

Crusades of the 21st century mounting against Muslims

With accelerating Islamic violence all over Europe, Canada, Australia and America—more and more countries seek to protect themselves from the Muslim onslaught.

Texas Governor Abbot defies Barack Obama by refusing to accept Syrian Muslim refugees into his state. He stands by the fact that no one can vet jihadists out of the ranks of refugees. Therefore, no American citizens should face Islamic lone wolves ready to shoot, stab or run over our citizens.

The prime reason Japan does not suffer Muslim terror: Japan refuses to allow Muslims to live in its country and Muslims cannot own any real estate or any type of business. Muslims cannot worship Islam in Japan. No mosques allowed. Any Muslim tourist caught spreading the word of Islam will be deported immediately, including all family members.

[See the shocking video below of Muslim immigration into Europe. This is what you can expect if Hillary gets elected as president. She wants 550% increase of Muslims in America over Obama's numbers.]

Cuba rejected plans for the first mosque.

The African nation of Angola and several other nations have officially banned Islam.

Recently Norway began deporting Muslims. Since Muslim criminals have been deported, crime has dropped by a staggering 72%.

In Germany alone in the last year, German citizens targeted and vandalized mosques in order to dissuade Muslims from further immigration. Average Germans expect to vote Angela

Merkel out of power before the end of 2016.

In France, youth march with banners, "Identity Solidaire" which means solidarity for French identity. Marine Le Pen gains more and more power to gain stewardship of France by her anti-Muslim immigration stance.

Austria closed its borders to further Muslim immigration while commencing to build a 100 km long wall to stop anyone from entering. They also banned burkas and the Qur'an.

A Chinese court sent 22 Muslim Imams to jail for spreading Islam. China campaigns against separatism (disallowing Islamists to have their own separate state). Muslim prayers are banned in government buildings and schools in Xinjiang (Western China).

Muslim refugees realize that they are not welcome in Christian Countries. British Home Secretary prepares to introduce 'Anti-social Behavior Order' for extremists and strip dual nationals of their citizenship.

The Chinese work on deportation laws against followers of Islam.

The Czech Republic blatantly refuses Islam into its country.

The State of Alabama – A new controversial amendment that will ban the recognition of "foreign laws, which would include Sharia law".

The Polish Defense League issues a warning to Muslims. No Muslim immigration allowed into Poland.

Many Muslims in Northern Ireland have announced plans to leave the country to avoid anti-Islamic violence by Irish locals. The announcement comes after an attack on groups of Muslims in the city of Belfast. Groups of Irish locals bashed teenage Muslim gangs who were referring to young Irish girls as sluts and should be raped, according to Sharia Law.

North Carolina banned Islamic "Sharia Law" in that state, regarding it now as a criminal offense. It faces Supreme Court legal proceedings.

Dutch MP's call for removal of all mosques in the Netherlands. One Member of the Dutch Parliament said: "We want to clean Netherlands of Islam". Dutch MP Machiel de Graaf spoke on behalf of the Party for Freedom when he said, "All mosques in the Netherlands should be shut down. Without Islam, the Netherlands would be a wonderful safe country to live in, as it was before the arrival of Muslim refugees".

Prominent member of Dutch government Geert Wilders, Chairman, Party for Freedom speaks to stop all Muslim immigration into Europe as a matter of survival of Western culture.

The fact remains: Islam promotes, encourages and facilitates violence against all Western countries. It proves demonic, bestial, retarded and malicious. It cannot and does not belong in civilized societies. It functions in a barbaric fashion stuck in the 6th century by a prophet who beheaded, behanded and slaughtered his enemies. It treats women with fewer rights than cattle.

Islam instigates Sharia Law where women enjoy no rights as to choice of mate, choice of dress, choice of religion, choice of personal freedom, FGM and arranged marriages. Over 10,000 Muslim women suffer death annually in Middle Eastern countries by their husbands, sons and fathers via honor killings. They can be killed because the man wants a second wife and cannot afford two wives. They can be killed for the slightest provocation. Muslim women face female genital mutilation at the hands of their misogynistic male counterparts. It's beyond barbaric and inhuman what Muslims do to their women.

Today, Social Media such as Facebook, Twitter, Google and LinkedIn video tape, expose and castigate Islam and its followers by reporting on Muslim atrocities around the globe.

You may visit my Facebook page "Frosty Wooldridge" where I expose Islam's many violent acts each week. Share them with your friends in order to educate all Americans as to the threat of Islam in the United States of America.

If you don't want a Paris, France or San Bernardino event in your community, it's time to call for a total "Immigration Shutdown Now."

Call your senators and House rep: 1-202-224-3121. Demand a stop to all immigration and stop to any Syrian immigration.

Definition of slogan: "Immigration Shutdown Now means the American people want a total shutdown on all legal and illegal immigration. That means we want all illegal immigration stopped by arresting, prosecuting and jailing employers of illegal aliens. We deport all illegal aliens by taking their jobs away and as we catch them. We want English mandated as our national language. We demand a cessation of Muslim immigration in order to protect our culture, language and way of life. We can't save the world but we can destroy our civilization. We demand a stable population that allows everyone to live, work and thrive into the 21st century. Especially our children." FHW

That's why you need to take action. Send this series to everyone in your network. Educate them. Urge them to take action by joining these websites to become faxers of prewritten letters and phone callers. We must force Congress into an "Immigration Shutdown Now!

Share these videos all over America:

In a five minute astoundingly simple yet brilliant video, "Immigration, Poverty, and Gum Balls", Roy Beck, director of www.numbersusa.ORG, graphically illustrates the impact of

overpopulation. Take five minutes to see for yourself.

“Immigration by the numbers—off the chart” by Roy Beck

This 10 minute demonstration shows Americans the results of unending mass immigration on the quality of life and sustainability for future generations: in a few words, “Mind boggling!” www.NumbersUSA.org
