U.S. House of Representatives member Ilhan Omar, a Somali illegal alien immigrant now representing Minneapolis, Minnesota's 125,000 Somali immigrants, expects to transform the legal language of Minnesota into Somali, to install Sharia Law, and to create a New Somalia in America. In her recent speeches, she said she represents Somalia first, Islam, and America last.

Tierney Real News reported, "Recently, Ilhan Omar gave two speeches in Minneapolis. In them, she said publicly that she is Somalia First, not America First, that Somalia is ONLY for those of pure Somali-Muslim heritage (no diversity allowed) – that the President of Somalia is HER President, and that the Biden regime will do whatever she wants them to do!"

Many have demanded that Omar be expelled from Congress. She falsified her immigration papers. She should be stripped of her naturalized American citizenship and deported in response to her recent speeches and actions. She has broken her oath of office to uphold the U.S. Constitution. In fact, she is a Trojan Horse bent on destroying America's law...in order to install Islamic Sharia Law. What is Sharia Law? It means honor killings of women, female genital mutilation, no rights for women, value of a woman is  $\frac{1}{2}$  that of a man, no individual rights, you can beat your wife, no free speech, no U.S. Constitution, no religious choices other than Islam. That's just for starters.

Tierney Real News reported, "Ilhan also shared posts from her friend, Mujahid Stafio, who is excited that Minnesota change

its flag to the Somali flag. Mujahid also said that Europeans should leave America and let the Somali Muslims rightfully take over – starting in Minnesota. He encouraged Somalis to “breed like rats” to ensure Global Dominance. If you have been to Minnesota lately – you will see that’s exactly what they are doing! He also said that the Holocaust never happened and that, soon, Minnesota will make Somali its official language.” This journalist visited Minneapolis last summer to see what’s happening. It’s called, “Somaliland” and no Minnesota citizens visit that enclave of 125,000 Somalis all living on American SSI welfare for all their lives. It’s a tragic fact that the average Somalian features a 68 IQ, which makes their brains unable to function in a first world country where education is the key to success. With such low IQ’s, they have no interest in education. Thus, they draw on a perpetual welfare state paid for by American taxpayers. (Source: [www.brainstats.com](http://www.brainstats.com) , “What is the average IQ in Somalia? Avg. IQ: 68. World ranking: #38. These numbers relative to the average IQ by CountryCode.so came from a work carried out from 2002 to 2006 by Richard Lynn, a British Professor of Psychology.) You can look up IQ’s by country to see the average IQ of countries around the world. They start at 59 IQ up to 108 in Hongkong, China. America has dropped from 100 to 97 IQ in the past 50 years because of mass immigration out of the third world. One Minnesota resident said, “I wrote several articles about how the Somali-Muslims were taking over politics in Minneapolis – the same way that the Pakistanis & Somalis took over London, England & Dearborn, Michigan. Keith Ellison, a student of the Nation of Islam, wrote in college that his goal was to turn Minnesota into the first black Muslim state in America. He is succeeding with the help of his pals Ilhan Omar, Abdi Warsame, Mayor Jacob Frey & Secretary of State Steve Simon.”

Ilhan Omar said, “Sleep in comfort knowing that I am here to protect the interests of Somalia from inside the US system. The woman, myself, that you sent to Congress is working day and night to protect your interests. Together we will protect the interests of Somalia.”

“It is the nature of Islam to dominate, not to be dominated,

to impose its law on all nations and to extend its power to the entire planet.” -Hassan Al-Banna

Another Somali said, “Why should we assimilate? Do you know how stupid you sound? Guess what? We’re here to stay and will transform America for the better. Get that through your thick, ignorant skull. You need to see a doctor. It’s inevitable that Somalis will be taking over and there isn’t anything you can do about it.”

Not only is Ilhan Omar a VERY dangerous Trojan Horse implanted into the guts of America, but oozing out of her belly are her sidekicks known as “The Squad”, and they all hate America. When you add talking heads like MSNBC’s Joy Reid and Whoopi Goldberg’s anger toward “racist” America, you’ve got millions of angry minorities ready to dismantle our country. It’s all right in this quote back in 1991 when Congress started importing millions of Muslims from terrorist countries. In fact, all Muslim countries are terrorist countries because that’s what the Qur’an mandates: “Convert or kill all non-believers.” Here is the quote:

“Immigrants devoted to their own cultures and religions are not influenced by the secular politically correct façade that dominates academia, news-media, entertainment, education, religious and political thinking today,” said James Walsh, former Associate General Counsel of the United States Immigration and Naturalization Service. “They claim the right not to assimilate, and the day is coming when the question will be how can the United States regulate the defiantly unassimilated cultures, religions and mores of foreign lands? Such immigrants say their traditions trump the U.S. legal system. Balkanization of the United States has begun.”

Look around you at the destruction of our laws such as to “no bail” for criminals who are released onto the streets hours after their arrest in New York City. This weekend, two illegal aliens beat up two cops in Times Square, but were released within an hour and they gave both “fingers” to the reporters as they walked out with tickets to California. In reality, they gave “the bird” to all American citizens and taxpayers.

Right now, with over 10 million illegal alien border jumpers in the past 37 months per Joe Biden’s invitation, we American citizens can expect accelerating crime, large and small

terrorist acts, massive shoplifting of over \$100 billion annually, complete destruction of our school systems, flagrant violations of our laws, and the creeping breakdown of the American Way of Life.

What's exasperating to this journalist stems from the fact that 97 percent of South Carolinian citizens voted for Joe Biden to remain in the White House for another four years. They could have chosen candidate Congressman Dean Phillips (D-MN) or Marianne Williamson (D-CA), both actually feature full cognitive abilities with plenty of experience. You have to wonder why anyone in their right mind would vote for 81 year old Joe Biden who suffers from Alzheimer's Disease...and really doesn't know what day of the week it is or the year. Why would they vote for an 81 year old man who has engineered the largest invasion of any country in the history of the world.

How do you think those 10 million illegal alien border jumpers are going to benefit our nation? How will you and your family benefit from the terrorists that are already planning attacks to kill us? How will you feel when one of your family members dies in those attacks? Because it's a fact that some of us are going to die from internal terrorist attacks! Who wants more Ilhan Omar's in our U.S. Congress when she clearly states that she represents Somalia and not America?
