

Did You Listen To the Democrats? Oh How They LIE

By Karen Schoen

October 25, 2025

The big news this week is the Schumer Shutdown. "Good", I say. The less government we have, the less regulations can be forced upon We the People. I believe this gives President Trump and Russ Vought from OMB (Office of Management and Budget) a mandate to follow the Constitution. It's time to decide what agencies and its workers are essential and get rid of the rest. If they do this properly, we might actually have a chance to balance the budget. Can you imagine America not taking on more debt?

Did you listen to the Democrats? Oh how they LIE! Do you understand what their main goal is? Certainly, it's not to benefit the American people or save US Taxpayers any money. Listen to their talking points. All of them are saying the same thing: "Healthcare for All." Their focus is on the illegals, their carefully protected new Democrat voters. They don't care about Americans. They just need to maintain power.

Look at the DNC Base. Who are the biggest pushers of the drug called Big Givernment? (Misspelled on purpose) Who pushes all these government handouts on WE the People? As it turns out, the majority of the Democrat supporters are white, privileged Americans who have been taught to hate. They are taught to hate themselves, hate their family and hate America! How did that happen? We gave our children everything. Ah! There's the

Rub. That is the problem.

What is the one thing that all these kids have in common? School. Once the Closet Communists realized they could make money from hate, they advanced. Pushing "White Guilt." They were able to create children who learned they were evil oppressors. They were made to feel guilty because they got whatever they wanted just for the ask. No work required, no accountability, no responsibility. Their lives had no purpose. They turned to drugs, alcohol, devises, which reinforced hating their parents, their country and everything else. Just more hate. Activism became the money-maker of choice. Remember Obama, "We cannot continue to rely only on our military in order to achieve the national security objectives that we've set. We've got to have a civilian national security force that's just as powerful, just as strong and just as well-funded."

Why not train the students and have We the People pay for it? Such a great idea! Take those spoiled, privileged kids, who never had a job, never knew what it was like to be hungry, or cold, or broke and so down that there is no way out. Make them feel Guilty and then give them a purpose and something to Hate. Tell them to destroy the people they were taught to hate.

Most of these student haters had a life of privilege and luxury. They've gone to the best schools; been on the best vacations; and, live in the nicest houses. But sadly, they have no clue as to the benefits that a real life could offer. Once they are filled with Guilt and Hate, (two learned emotions) they became vulnerable. It will take a long time for us to change that mindset. We must also realize that some are beyond fixing for their end is the ultimate destruction which is death.

I feel we are on a Road. We are at the last exit which is no longer a highway, concrete or asphalt. It is not paved. It is

the rocky road through the woods filled with obstacles. There is no GPS. Soon we will come to the end of the road and we will have a choice. A fork in the road will give us one last chance. The Left fork goes over the cliff into an abyss. The Right fork goes down a long, hilly path filled with creatures and thorns but ends at a beautiful lush valley. We will ask God to help us make the right choice, knowing full well that each choice brings its own consequences, responsibility and work. Is America worth saving? Will you work for it?

In segment 1, Dr Rachel and I will discuss how everything is connected and who is funding the Destruction of America.

Dr. Rachel Ehrenfeld, author of *The Soros Agenda*, is the Founder and President of the New York-based American Center for Democracy and the Economic Warfare Institute. Dr. Ehrenfeld's multidisciplinary approach encompasses economic warfare and Weapons of Mass Effect (WME), including disinformation, free speech, indoctrination, propaganda, PC coercion, lawfare, corruption, money laundering, Political Islam, terrorist financing, Narco-Terrorism, the links between global criminal and radical networks and Jihadi/terrorist groups. Dr. Ehrenfeld focuses on identifying patterns of seemingly unrelated domestic and foreign events as they link to threaten the U.S. political, social, and economic stability and its financial system and other matters related to U.S. and Western democracies' security.

In segment 2 Dr Carole Lieberman and I will discuss the results of these terrorist programs on our students.

Carole Lieberman, M.D., M.P.H., is a board-certified psychiatrist, who has been helping people cope with terrorism as *The Terrorist Therapist®* since 9/11, in America, Israel, London, Paris and throughout the world. Dr. Lieberman has written two books about terrorism, including the 5x award-

winning book, *Lions and Tigers and Terrorists, Oh My! How to Protect Your Child in a Time of Terror*, for kids (and their parents and teachers). She also hosts “The Terrorist Therapist Show” – chosen as one of the top podcasts on terrorism. Dr. Lieberman has done countless media interviews and speaking engagements, helping people understand terrorism and why we need to stop the building momentum of Radical Islamist migrants, protesters hiding behind posters and elected officials who are ignorant of the imminent terrorist threat.

Your Homework for the Week:

- Support President Trump as he attempts to rid the government bureaucracy of the dark money and deep state operatives with TDS. Know full well that the media will lie. It is up to us to spread the truth. Cutting the government means cutting the debt and making America strong again.
- 13 States can redistrict before the 2026 election. If your state is one of them, tell your state legislator to make sure it happens!!

[Redistricting will make it easier to pass the MAGA Agenda in the House. The DNC redistrict every chance they get. Where is the GOP? Are they even Awake?](#)

Everything is connected. Nothing is random. Everything has a plan. All plans are lies. All Globalists want is MONEY, POWER, CONTROL. Don't give them yours. Challenge them with the truth.

Is America worth saving?

Doing Nothing is affirmation.

IF NOT YOU, THEN WHO?

IF NOT NOW, THEN WHEN?
