

# Consolidation of Power: the Great Reset Goal, Part 3 – the Essence of Evil

By Kelleigh Nelson

June 6, 2023

*Humans are now hackable animals. You know, the whole idea that humans have this soul or spirit and they have free will. So, whatever I choose, whether in the election or whether in the supermarket, this is my free will. That's over-free will. "Unfortunately, 'free will' isn't a scientific reality. It is a myth inherited from Christian theology. –Yuval Noah Harari*

*There will be, in the next generation or so, a pharmacological method of making people love their servitude, and producing dictatorship without tears, so to speak, producing a kind of painless concentration camp for entire societies, so that people will in fact have their liberties taken away from them, but will rather enjoy it because they will be distracted from any desire to rebel by propaganda or brainwashing, or brainwashing enhanced by pharmacological methods. And this seems to be the final revolution. –(Aldous Huxley, Tavistock Group, California Medical School, 1961)*

*The elderly are useless eaters. –Henry Kissinger, quoted in the book, The Final Days*

*"The Righteous Among the Nations are individual heroes whose moral conscience led them to disobey orders. They risked their lives by hiding and smuggling Jews to safety. Thousands*

who were rescued owe their lives to individual heroes whose bravery and selfless acts of human kindness, in the face of absolute evil, represent the best of humanity. Yad Vashem, the Holocaust Memorial in Jerusalem has honored at least 27,000 individuals. There were many more unsung heroes we'll never know. Their acts of disobedience serve as an inspirational beacon of shining light for us today."

Klaus Schwab's World Economic Forum (WEF) is picking up where Hitler left off. Schwab was directly involved with the new worldwide Holocaust called Sars-CoV-2 and the bioweapon shots killing multiple millions around the globe.

New leadership for the world is planned via the WEF. It is leadership Klaus has trained to do his bidding who are systematically placed all over the world in every developed country, including the United States. Schwab's Hitlerian puppets are virtually in all political offices around the planet, and they've infiltrated the media, businesses, corporations, finance, health, everything.

There will be nowhere to hide in this coming global antichrist kingdom, with a cashless society of digital currency and [surveillance by the World Health Organization](#).

But the Lord tells us in Proverbs 1:33, "But whoso hearkeneth unto me shall dwell safely, and be quiet from fear of evil."

## **The Serpent**

In Part 3 of [Never Again is Now](#) Global, by Vera Sharav, Dr. Zev Zelenko stated, "As you know, I've been thrust into the front of confronting the essence of evil. If you total up all these degenerates, they'll approximate what that serpent is; Bill Gates, Anthony Fauci, Klaus Schwab, Yuval Harari, Albert Bourla, Rochelle Walenski, Sir Evelyn Rothschild, David René de Rothschild, Queen Elizabeth, and King Charles. It's a concept, not a particular person, and I want to decapitate that concept."

He continued, "During Hitler's reign of terror, the Ukrainians taught the Nazis how to kill the Russian Jews. That is a very important point. So now when I hear all this war with Ukraine and Russia, everyone's pro-Ukraine and they have the Azov Battalion (Nazis) and they're literally castrating the Russian soldiers. This is a population that at the drop of a hat would jump at an opportunity to do this again. I have no doubt. I was there, I saw the hatred in their eyes."

Global uniform agencies like the World Health Organization, the United Nations, the World Economic Forum, the Bilderbergers, the Council on Foreign Relations, etc., these oligarchs manage to include heads of state and wealthy men like Bill Gates, Jeff Bezos, Fauci and others. Behind these groups are others who are hidden behind the curtain. These are the people we are fighting and all of them are unelected. They are absolutely intent on demolishing freedom and liberty in any form.

"Like Nazis," said Vera Sharav, "the mindset is guided by eugenics which is an elitist hierarchical ideology that divides humanity into segments, inferior and superior. The truth is eugenics has continued to affect many societies including so-called democracies. There are individuals who hold this kind of ideology, just like a religion. They regard some human beings as inferior and therefore, expendable. They establish policies that do just that. The elite children don't participate.

“Just as it is not unique to Germany, in fact, eugenics was first promoted by the British ([Sir Francis Galton](#) 1892-1911). It was really given a push by the Robber Barons in the United States. Germany imported the eugenics agenda

and the how-to, the practical way from the United States (Kaiser Wilhelm Institute). It is an extraordinary evil ideology.

“It looks at human beings as flies, as specks, and at this point they want to transform the human species into [transhumanists](#) (partly robot and technology and partly blood and sweat). But really...something they can totally control. Biotechnology and surveillance technology, when the two get together, that’s lethal. That leads to genocide.”

### **Early Eugenics**

In 1927, the [Rockefeller Foundation provided funds to construct the Kaiser Wilhelm Institute](#) for Anthropology, Human Heredity, and Eugenics in Berlin, which came under the directorship of the appropriately named Eugen Fischer. Adolf Hitler read Fischer’s textbook Principles of Human Heredity and Race Hygiene while in prison at Landsberg and used eugenical notions to support the ideal of a pure “Aryan” society in his manifesto, (My Struggle) Mein Kampf.

Mrs. Sharav states, “Millions upon millions of dollars were

delegated, by Anthony Fauci, to laboratories who were doing illegal biowarfare research under the euphemism, "Gain of Function Research," which is biowarfare research. It is illegal by international law, but it's not being abided by."

Defense Advanced Research Project Agency (DARPA) rejected the proposal because the work was too close to violating the gain-of-function (GoF) moratorium, despite what Peter Daszak says in the proposal (that the work would not). As is known, Dr. Fauci with NIAID did not reject the proposal. The work took place at the Wuhan Institute of Virology (WIV) and at several sites in the US, identified in detail in the proposal.

Vera said, "The evidence from the Wuhan Lab in China is totally sufficient to show that it emanated there within the context of GoF Research. It was in the planning stage for a long time, and then it happened. The two go together. "

Major Joseph Murphy, USMC wrote for DARPA, *A technological challenge as difficult as inoculating bats in China would be tried at DARPA first. The massive, "Manhattan Project" -level of information suppression executed by the government and the Trusted News Initiative indicates that it would be covered-up if something bad happened. The lab-leak hypothesis and squabbling between Senator Paul and Dr. Fauci indicated that the cover up was more localized. Further, an actual cover-up would be more disciplined with its paperwork. I presumed that unclassified files would be concealed on a higher network and found them where I expected them to be. I understood what they were and their content, pushed the files off-site and compiled this report.*

*Sars-CoV-2 is an American-created recombinant bat vaccine, or its precursor virus. It was created by an EcoHealth Alliance program at the WIV. (EcoHealth Alliance is an American company headed by Dr. Peter Daszak.) The details of this program have been concealed since the pandemic began. They can be found in the EcoHealth Alliance proposal to the DARPA*

*PREEMPT program Broad Agency Announcement (BAA) HR00118S0017, dated March 2018, a document not yet publicly disclosed.*

***Ivermectin (identified as curative in April 2020) works throughout all phases of illness because it both inhibits viral replication and modulates the immune response. Of note, chloroquine phosphate (Hydroxychloroquine, identified April 2020 as curative) is identified in the proposal as a SARSr-CoV inhibitor, as is [interferon](#) (identified May 2020 as curative).***

Those cures were kept from every American.

Vera Sharav mentioned the tax-exempt foundations starting with Bill Gates, originally the head of Microsoft, who became a "philanthropist." His Bill and Melinda Gates Foundation is tax-exempt as is the CDC, NIH, United Nations, the World Health Organization, the Rockefeller Foundation. Bill Gates is an absolute eugenicist, his father was as well; he was on the board of Planned Parenthood.

In 2020 Bill Gates said, "Seven billion people need to be vaccinated." Dr. Zelenko asks the rhetorical question, "Why would I take a vaccine for my health from someone who is financing and advocating the reduction of the world population."

"In 2016, Klaus Schwab, in an interview we have, said something incredibly strange. He said that within ten years, like 2026, every human being will be tagged with a digital identifier. First of all, why? Second, how do you get seven billion people to do anything willingly?"

Isolation and repetition of stimuli. Totalitarians have followed this rule. They know they can condition their political victims if they keep them in isolation.

Dr. Zelenko believes he could take someone to a morgue and rub their faces on young people who have died from taking this vaccine, and they will still not come to a reasonable

conclusion.

He continued, "There was academic malfeasance, media complicity, politicians then took all this false narrative and propaganda and issued policies of absolute totalitarian tyranny, and then industry was there to pass. Who has the muscle, the power, the influence in all those different sectors to be able to coordinate them in a way to pull this off. Because there is a common denominator because if people look, they'll find out that 70% of corporate wealth is managed by two companies, BlackRock and Vanguard. They're a monopoly because they invest in each other. Let me simplify. They own Pepsi, they own Coke. They own CNN, they own Fox. Through endowments they own media and academia and they are the industry. I challenge the people to break the veil of the BlackRock/Vanguard monopoly and you'll get closer to the real conspirators."

The Nazis claimed their class of German Aryans were the superhumans and Jews, Slavs, Gypsies, handicapped people, etc. were the subhuman and were meant to be vaporized. It didn't work out as the Nazis desired, but the concept didn't go away, it just went dormant for a few decades and now it's resurfaced. Dr. Zelenko doesn't call this anti-Semitic, but rather he calls it demonic, it's the distillation product of evil. He said the New World Order is not some evolution in humanity, it's a devolution back to paganism and idolatry and child sacrifice. "There's nothing new here, they just use a new branding method. They're returning to the paganism of yesteryear. "

He said it's just resurfaced now with these degenerates who have revealed themselves and are ready to pounce. Klaus Schwab's top advisor, Yuval Noah Harari is called "the prophet" by Schwab, Gates, Zuckerberg, and Obama, who praised him as his favorite author in an interview on CNN. Harari has the ears of the most powerful people on the planet. Harari says, "Humans are hackable animals and if you can hack an

animal, you can engineer it with intelligent design.” But not some divine intelligent design, but by human intelligent design; we are now gods.

Zelenko tells us, “Harari states that there’s no such thing as “free will,” there’s no such thing as a soul, and COVID 19 marks a point in history when digital 24/7 surveillance went under the skin. This is their stated agenda.

“The essence of evil is something very interesting. It doesn’t hide its intentions. It says it outright. People just don’t listen.”

### **Yuval Noah Harari**

Harari gave a speech at Davos in 2020 entitled, How to Survive the 21<sup>st</sup> Century. Here is part of what he said:

“When everybody has to wear a biometric bracelet which constantly monitors your blood pressure, your heart rate, your brain activity twenty-four hours a day, you listen to a speech on the radio by the great leader, and they know what you actually feel. You can clap your hands and smile, but if you’re angry, they know you’ll be in the gulag tomorrow morning.

“And what will happen to politics in your country when somebody in San Francisco or Beijing knows the entire medical and personal history of every politician, every judge and every journalist in your country, including all their sexual escapades, all their mental weaknesses, and all their corrupt dealings? Will it still be an independent country or will it become a data colony? When you have enough data, you don’t need to send soldiers in order to control a country.

“Many tyrants and governments wanted to do it, but nobody understood biology well enough, and nobody had enough computer powering data to hack millions of people. Neither the Gestapo nor the KGB could, but soon at least some corporations and

governments will be able to systematically hack all the people. We are no longer mysterious souls. We are now hackable animals; that's what we are. If this power falls into the hands of a 21<sup>st</sup> Century Stalin, the result will be the worst totalitarian regime in human history, and we've already had a number of applicants for the job. Global problems demand global solutions. Good nationalists must also be good globalists."

## **The New Fascism**

Dr. Zelenko ends [Part 3 of Never Again is Now Global](#) by telling us about the real tyranny we're facing.

"I have a 20-year patent trail and a 20-year peer review paper trail starting from 1998 to present day about how COVID-19 is a manmade destruction. There is one name associated with every stage of development and that is Ralph Baric from the University of North Carolina, Chapel Hill. He was funded by the National Institutes of Health (NIH) in his research.

"In 1998-1999, he perfected a technology called cross-species transmissibility. In other words, taking the virus of one species, manipulating it and having it be able to infect another species. There are peer review papers on that. In 2002, he was able to take a coronavirus and change its payload to destroy human lung tissue and there's a patent associated. But they did not manipulate a coronavirus infecting human beings yet, which they could have. They did two parts of the bomb, but they didn't complete the bomb. You have to ask yourselves why. In 2015, Dr. Ralph Baric and Dr. Shi Zhengli in Wuhan, by then, GoF research, which is a cynical term, which means to take a benign virus and convert it into weapons of mass murder, that's what GoF research is, was outlawed in America so they got it outsourced to China and funded by the NIH.

"In 2015, Dr. Ralph Baric and Zhengli published a paper that

explained that they were able to take a bat coronavirus and make it infectious to human beings. The bomb was completed. The question is why now. Something happened in between.

In March 2020, Dr. Zelenko used a paper written in 2010 by Dr. Roger Seheult on zinc ionophores being used to stop RNA viruses. He used this paper to build the foundation for his coronavirus treatment protocol. What Dr. Zelenko didn't know was that the original paper was written by Dr. Ralph Baric that zinc ionophores can stop the replication of these viruses in cell culture.

These drugs promoted by Dr. Zelenko and others were attacked and marginalized to vilify their use and to lessen the chances of survival from this man-made virus.

## **New Fascism**

Klaus Schwab has dedicated his life to this new Hitlerian agenda for the world. His own words confirm his technocratic fascist vision is also a twisted transhumanist one which will merge humans with machines in "curious mixes of digital and analog life" which will infect our bodies with "Smart Dust" with which the police will apparently be able to read our brains.

Already, an [Airforce AI drone went rogue](#) and killed its human operator.

Obama urges Biden to declare a national emergency and use its powers to [eradicate all independent media online](#) ahead of the 2024 election. He wants full-blown government censorship.

Ireland to [slaughter 200,000 cows](#) for Climate Change lies.

This new fascism is being advanced as global governance, biosecurity, the New Normal, the New Deal for Nature, and the Fourth Industrial Revolution by Schwab and his demonic minions. It is a worldwide Holocaust and Schwab is "the

spider on the giant web.”
