

Democrat Debate: These People Are Hell Bent On Destroying America

Fellow Americans:

After listening to the Democrat debate, nothing is more clear to me. If we do not win this election, there will never be another conservative in the White House for a long time. These people are hell bent on destroying America. They hate America, its people and its unique power. Do you realize that all the things they complained about we already have? They are communists and want everything owned by the state (themselves). So they lie. Their way to help people is to force them into victimhood and give them free stuff. Remember everything man gives, man can take away. A victim is a dependent and can only be successful in victimhood.

The American way to help people is to empower them by telling the truth.

Are you celebrating July 4 by going to the mall or bar-b-que?
Or

Are you celebrating Independence Day, July 4 2019, by remembering the birth of America, the country that gives you the freedom to go to the Mall or bar-b-que?

Proud to Be an American...

Are you? Do you have the stomach for what comes next? When studying successful movements we learn successful people in their mission because they have a goal, a plan and are committed to sacrifice to make their plan work. The Democrats/Globalists/Communists have a plan, do you? Do you have mission? have a goal? a plan? and are committed to

sacrifice to make your plan work?

American's Mission...

To expose the truth and the people who are working hard to destroy America.

To Declare our Independence from such traitors.

The Goal...

Win in 2020.

The Plan...

Replace as many seats as possible regardless of party with people dedicated to America, freedom, liberty and exceptionalism. Expose the lies. Stop Political Correctness and tolerance. Become a truth warrior.

Never forget... Read the Declaration of Independence to your family this year at your Independence Day celebration – July 4th. This Amazing founding document written 243 years ago is still true today. Reread the Declaration of Independence. Then cut and paste, send to every legislator? My notes are in a different color, feel free to add yours.

The Declaration of Independence:

CONGRESS, July 4, 1776.

The unanimous Declaration of the thirteen united States of America,

When in the Course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the

causes which impel them to the separation.

We hold these truths to be self-evident, that **all men are created equal (NO CLASS OR ETHNIC DISTINCTION)**, that they are endowed by their Creator (not government) with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.—That to secure these rights, ***Governments are instituted among Men, deriving their just powers from the consent of the governed,*** —That whenever any Form of Government becomes destructive of these ends (DEMOCRAT SOCIALISM), it is the Right of the People to alter or to abolish it, and to institute new Government (VOTE THEM OUT), lay its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shown, that mankind are more disposed to suffer, while evils are suffer-able, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpation, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.—Such has been the patient sufferance of these Colonies(*American citizens*); and such is now the necessity which constrains them to alter their former Systems of Government. The history of the present King of Great Britain (*Democrat Party*) is a history of repeated injuries and usurpation's, all having in direct object the establishment of an absolute Tyranny over these States. To prove this, let **Facts** be submitted to a candid world. (He refers to King George of Britain. I substituted Democrats/Globalists/Communists)

- He (Democrats/Globalists/Communists) has refused his Assent to Laws, the most wholesome and necessary for the public good. (*Democrats choose the laws they wants to enforce*)
- He (Democrats/Globalists/Communists) has forbidden his Governors to pass Laws of immediate and pressing importance, unless suspended in their operation till his Assent should be obtained; and when so suspended, he has utterly neglected to attend to them. (*Democrats sues the administration to keep borders open*)
- He (Democrats/Globalists/Communists) has refused to pass other Laws for the accommodation of large districts of people, unless those people would relinquish the right of Representation in the Legislature (letting illegals vote), a right inestimable to them and formidable to tyrants only. (*Democrats spy and intimidate*)
- He (Democrats/Globalists/Communists) has called together legislative bodies at places unusual, uncomfortable, and distant from the depository of their public Records, for the sole purpose of fatiguing them into compliance with his measures. (Russia, Russia, Russia hoax)
- He (Democrats/Globalists/Communists) has dissolved Representative Houses repeatedly, for opposing with manly firmness his invasions on the rights of the people. (*Massive overreaching executive orders and regulations. Constant lying and spying. Justice Kavanaugh*)
- He (Democrats/Globalists/Communists) has refused for a long time, after such dissolution, to cause others to be elected; whereby the Legislative powers, incapable of Annihilation, have returned to the People at large for their exercise; the State remaining in the mean time exposed to all the dangers of invasion from without, and convulsions within. (*Obama appointed the enemy – Muslim Brotherhood to key positions, open borders*)

- He (Democrats/Globalists/Communists) has endeavored to prevent the population of these States; for that purpose obstructing the Laws for Naturalization of Foreigners; refusing to pass others to encourage their migrations hither, and raising the conditions of new Appropriations of Lands. (*Immigration loopholes, Dems refuse to change laws, close the borders, but grants Amnesty to terrorists under the Dream Act and Refugees*)
- He (Democrats/Globalists/Communists) has obstructed the Administration of Justice, by refusing his Assent to Laws for establishing Judiciary powers. (*Russiagate constant suing of the administration for any policy supporting America.*)
- He (Democrats/Globalists/Communists) has made Judges dependent on his Will alone, for the tenure of their offices, and the amount and payment of their salaries.
(9th Circuit)
- He (Democrats/Globalists/Communists) has erected a multitude of New Offices, and sent hither swarms of Officers to harass our people, and eat out their substance. (*forcing Americans to follow UN regulations, increase the size of his appointments for agencies, filling posts with Muslims and communists while increasing fees, permits and taxes destroying the middle class.*)
- He (Democrats/Globalists/Communists) has kept among us, in times of peace, Standing Armies without the Consent of our legislatures. (*Democrats brought NATO and Russian troops to America, to participate in the UN Strong Cities initiative, dividing America into regions so unelected bureaucratic agencies make policies without any recourse.*)
- He (Democrats/Globalists/Communists) has affected to render the Military independent of and superior to the Civil power. (*Obama neutered the military and replacing it with Muslim Brotherhood and civilian army under DHS.*)

Trump is rebuilding the military)

- He (Democrats/Globalists/Communists) has combined with others to subject us to a jurisdiction foreign to our constitution, and unacknowledged by our laws; giving his Assent to their Acts of pretended Legislation:(*Instituting UN Agenda 21 aka Green New Deal aka sustainable development by declaring items unsustainable without merit.*)
- For Quartering large bodies of armed troops among us: For protecting them, by a mock Trial, from punishment for any Murders which they should commit on the Inhabitants of these States: (*Russia and NATO Troops on American soil, FEMA CAMPS, DATA MINING Center*)
- For cutting off our Trade with all parts of the world: (*Devastating trade agreements which regulate and force ably close American industry, shipping jobs overseas, forcing Americans to eat food from un inspected farms and fisheries.*)
- For imposing Taxes on us without our Consent:(*Obamacare*)
- For depriving us in many cases, of the benefits of Trial by Jury: (*NDAA*)
- For transporting us beyond Seas to be tried for pretended offenses (*Not supporting our friends – the Clergy in jail in Pakistan, Murder of 4 Americans in Benghazi, Murder of Seal Team VI as part of the Extortion 17 mission.*)
- For abolishing the free System of English Laws in a neighboring Province, establishing therein an Arbitrary government, and enlarging its Boundaries so as to render it at once an example and fit instrument for introducing the same absolute rule into these Colonies:(*Sanctuary Cities are a kin to*
- *siding and arming the enemies in the Middle East and Mexican cartels*)
- For taking away our Charters, abolishing our most valuable Laws, and altering fundamentally the Forms of our Governments:(*Obama's EO 12333, ignoring states*

rights)

- For suspending our own Legislatures, and declaring themselves invested with power to legislate for USA in all cases whatsoever. (*Regulations shut down industry for no reason, allowing the World Trade Organization, WTO and other UN agencies to dictate to America.*)
- He (Democrats/Globalists/Communists) has abdicated Government here, by declaring us out of his Protection and waging War against us. (*Bureaucratic Deep State agencies, Big Tech reward their friends – donors and punish enemies..*)
- He (Democrats/Globalists/Communists) has plundered our seas, ravaged our Coasts, burnt our towns, and destroyed the lives of our people.(*Over regulating agencies are using lies to steal private property under the name of saving the environment. Poor forestry practice helped expand the CA fires.*)
- He (Democrats/Globalists/Communists) is at this time transporting large Armies of foreign Mercenaries to complete the works of death, desolation and tyranny, already begun with circumstances of Cruelty & perfidy scarcely paralleled in the most barbarous ages, and totally unworthy the Head of a civilized nation. (*Allowing the Muslim Brotherhood define our rules of engagement. The Democrat deafening silence at every ISIS attack.*)
- He (Democrats/Globalists/Communists) has constrained our fellow Citizens taken Captive on the high Seas to bear Arms against their Country, to become the executioners of their friends and Brethren, or to fall themselves by their Hands. (*The rules of engagement have tied the hands of the military forcing them to fight without bullets, use PC, refusing to identify and name the enemy. Caring for illegal immigrants over the American People.*)
- He (Democrats/Globalists/Communists) has excited domestic insurrections amongst us, and has endeavored to

bring on the inhabitants of our frontiers, the merciless Indian Savages (*Somali Radical Muslim Brotherhood*), whose known rule of warfare, is an undistinguished destruction of all ages, sexes and conditions. (*Democrats promote division among American's by promoting class warfare, diversity, and phony equality.*)

In every stage of these Oppressions We have Petitioned for Redress in the most humble terms: Our repeated Petitions have been answered only by repeated injury. A Prince (any Democrat) whose character is thus marked by every act which may define a Tyrant, is unfit to be the ruler of a free people. (Democrat platform – you will give up your healthcare, your car, your money, while we keep the borders open and you pay for the illegals we bring in.)

Nor have We been wanting in attentions to our British brethren (US Congress). We have warned them from time to time of attempts by their legislature to extend an unwarrantable jurisdiction over us. We have reminded them of the circumstances of our emigration and settlement here (**the US Constitution**). We have appealed to their native justice and magnanimity, and we have conjured them by the ties of our common kindred to disavow these usurpation, which, would inevitably interrupt our connections and correspondence.

They too have been deaf to the voice of justice and of consanguinity. We must, therefore, acquiesce in the necessity, which denounces our Separation, and hold them, as we hold the rest of mankind, Enemies in War, in Peace Friends.

We, therefore, the (*People*) Representatives of the united States of America, in General Congress, Assembled, appealing to the Supreme Judge of the world for the rectitude of our intentions, do, in the Name, and by Authority of the good People of these Colonies (*states*), solemnly publish and declare, That these United Colonies (*states*) are, and of Right

ought to be Free and Independent States; that they are Absolved from all Allegiance to the British Crown, (*DemocratGlobalist/Communist regime*) and that all political connection between them and the State of Great Britain, (*DemocratGlobalist/Communist regime*) is and ought to be totally dissolved; and that as Free and Independent States, they have full Power to levy War, conclude Peace, contract Alliances, establish Commerce, and to do all other Acts and Things which Independent States may of right do. And for the support of this Declaration, with a firm reliance on the protection of divine Providence, we mutually

pledge to each other our Lives, our Fortunes and our sacred Honor.

Is America Worth Saving?

I hope you saw as I did the future of servitude that was laid out for you at those debates. THIS IS THE LAST ELECTION that the FREE American people will vote in if one of these *DemocratGlobalist/Communist* ever gets in office.

What can we do? Tell the Truth

If the people of Egypt, Venezuela, can unite and demonstrate for their country, will you fight for America?

Learning the TRUTH is work...

- **Will you step outside your comfort zone Cut and Paste, sent the Declaration of Independence to Congress and demand they fund national security and the wall?**
- Will you learn the truth, educate yourself and share that information with others?
- Will you stop political correctness? Talk about Politics and Religion
- Will you run for office?

Today I Declare My Independence, I am proud to be an American...

I will not be part of any political party that uses the US Constitution as a tool for evil by twisting words and laws.

I am only in the Republican Party because of President Trump. I will never give the GOP 1 dime. I will only donate to the candidate. The *DemocratGlobalist/Communist* are running both parties, interpreting laws to suit their purpose, lying to the people and asking us to sanction their lies. *DemocratGlobalist/Communist* want the destruction of America, families, morality and economy. I see no party difference. They both answer to money, power and control and are using the UN Globalism as a platform. I believe if you want things to change then you must become part of the change. Will you vote the criminals out?

Remember

"I know no safe depository of the ultimate powers of the society but the people themselves: and if we think them not enlightened enough to exercise their control with a wholesome discretion, the remedy is not to take it from them but to inform their discretion by education."

Thomas Jefferson

"All tyranny needs to gain a foothold is for people of good conscience to do nothing." Thomas Jefferson

Will you become Thomas Jefferson? One man who taught us all,
ONE MAN CAN MAKE A DIFFERENCE.

Victory is our only option.

God Bless You and God Bless America.
