

Criminal and State Scoundrels Must Be Brought To Justice

SCOUN'DREL: A mean, worthless fellow; a rascal; a low petty villain; a man without honor or virtue.

If there is one drum that I have been pounding on since the first day of my ministry, it is justice upon the heads of the guilty (Isaiah 26:9). This article proves exactly just why that is. If there is a scoundrel amongst us in the halls of government, there are few that equal the reprobate wicked, and traitorous state of CIA-planted Minnesota Attorney General Keith Ellison (Luke 22:48).

Don't play the fool by suggesting the [people voted him in](#). They did not!

Denounced and hated not only by the police commission (and police who he has been attacking) in the State of Minnesota but also by the 5.9 million people that reside within its borders.

Keith is actually from Michigan, along with his partner in crime, treasonous communist and pedophile Governor Tim Walz who is from Nebraska (Isaiah 10:1).

[And Then There Is The Traitor & Treasonous Tim Walz To Add To The Short List Of Options...](#)

Both have also been alluring illegals from outside our borders, as well as working overtime for a 200-300 Muslim increase within our borders (Article III, Section 3, US Constitution).

Furthermore, Tim Walz is now being called out for over 600 million dollars in state fraud along with over 60 open investigations around his criminal administration!

Just when you thought that things couldn't get any worse... Keith Ellison is caught on tape.

American Experiment has exclusively obtained the audio file of a private December 2021 meeting between state Attorney General Keith Ellison and key figures in the Feeding Our Future scandal.

Somehow, these scoundrels think they can do whatever it is that they want without impunity.

That they now have lawful authority to attack the constituents they are to represent?

That they have the right to transgress the Law, but not uphold the law (Psalm 94:20!

Friends, this is all a reflection of the people who tolerate these criminals. The passivity and tolerance of the American people concerning these criminals are what encourage them and others (up and coming) to continue down the road of tyranny.

Edmund Burke stated, *"Evil prevails because good men do nothing."* I am here to tell you that nothing could be further from the truth! Why? Because good men do NOT allow evil to prevail (Isaiah 51:4)!

In conclusion: True it is that these scoundrels will always do whatever it is that you let them get away with, and that is why they continue to do it. These two scoundrels are a prime example of just that, and that is why the people, not only in the state of Minnesota but across the country, need to send the message that we will no longer tolerate criminal activity in the halls of our government (Psalm 94:16)!
