the most attention so get on the phone or email your senator as many times as possible **until they bring No Rogue Rulings Act to a damn vote so Trump can sign it into law.** Otherwise, this obscene situation with judges will continue to grow with more of what we’ve seen to stop Trump. And today, tomorrow and the next day and the next day more Americans will be murdered, killed by drunk drivers here illegally; illegals will continue to rape children, young girls, keep building their vicious gangs and *laughing in our faces*. Is that what YOU want?
