

Destroying America From Within, Part 6

I brought up that muslims simply do what they want to do whether it is legal or not and it doesn't help when we have cowards in places of authority that will not stand up to the advances of this barbaric ideology. *We clearly have a double standard in this country when it comes to how Christians are treated compared to Muslims. Across the country, Christian students are banned from praying to Jesus and reading the Bible, as liberals suddenly have a hard-on for the Constitution and want to quoting clauses about the "separation of church in state" in order to justify their views. But of course that same logic doesn't apply when it comes to Muslims' religions freedoms, as liberals are all too eager to kiss the a** of anyone who hates America as much as they do.*

In yet another startling example of hypocrisy when it comes to the idiots on the left, the very same school that bans students from praying to Jesus is now doing something absolutely sick to appease their Muslim students. At Liberty High School In Frisco, Texas, the Independent School District decided to convert an entire freaking classroom into a "prayer room" so these Muslims can practice their barbaric religion while at school.

Their excuse for favoring Muslim students over Christian students was equally as pathetic, with school officials saying they didn't want Muslim students to "have to drive home to conduct their daily prayers." Yes really...

"Liberty High School's policy should be neutral toward religion," read a letter sent to Frisco's superintendent by Deputy Attorney General Andrew Leonie. "However, it appears that students are being treated different based on their religious beliefs. Such a practice, of course, is

irreconcilable with our nation's enduring commitment to religious liberty." [1]

I call these people cowards because this would not have been allowed for children of the Christian faith, so it should not be allowed for muslims either. This is what I meant when I said they begin to demand that we accept their culture but they will not embrace our culture.

In Austria a hospital gave a room to muslims for the same reason, a prayer room, but it ended up being used for a meeting room for ISIS. *After Muslims began to demand they have a prayer room in a local hospital, the staff thought it would be easier to appease them. Well, that was not the best idea as they soon found out. Soon after the prayer room was built in the staff made a horrifying discovery that proves why you can't give them an inch.*

The prayer room in the hospital quickly became a place where ISIS sympathizers began to meet regularly.[2]

I've called islam barbaric for many reasons. Their ideology was developed in the 7th century and is still there. Their absolute obsession with sex is unmatched except only by satanism. *The horrific claims come after reports SAS soldiers found the severed heads of 50 ISIS sex slaves in an underground tunnel. These young girls may have been raped by 100 men before they become pregnant. Ilhan Omar wants leniency. Perhaps because sex slavery and rape of the infidel is sanctioned and rewarded under Islam. Muslim clerics all over the world confirm the right to have sex slaves. It is in the Qur'an – the word of Allah.*

Islamic doctrines command Muslim men to hate all non-Muslims and to see women—especially infidel women—as little more than sex objects (or, in the words of a Muslim who recently murdered a Christian girl in Pakistan for refusing him sex, "Christian girls are only meant for one thing: the

[sexual] pleasure of Muslim men."

Moreover, Islamic clerics routinely encourage Muslims to migrate to the West and help empower Islam anyway they can—including through propaganda, proselytization, apologetics, births, theft, etc.—and not just through violent jihad. If they do any of these, they technically become jihadis (after all and as the apologists are fond of insisting, jihad literally means “striving” on behalf of Islam.) Thus many Muslim rapists in Europe believe it is their Islamic right and reward to molest and rape infidel women. ³

This is only one aspect of the barbarianism that encapsulates islam. From what I have disclosed in this series alone proves that it is the cancer of any society on this planet and it is an ideology that we should not allow to be brought here nor should we allow it to proliferate.

The next phase that we see is to secede. What they do in this process is to simply do what they want to do disregarding any laws save shariah. They do begin to place muslims into places of authority on city counsels and state legislators as a precursor to their final phase and that is take control. As an example of this all we have to do is look at the situation that has occurred in the UK. ***Here's what has already happened to England within a few years of opening their borders without any entry control:***

How the British have passively succumbed to the Muslim invasion:

Mayor of London .. MUSLIM
Mayor of Birmingham MUSLIM
Mayor of Leeds ... MUSLIM
Mayor of Blackburn MUSLIM
Mayor of Sheffield ... MUSLIM
Mayor of Oxford ... MUSLIM
Mayor of Luton MUSLIM

Mayor of Oldham ... MUSLIM

Mayor of Rochdale ... MUSLIM

All the following achieved by just 4 million Muslims out of the 66

million population:

Over 3,000 Muslim Mosques

Over 130 Muslim Sharia Courts

Over 50 Muslim Sharia Councils

Muslims Only No-Go Areas Across The UK

Muslim Women...78% don't work and are on FREE benefits/housing

Muslim Men...63% don't work and are on FREE benefits/housing

Muslim Families...6-8 children planning to go on FREE benefits/housing

and now all UK schools are ONLY serving HALAL MEAT! [3]

This is economic jihad as well as population jihad. They are like leeches on the host country draining the resources that belong to the citizens of that nation not to these people intent on taking the country down.

America needs to wake up.
