

# Dear Dr. Trump – NOW is Your Moment

By Lex Greene

January 19, 2023

It's no secret that you are not a doctor or scientist. You were dependent upon "expert" advice like the rest of us. NOW is the time for you to come clean with the American people and admit that you too, are a victim of the deadly lies spread around the world by mad scientists who created the COVID19 (gain of function) bioweapon and their so-called "countermeasure," too often falsely referred to as "vaccines."

Your efforts to lift common government red tape and road blocks to real progress in your famed "warp speed" project to rush these fake "vaccines" to market, has resulted in mass death and destruction of millions of people all over the globe. Even worse, the COVID bioweapon attack continues still today, as we all watch otherwise healthy people drop dead on TV and in the news daily.

Right now, thousands if not millions are dead, dying or maimed for life due to the fake COVID "vaccines." [In 1976, nine states stopped the Swine Flu vaccine after 3 died.](#) The federal government stopped it nationwide after only 12 deaths associated with the vaccine.

NOW that Republicans control the People's House in DC, and control every House Committee and Investigation, it's time for you to go public with the reality that YOU were conned by the same mad scientists that conned the entire world.

THEN, immediately call for a real House investigation into who is responsible for the mass “vaccine” genocide that has taken place for more than three years now, from Klaus Schwab and Bill Gates to Dr. Fauci, the NIH, CDC, WHO and UN, and thousands of WEF Partners, including every big pharma company involved in making billions via mass murder.

## **THIS GLOBAL EVENT DWARFS THE NUREMBERG EVENT**

YOU still have millions of loyal followers here and abroad. Countries everywhere are rising up against the [WEF COVID19 GLOBAL RESET](#) at great risk to their lives. The very least you can do is stand up with them and all of us in the USA, who are now well aware of the evil agenda for the world, including our once great nation.

If you don't, you will have lost my support Mr. Trump, because there is no acceptable excuse for you to continue to allow this very deadly charade to continue. It's truly mass murder and treason for profit and world domination, plain and simple.

I once believed you were a true tough patriot of my country and I'd still like to believe it. However, your silence on this matter is deafening. This one issue makes it impossible for me or any other thinking American to see you as any serious patriot of our country. No matter your future political ambitions, NOW is the time, this is your moment in history.

**STAND UP AND SPEAK OUT LOUD AND CLEAR** on this matter or lose the faith of millions of loyal supporters.

I pray you take this advice very seriously. The future of our country and world hangs in the balance.

**STOP THE DEADLY VACCINES NOW!** [This event amounts to nothing short of treason on the part of so many U.S. government officials. Freedom cannot survive treason from within!](#)
