

Democrats Want Trump Dead – And You

Devvy Kidd

Never in my lifetime of seventy years have I seen what we've been living through since 2015 when President Trump announced his candidacy.

The hysteria by Trump haters has reached a very dangerous level. I believe most of them have no idea why they hate him so much. They listen to sexual deviants like Rachel Maddow on the hate Trump network MSNBC or hacks on CNN, read WaPo or other socialist/communist rags on the Internet and think they have the truth.

The manufactured Russia hoax we know was a complete failure so the Unseen Hand using dementia addled Nancy Pelosi and deranged fools Adam Schiff and Gerald Nadler (who seems to have lost much of the hot air we're used to hearing everyday) claiming they have come up with 'impeachable offenses' to overturn the 2016 election. Ukraine phone call.

Bolstered by sore losers like Willard Romney. A RINO elected in Utah I would speculate either by the Mormon vote or voters who don't have a clue about Mittens Romney who supports killing unborn babies, supports sexual deviants, father of the failed RomneyCare and that's just the short list. For a full and accurate history of that empty suit, please see Kelleigh

Nelson's column: [The Phony Right-Wing, Part 3](#).

We've seen the hatred for Donald Trump escalate over the past two years. Political hacks on the stupid tube they call TV. Hollywood slime like Robert DeNiro constantly with his shout-outs, F – Trump. The whole lot of them who are so full of themselves they think the sun rises and sets on what comes out of the pie-hole in the front of their face.

Scum of the lowest order in Congress screeching Trump is a traitor, he's this, he's that. AOC and her 'squad' of human waste attacking Trump and demanding his impeachment. Ilhan Omar and Rashida Tlaib – stinking Muslims who should NEVER have been allowed to serve in Congress.

Save the hate mail. Anyone with an IQ higher than 70 who has actually studied their phony religion fully understand it is not a religion but a political party using some made up god to keep believers under the iron fist. The goal is a world-wide Caliphate and forced conversion to Islam under Sharia law or off comes YOUR head.

Trump supports are being attacked around the country. Patriotic Americans wearing a MAGA (Make America Great Again) hat are being spit on and worse. Domestic terrorist group, ANTIFA, are right there dishing out violence while local cops stand around with their hands up their rectums while innocent Americans are being attacked and badly injured.

[Unhinged Democrat Goes Off, Verbally Assaults Sen. Rand Paul at California Restaurant \(VIDEO\)](#) – “You just ran into two people from New York kiddo – and we're not putting up with your Republican bullsh-t,” the furious and unhinged woman shouted after flipping them off.”

I wonder if that shrew has grandchildren and how proud of her they must be:

As desperation grows and we approach the 2020 election, so too are the threats against Trump.

Members of the WH staff who know this is all political BS refuse to respond to subpoenas. What does Congress critter, Rashida Tlaib have to say about that? Have them arrested. Round them up. [Short video clip of that America hater saying just that.](#)

Barry Soetoro, last known legal name of Barack Obama, usurped the office of President. NO question about that. He was not eligible to be a candidate as BOTH parents must be U.S. citizens at the time of the child's birth. That also excludes Ted Cruz who is a citizen of no country; Rubio and Bobby Jindal.

Did We the People do what Demorats and independents who support a Democratic/Communist Party USA 2020 candidate are doing? No. We lived through the destruction Soetoro/Obama heaped on our beloved republic. Not so with liberals (socialists) and progressives (communists).

Do I want Obama dead? It doesn't matter what I want. It's what God has planned for him. I would not want be in his shoes when he draws his last breath. My preference is a cell in one of the federal supermax prisons.

“According to United States Attorney David J. ‘We Are Coming For You Trump’: Florida Man Accused Of Threatening President Trump

“Federal court records show Mohammed Omar Haji Mohammed is charged with making threats against the President during the July 8 altercation, which started when he allegedly tried to cut a Walmart employee with scissors.

“A Secret Service affidavit says Mohammed tried to slash a Walmart employee during a disagreement at the customer service desk, then yelled threats in Arabic that were recorded on body cameras by police who responded.

“The alleged threats, translated into English by the FBI, include: “We are coming for you Trump. We are coming for you with knives. God will send angels to destroy you.” And this: “I need Trump cut. I want to cut, two portions.”

Those are only the ones we know about. I’m certain the Secret Service know more but aren’t saying or charges haven’t been filed yet.

There are rivers of complaints about Trump from those in the Republican party or independents than I can count. Hey, I've had my criticisms of things Trump has done (5G, GMOs to name two) but imagine where we would be with lifelong Marxist criminal, Hildebeast Clinton in the White House.

President Trump has done a long list of good since he took office while battling daily efforts to remove him from office for which he gets very little credit. Attacks non-stop. It's a wonder he's been able to get anything done. I do believe in his heart he loves America and her people and is doing the best he knows how while getting horrible advice on too many issues.

The bottom line is liberals and progressives hate him in a way I've never seen in my lifetime against any president. They don't just want him impeached, they want him dead and you and me for supporting him. Make no mistake about that, folks. **We are Trump's fuel and the 'other side' hates us with a passion.**

Not one corrupt politician in the Democratic/Communist Party USA has stepped forward to hold a press conference and say, enough is enough. Stop all this talk of physically harming or killing the president of the United States. While we might strongly disagree on issues, this must stop. This isn't who we are and it's wrong. **Not one.**

This is gone too far and no good is going to come of it in the near future. Keep praying Trump is not assassinated. Besides being murder and in violation of God's commandment, Thou shalt not kill, he has bought us time and we had better use that time to do our part starting with those primaries coming up. (Not to mention, God forbid, Pence becomes president.)

Pray for the Secret Service agents who guard Trump every day and hope we don't have another 'take out' like Kennedy.

No more sitting on the sidelines. I've tried in many columns for decades as have others on getting constitutionally grounded individuals elected to Congress, state houses, city and county governments and vote fraud. It's up to us.
