

Dear President Trump

The public now knows that democrat officials and party operatives have used foreign agents, federal agencies, local Soros District Attorney's, and millions in illicit global money to launch repeated false accusations against you since 2015. In fact, the entire world now knows that global leftists worked through the Democrat Party and their controlled news media to remove you from office in 2020, via massive election fraud.

The massive operation to "take you down" has been exposed and anyone interested in the truth knows that nothing they threw at you has turned out to have any truth to it at all. There's been multiple ongoing attacks against you, none of them true, and all of them apply to what I'm about to say here.

WHY HAVE YOU NOT GONE AFTER THE PERPETRATORS OF EVIL?

Although what I'm about to say applies to every attack launched against you over the past seven years, I want to focus on just the [Russia-Gate](#) matter today. Every perpetrator involved in the [Russian Collusion lie](#) is legally liable for their actions. Yet, you have not taken any action against them to date, and none of them have any legal immunity.

WHY?

You could have already "drained the swamp" by going after the perpetrators and purveyors of wrongful prosecutions, outright lies, fake news, treachery, foreign collusion, federal

corruption, election interference and essentially, blatant acts of treason against the United States, all based upon what they have done to you.

In looking at Russia-Gate alone, why have you not filed suit against the following people for their participation in assaulting you (and the USA) with outright lies?

- Hillary Clinton and the Clinton Campaign
- The Clinton Foundation
- The Democratic Party
- George Soros & Co.
- Adam Schiff
- Nancy Pelosi
- Barack Obama
- Joe Biden
- Chuck Schumer
- James Comey
- Lisa Page
- Christopher Steele
- Igor Danchenko
- Olga Galkina
- Donna Brazil
- Kevin Clinesmith
- Brian Auten
- Andrew McCabe
- Peter Strzok
- Crossfire Hurricane Group
- ABC, CBS, NBC, PBS, NPR, CNN, MSNBC, and Fox News
- The Gang of Eight
- [DETAILS](#)

This list is just a starting point for “draining the swamp” Mr. President, and you don’t need to hold office to take all of these people down and drain all of their financial resources in damages you and the USA have experienced as a direct result of their criminally corrupt actions.

The foundation for these cases exists in the many “criminal investigations” that cleared you and proved beyond any doubt that these people are the real criminals. Both you and our country have suffered extraordinary damages...financial and far worse. People are dying as a result. Young democrat Marxist generations are in the streets committing mass “insurrections” in cities across America, all due to the lies these people tell.

In speaking with a co-worker recently, they asked me why you have not already gone after these anti-American traitors in targeted civil suits for their blatant unlawful actions and the damages they have caused to you and our country. I don’t know the answer to that question...

So, I pose this question to you, sir. You could have and should have already sued all of these people and taken everything they own.

WHY HAVE YOU NOT GONE AFTER THE PERPETRATORS OF THIS UNPRECEDENTED EVIL?

They aren’t just destroying you! They are destroying EVERYTHING and EVERYONE!

Sadly, although I expect you will see this, I don’t expect you to answer. But in fact, every Trump supporter deserves the true answer to this question, TODAY!
