

Consolidation of Power, the Great Reset Goal, Part 2 – Der Fuhrer

By Kelleigh Nelson

May 30, 2023

The pandemic represents a rare but narrow window of opportunity to reflect, re-imagine and reset our world.
–Klaus Schwab – Founder and Executive Chairman, World Economic Forum

The most important question in 21st-century economics may well be, ‘What should we do with all the superfluous people, once we have highly intelligent non-conscious algorithms that can do almost everything better than humans?’ –Yuval Noah Harari

*“In the next century, nations as we know it **will be obsolete**; all states **will recognize a single, global authority**... National sovereignty wasn’t such a great idea after all.* –Strobe Talbot, Clinton Administration Deputy Secretary of State (Time Magazine)

We must always take sides. Neutrality helps the oppressor, never the victim. Silence encourages the tormentor, never the tormented. –Elie Wiesel

Psychological warfare has been used against the American people since the middle 1800s. Our enemies have gained immense ground with the years of Sars-CoV-2 fear and propaganda. They want to rid us of our sovereignty, our borders, our people and our property. All of this was laid

out long ago by those who have had a hand in destroying the vast and beautiful country founded on the freedoms granted not by men, but by our Creator.

These purveyors of evil want to be gods, and they're in lockstep with their goals of changing America into a joyless and empty state.

As Klaus Schwab has stated, "You will have nothing and be happy." By 2030, their goal is slavery for all of mankind.

Their satanic movement may temporarily succeed, but the majority of their demonic minions haven't a clue of what our Creator has planned for them.

Bioweapon

At the EU Parliament COVID Conference, Dr. David Martin stated, "Coronavirus as a model of a pathogen was isolated in 1965. Coronavirus was identified in 1965 as one of the first infectious replicable viral models that could be used to modify a series of other experiences of the human condition. It was isolated once upon a time associated with the common cold. What is so interesting about its isolation in 1965 is that it was immediately identified as a pathogen that can be modified for a whole host of reasons. In 1966 the UK and USA got together and did just that...a biological. In 1967 they inoculated people with the first modified coronavirus."

Made in America for genocidal use.

There's more...Dr. Richard M. Fleming, M.D., J.D., PhD, [testified under oath that Covid-19 is a bioweapon](#). He wrote his findings in his best-selling book, [Is Covid-19 a Bioweapon?](#)

Fleming stated that there is no evidence that Sars-CoV-2, the virus that causes C-19, is naturally occurring. There is no animal model for it.

“The biological weapons convention treaty states that any adjustment or modification of a biological agent like this virus, that doesn’t provide a benefit for mankind, is a biological weapon. These particular changes in this virus, including the [PrrA Insert](#) which are amino acids that were inserted that are very critical, for the urine cleavage site, for this virus to infect. The insertion sites that were made with HIV and simian or ape-like HIV equivalent viruses, the prion-like domain at the top of the spike protein, as well as the HIV glycoprotein 120 insert, that Shi Zhengli put in early on, that’s critical for the attachment of this virus to cells, all of which are not naturally occurring.”

Dr. Fleming stated that they looked at all the different coronaviruses that exist on the planet and none of them have the PrrA Insert, nor the tremendous amount of HIV Insert. He said, “This is a prion like binding domain and prions are things that are abnormal proteins that cause other proteins to become abnormally folded.”

The data shows there were genetic changes made to the spike protein in a lab to create what is known as Covid-19.

“The type of research that had been done with Corona viruses, were funded by the US, supported by NIAID, NIH, Department of Defense, monies that went to Peter Daszak at ECO Health, to Ralph Baric at the University of North Carolina, to Shi Zhengli at the Wuhan Institute of Virology and to several other universities around the country, including in the state of Texas.”

Propaganda, Genocide and Slavery

Fear and propaganda, prompted obedience.

The unvaccinated were called murderers, variant factories, spreaders. Media stated they should not receive health care; they should be quarantined from society. Fauci even claimed we were propagating the outbreak. All lies.

[The Horrible History of Big Pharma](#) should be studied by every American.

John Abramson's February 2023 [article](#) in Imprimis gives some shocking statistics on Big Pharma's drugs. *Germany's Ministry of Health found that of 216 new drugs entering the German market from 2011-2017, only 54 were of "major" or considerable benefit. Thirty-seven were evaluated to be of "minor," "less," or "non-quantifiable" benefit. And there was "no proof of added benefit" for 125 of the drugs.*

America doesn't even have a formal mechanism of evaluating new products.

It was fear of the Jews spreading disease in Nazi Germany, fomented by Goebbels' propaganda. With Sars-CoV-2, media's propaganda was vicious against those who refused the vaccine. Unelected government agencies, corporations, hospitals, physician groups, all mandated the jabs. Medicine was taken over by government, just as it was in Nazi Germany.

In Nazi Germany, eugenics started with the physically disabled, mentally ill and elderly. The same thing happened in America. [Scott and Cindy Schara](#) saw the death of their high functioning Down Syndrome daughter, Grace. She was given three palliative care injections within 30 minutes repressing her already compromised respiratory system.

Midazolam was purchased in huge quantities in the UK and the US, and it was prescribed in lethal doses to C-19 patients.

The result was genocide...murder.

In March and April of 2020, the wealthiest countries in the world, United States, Canada, Europe, Australia, issued directives to hospitals not to treat the elderly. The NIH hospital protocols guaranteed mass euthanasia.

Governor Andrew Cuomo predicted the virus in nursing homes

would be like fire through dry grass. Elderly humans are regarded as an economic burden, "useless eaters" or as Harari calls them, "superfluous people." The US has never owned up to their genocidal policy against the elderly when five state governors put C-19 patients in nursing homes. In New York City alone, 15,000 elderlies died.

Andrew Cuomo was persuaded to do this by the insurance industry of New York and then he gave immunity to the hospitals and nursing homes.

Cost of the elderly and infirm was eliminated.

On page 170 of the [Pfizer Documents Analysis Report](#), Pfizer knew their drug, Prevnar, a pneumococcal drug, may prevent C-19 in age 65 and older. Prior research pointed to the protective effects of Prevnar in viral and bacterial respiratory diseases. Prevnar also showed protective effects in C-19.

Pfizer was silent.

Dr. Zev Zelenko, bless his soul, said, "Those who really should have been on trial at Nuremberg, were Henry Ford who received an award from Hitler in 1938 equal to the U.S. Medal of Honor, Rockefeller owned the company that made Zyklon B to gas the Jews, GM made 75% of the trucks for the Nazi War machine, and IBM provided the primitive computer punch card system in order to manage the concentration camps.

"There are underlings, politicians, agencies, corporations etc. who are accessories to genocide, but unless we cut off the head, they're just going to do it again."

Vera Sharav stated, "The efficiency of IBM technology enabled industrialized level genocide and they are now at it again. It was IBM who Governor Cuomo of New York State contracted for the Vax Passport. The digital identity they're now pushing is the ticket to slavery."

Unless you were jabbed, you weren't allowed in restaurants, bars, theatres, sports arenas, etc.

"Your papers please!"

Once we go into this digital system, the government will control everything we do. Trudeau gave a hint of this when he cut off protesting truckers from their bank accounts and even from their children.

Obedience ends in slavery.

Dr. Zelenko commented, "We have a few global psychopaths/sociopaths who have engineered a brilliant plan, evil, but brilliant, to enable the enslavement of humanity."

Their plans will seem to succeed for a while, but our Creator will intervene and those evil plans will ultimately fail.

Rockefeller's 2010, [Operation Lockstep](#), stated, "Even after the pandemic is over, the researchers wrote that the authoritarian control would remain with supervision of the citizens and their activities." [Link](#)

There is now a medical insurance code for Americans who have not received the C-19 injections. Yes, they're watching us.

Medicine abandoned their Hippocratic oath to "do no harm" and fell into lockstep with the directives from unelected agencies, WHO, NIH, FDA, CDC, AMA. All were in on it. They became agents of the state, for euthanasia, infanticide and genocide. Biden handed out a billion dollars to media to run positive propaganda for the injections.

Der Fuhrer Schwab

"You never let a serious crisis go to waste." Many have made this statement and it is management by crisis to do things the governments ordinarily could not do. Klaus Schwab is the new leader for the planned "Great Reset" the Lord God warned us

about. Yes, this is the unthinkable satanic evil the Bible warned us about 2,000 years ago. It will be a world where your property, your identity, your money will be controlled by government.

Surveillance, finance and scoring are the pillars of the Great Reset Agenda. Social credit scoring, as in communist China, is coming. Klaus Schwab, like Maurice Strong before him, is a big fan of China's system and the country's current leader.

Surveillance of Americans and disinformation [will be monitored by the World Health Organization.](#)

Klaus Schwab's father was Eugen Schwab; he was a manager of the Swiss-German company called Escher-Wyss factory in Schwab's hometown of Ravensburg, Germany. In the 1930s, the Escher-Wyss factory was directly managed by Eugen Schwab and was the largest employer in Ravensburg. Hitler awarded Escher-Wyss with the title of "National Socialist Model Company" while Eugen was at the helm.

The Red Cross had a rumored agreement with various companies, including Escher-Wyss, that the Allied forces were not to target the Southern German town. It was never classified as a significant military target. The town was infamous in 1934 for the sterilization of people diagnosed with mental or various other illnesses.

Ravensburg was the first German city to practice eugenics by killing "useless eaters." Yuval Noah Harari is still using this term. He tells us that we are now in another industrial revolution. Schwab calls it the 4th Industrial Revolution, but it is really the 4th Reich, worldwide fascism and death to the undesirables, those "superfluous people."

Harari says the product in this revolution will be humans themselves and they intend to produce bodies and brains and minds via bioengineering and brain interfaces. Medical

experiments and genetic modification on people, far greater than what was done with C-19 injections, will happen just like the Nazis did in their day.

Ravensburg was a transport hub for stolen Nazi gold to the Swiss Bank for International Settlements, and Eugen Schwab aided the Nazis in producing significant weapons of war and armaments. Klaus' father was also involved in using forced laborers to work at his "model Nazi company." Nearly 3,600 forced laborers, including POWs, made up one of the largest forced labor camps.

Shades of Klaus' statement, "You will own nothing and be happy."

In 1966, Escher-Wyss had merged with the Sulzer brothers. In 1967, Klaus joined the renamed company, Sulzer-Escher-Wyss, in even darker aspects of the global nuclear arms race. Klaus also helped to rehabilitate the eugenics-influenced population control policies from the post WWII era. He transformed the company into a technology corporation for a new hi-tech future, including another focus of their business to "form the basis for "medical technology" products.

In 1971 after marrying Hilde, a former assistant, he formed the World Economic Forum (WEF) in Davos, Switzerland.

Schwab has courted heads of state, leading business executives, and the elite of academic and scientific circles into the Davos fold for over 50 years. More recently, he has also courted the ire of many due to his more recent role as the front man of the Great Reset, a sweeping effort to remake civilization globally for the express benefit of the elite of the World Economic Forum and their allies.

Klaus Schwab was born on March 30th, 1938 in Ravensburg, Germany. He and his younger brother both followed in their father's footsteps and became machine engineers. Klaus

studied for a plethora of degrees, including at Harvard where he met and was mentored by war loving [Henry Kissinger](#).

[The Intercept](#)'s latest, [Blood on His Hands](#), claims Kissinger's carpet bombing of Cambodia killed 150,000 civilians. Equally disgusting is [Kissinger's deceit](#) with the North Vietnamese which cost the lives of POWs and information regarding MIA soldiers.

Hilde is the Chairman and Co-Founder of the Schwab Foundation for Social Entrepreneurship at WEF. In 1998, she and her husband created the foundation to provide a platform where they could engage with global businesses and political leaders to "solve" social and environmental challenges. The entire Schwab family is active in literally changing the way the entire planet does business, including social aspects which means the people will be thoroughly and totally controlled.

Slavery.

Klaus and Hilde's daughter, Nicole Schwab is the co-founder of the Gender Equality Project, Co-Head of Nature-Based Solutions and member of the Executive Committee of the World Economic Forum. She knew the COVID crisis enabled WEF to shift quickly to create a change in what they call "restoration generation." She said the youth are the integral part of the takeover, just as did Hitler in the 1930s. The entire world is now full of Hitler Youths, Global Youths, who will be that "Restoration Generation."

Their son, Olivier Schwab, is serving as the Head of Technology and Managing Director of the World Economic Forum. He states that "through the platform, we've channeled about 100 million dollars' worth of venture funding for some of the impact entrepreneurs. Oh yes, anyone can help with the SDG goals.

They are building the New World Order, the Fourth Reich, the Great Reset, the Fourth Industrial Revolution. Their target

date is 2030. This means by 2030, they want to control the entire planet, all finances, all food, all healthcare, all education, all people, all water, all energy, all businesses, all transportation, all buying and selling, and every single aspect of all life on planet earth, including all of God's creation.

These are their Sustainable Development Goals (SDGs) spoken of in Maurice Strong's book, [Agenda 21: Earth Summit: The United Nations Programme of Action from Rio.](#)

Hiding behind a mask of corporations, funds, foundations, think tanks and a maze of interconnections, Klaus is busy recreating the Fourth Reich and promoting the age-old Nazi ideology. His SS are all over the world. In America, members of WEF are scattered throughout our state and federal governments, both left and right. They are the "entrepreneurs" of this new 4th Reich.

The Reich Minister of Propaganda, Josef Goebbels would be proud of our media's repeated lies of fear and panic during the Sars-CoV-2 years.

Reichsführer of the Schutzstaffel (SS), and a leading member of the Nazi Party of Germany, Heinrich Himmler, the architect of the Holocaust, would be proud of how many entrepreneurs have joined the new party, the World Economic Forum. They were active during the lockdowns and mandates with their control of the masses.

Angel of Death, Josef Mengele would be proud of the facilitators of the global pandemic and bioweapon jabs, causing millions of deaths with their experiments on the world's human and animal population.

Surely the Lord won't tarry much longer.
