

Controlled Opposition: Is the Very Reason that America is in Trouble Today

“Political language is designed to make lies sound truthful...”
– George Orwell

Being in ministry and traveling as much as we do, we have the opportunity to see and meet a lot of people and in the process, we notice what it is that people feed upon. And let me tell you, this explains why this country is in the condition that it is in today.

When you are on an airplane, a bus or a train you see what people are feeding upon, they are feeding upon gossip magazines or maybe they are playing poker on their phones or perhaps viewing a filthy movie on the back of one of the airplane seats (Hosea 8:7). You can rest assured that a majority of them who are feeding on this garbage are them that continually complain about what’s wrong with their country rather than standing up and fighting for the country that they say they love (Matthew 15:8). And of course, everyone that we see or meet across the country is surely involved with politics in one way or another; for we all live politics. But I have to ask, who is it that you live unto (Matthew 6:24)?

“Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness? And what concord hath Christ with Belial? or what part hath he that believeth with an infidel? And what agreement hath the temple of God with idols? for ye are the temple of the living God; as God hath said, I will dwell in them, and walk in them; and I will be

their God, and they shall be my people. Wherefore come out from among them, and be ye separate, saith the Lord, and touch not the unclean thing; and I will receive you. And will be a Father unto you, and ye shall be my sons and daughters, saith the Lord Almighty.” -2 Corinthians 6:14-18

Many in America today justify their standing (1 Corinthians 10:12) as Christian-conservative patriots by holding to secularists such as Mark Levin, Laura Ingram, Glenn Beck, Ann Coulter, Rush Limbaugh or Ben Shapiro etc. This may explain why we as a country are in so much trouble. It's not because of these talking heads (The best that the Christian conservatives have to offer?) so much as it is the Americans that have forsaken the Word of God and the US Constitution.

“The Bible is the rock upon which our Republic rests” - President Andrew Jackson

These conservative talking heads (Yesterday's liberals) do not make reference to biblical and constitutional laws exposing the criminals in the Church and in politics to bring about much needed resolve through justice (Psalm 9:16; Isaiah 51:4).

As a matter of fact, it is these talking head conservative spin doctors that are the very ones fueling the narratives that secure the establishment of which Americans claim they are sick and tired of. Furthermore, they individually define out as to being the very controlled opposition (Keeping the conservatives in order) that is needed to keep pushing the agenda forward, for they are no threat to the establishment that they make claim to be exposing (Romans 3:20).

Let us start out with the dazed and confused Ben Shapiro, who not only denies the Christ but believed that Jesus was a Jew who led up a revolt against the Romans and got killed just like a lot of Jews who were crucified for the same thing.

Well, Ben:

“The heart is deceitful above all things, and desperately wicked: who can know it?” -Jeremiah 17:9

Apparently, Ben knows more than the very God that he declares to believe in outside of the Savior that was and is sent on his behalf.

Oh, how it stands true when Jesus said, “He came unto his own, and his own received him not” (John 1:11).

Wisdom will not long hold a seat in the head of that man who has yielded up his heart to folly.

What about Glenn Beck? In his confusion, he goes on the air with his panel of hand-picked guests that are calling out radical Muslim Ilhan Omar’s subversive crimes who, without a doubt, is playing a very dangerous game in attacking the American system of government merely to overthrow and to conquer. This no one can deny, not even Ilhan who is telling you through her actions (Action speaks louder than words) what she is all about.

Yet, one panel member tells the listening and viewing audience that they need to temper down the rhetoric in dealing with her lawlessness (Revelation 3:16). Is this somehow a game? How does this make any sense? Maybe these spineless individuals on this panel, along with Beck, should take the time to understand that hundreds of thousands of Americans have fought, bled and died fighting against the very crimes that this panel member, in particular, is attempting to condition the American people to submit to, namely, the likes of

radicals such as Ilhan Omar. How un-American!

In other words, this panel member is saying that freedom is free and that freedom will remain without a fight, not so. So then, I ask what is the difference between him and Ilhan Omar being enemies to this country? There isn't one. He thinks that talk is going to get the job done when it will not, just ask Ilhan Omar.

What about Rush Limbaugh, a professing Christian, who has married four times and divorced three times. Rush might want to read Matthew 5:32. "Adulterers have no inheritance into the kingdom of Heaven" (1Corinthians 6:9). At his last wedding, Rush hired sodomite (Leviticus 18:22, 20:13) Elton John to play for \$1,000,000. You heard me right 1 million dollars.

People must come to terms with the fact that these conservative talking heads are financially fed by staying loyal to their sponsors not the American people, and how do they do that, by staying on cue as to what it is that they can and cannot talk about. This is how they make their millions (James 4:4) and you will find that where their sponsors are, there are their golden calves (Exodus 32:1-23).

To prove the point, just last week, Rush reported that Michele Obama is the most admired woman in America. Who told him that? He's quoting the same media that 94% of the American people say they do not believe.

These conservative talking heads are nothing but mere "Enquiring minds need to know gossips" (Acts 17:18). They are simply conveying to their base the same message that the

liberals are to their bases except by the personalities that people adhere to the most. No wonder Jesus told us to beware of the leaven of the Herodians (Mark 8:15). These are the blind leading the blind (Matthew 15:14) driving Americans into the ditch.

These talking heads say the right things to them that do not know the difference. I am not saying that they have not done good things, but I am saying that they are not the standard (John 14:6), but like lying and corrupt politicians, they are no different than those they complain about because they are securing their positions, as well as the corrupt politicians' positions, and in the end, solidifying the establishment that again, everyone is complaining about.

Yet, they live by continuously feeding the error of politicians and hypocrisies as nothing more than just talk. And why? It's because to go any further, would be condemning and judgmental, at least to them that refuse to correct themselves (John 3:19-21). In turn, it lowers the honor of the sacrifice given (John 3:16) which was paid for our liberty and our God-given rights to a mere sportsmanlike conduct on a field. Let me remind you that this is not a game.

These conservatives talking heads are nothing more than controlled opposition. They are not a threat to the establishment that they continue to feed into and promote. Yet, as they say, the show must go on, and so it does.

These conservative Christians, as they are labeled, are allowed to play the front as some sort of leaders of the flock to further open up the sheep to the wolves (John 10:12-13), giving an excuse for every defeat, all the while capitulating incrementally by forfeiting right after right, and they do this by blaming an unconstitutional party for what another unconstitutional party has failed to keep and maintain.

Remember, if the right was doing the right thing all of the time, there would be no left!

These are diplomatic compromisers that have set themselves up for you to follow in the place of the God of Abraham, Isaac and Jacob, while ignoring His law (Exodus 18:21; John 14:6) that established our freedoms (Isaiah 42:21; Romans 3:31). And this explains as to why they magnify the crimes of the politicians rather than the law against the crimes of the politicians in establishing judgment which guards our liberties (Isaiah 51:4).

These are mere secularists who spew out their continued support and allegiance to the very establishment which they tell you that you should denounce but only in word (James 2:14-26).

They constantly talk of democracy, even though we are a Constitutional Republic (Article 4, Section 4, US Constitution; Hosea 4:6), as if to suggest that we are ruled by their opinions rather than the law, and fuel the narrative to further divide the left from the right, which is a political language to deceive the masses (Mark 3:25) and counters the US Constitution.

“There is nothing which I dread so much as a division of the republic into two great parties, each arranged under its leader, and concerting measures in opposition to each other. This, in my humble apprehension, is to be dreaded as the greatest political evil under our Constitution.” -John Adams, *Letter to Jonathan Jackson (2 October 1780), “The Works of John Adams”, vol 9, p.511*

Finally, we have Mark Levin, who spent his show opener this last week with the many reasons for praising this current administration. I have to say, for every reason that Mark gave as to why you should praise this administration, I could

show you the fruit of this administration that contradicts Mark Levin's misinformation. Where Mark says that the president needs to be praised, I can show by the president's fruit (Matthew 7:16) and why it is that he needs to be lawfully removed and indicted for his crimes (Article 2 section 4 US Constitution) in tearing away the rights of the American people (Article 2, Section 4, US Constitution).

[How Does One Deny The Fruit that the Tree Bears?](#)

In contrast, the Bible (Christ) and the Constitution are where the answers are to be found. These are the best that you have got, in Christ, with feet (James 2:14-26)!

If impotent and capitulating "conservative" men and woman leading you astray into unbiblical and unconstitutional gossip and inaction is what you are after, then it is self-explanatory as to why the country is where it is today (Psalm 78:9).

I cannot do it for you. These that I am highlighting surely cannot do it for you. Americans have to take responsibility and do for it for themselves (Philippians 2:12).

Stay ignorant to the Word of God and the US Constitution and you can rest assured you will not only remain under the establishment's control, but you will also ensure a short-lived future for you and your posterity as your country is further turned into the hell (Psalm 9:17).
