

Democrat Debate Wednesday

MIAMI –Ten Presidential hopefuls took the stage in Miami to sell the public on their qualifications (?) to be President of The United States. These 10 candidates (out of 20) included: New York City Mayor Bill de Blasio; Sen. Cory Booker (D-N.J.); former HUD Secretary Julián Castro; former Rep. John Delaney (D-Md.); Rep. Tulsi Gabbard (D-Hawaii); Gov. Jay Inslee (D-Wash.); Sen. Amy Klobuchar (D-Minn.); former Rep. Robert Francis “Beto” O’Rourke (D-Texas); Rep. Tim Ryan (D-Ohio); and Sen. Elizabeth Warren (D-Mass.). Yes, Pocahontas rides again.

The questions for the candidates provoked a cacophony of voices each trying to overpower the other, all jabbering at the same time with high velocity, voices fighting to overpower all others attempting to exercise the spoken word. Seeing any one of them as president, would stretch the mind to such an extent as to cause a mental hernia. It was more like a group therapy session than a presidential debate process.

They talked so much, constantly interrupting the moderators as well as each other, that had this debate taken place outdoors during the day time, they all would have sustained sunburned tongues.

What we heard about tonight was the excellence of Abortion for all, LGBTD, health care for all, immigration, refugee assistance, global warming meaning the need for a carbon tax –meaning a world wide tax, to save us all from an extreme

heat-based catastrophe and other vital issues they promised to solve. Meanwhile, if they get this Global Warming hoax in place, these democrats, especially Al Gore, will become super wealthy.

They have tried for years to somehow get a world tax established. This is the ideal way to put this in place using scare tactics. They will work through The United Nations to implement this tax which would be an “emergency tax” to stop global warming, otherwise the planet will burn up, including all the people. Horrible! Al Gore will get an immediate check for a billion dollars when they hoodwink the people to allow this to pass.

The above is the Democratic Platform. One positive note, they all seem to be in agreement with all the perverted issues considered.

Thursday June 27th, 10 more of the brightest democrat minds (?) will again grace our living rooms to try and convince us that they will dethrone President Trump whom they wish to impeach. This debate will include: Sen. Michael Bennet (D-Colo.); former Vice President Joe Biden; South Bend, Ind. Mayor Pete Buttigieg; Sen. Kirsten Gillibrand (D-N.Y.); Sen. Kamala Harris (D-Calif.); former Gov. John Hickenlooper (D-Colo.); Sen. Bernie Sanders (I-Vt.); Rep. Eric Swalwell (D-Calif.); Marianne Williamson; and Andrew Yang.

Interesting: The Democrat-Communists do not seem to have respect for each other considering the way they talk to each other publicly. Then again, how could they? They know that one dem is worse than the other. And we get to see and hear them again tomorrow night. Hip Hip-HOORAY!
