

# Did You See The New Unqualified Mayor Of New York's Transition Team?

*“Americans can ignore the truth of God’s Word all that they want to (at least temporarily), but they cannot ignore the consequences.”*

Last month, [I highlighted Zohran Mamdani and how he called out the crimes of former Governor Andrew Cuomo.](#)

Zohran Mamdani says he “absolutely will not” be sworn in on the Constitution as New York Law requires:

**“I will only swear an oath to Allah. That’s my right as an American”**

Zohran took the time to expose the sexual advances of Cuomo towards over 13 women that New Yorkers failed defend by bringing justice upon the head of Cuomo (Isaiah 51:4).

I also explained how the Lord transitioned power from the lawless Americans who were occupying office to that of foreigners, who hate you and who have no constitutional authority to be in office whatsoever. They are those who will now rule you in a manner foreign to our American Laws

(Leviticus 26:14-17).

Now, let's take a step forward in showing you how this is all preplanned under the hand of the Lord (Psalm 9:16-17).

Not only did the CIA-controlled "Mockingbird" media and its "useful idiots" install Zohran by giving him all the media attention to move into position, but they also gave the people of New York none other than criminal and former Governor Andrew Cuomo as the other option. He was the lesser of two evils, they say. (2 Chronicles 19:2). What about other candidates? Why did we not hear from them? Let me tell you. It's because they didn't want you to hear from them.

Not only this, but once Zohran took office, he immediately showed the people who he really is. Of course, the American people finally realized what just happened, after the fact.

After he mysteriously won office, suggesting that he was voted in by the people, which he was not, he implemented his transition team, to prove the biblical point, to those who will now occupy office behind him in a foreign manner.

Oh, if only the people would listen (Ezekiel 33:3).

This will, sooner or later, precipitate into domestic war, war which the Lord warned would take place if people did not take heed (Judges 5:8).

It doesn't stop there, people. Zohran also made known to the world who he is working for, just like the previously installed mayor and Zionist Eric Adams told you for whom he was working (John 8:44; Revelation 3:9).
