

Divided We Fail

Rep Eric Swalwell just said that “Women is not in the Constitution.” Obviously Swalwell has no idea and probably never read the US Constitution or he would have noticed that the word MAN was missing as well. Missing on purpose because your founders were smart enough to know that mentioning anything less than ALL people would divide the country and make it easier for evil to gain a foothold.

Time is like a river. You cannot touch the water twice, because the flow that has passed will never pass again. Passivists or victims will never touch the flow of the river even when a change due to flooding or pollution is necessary. An activist will build a dam or clean the water in order to improve the quality of life.

There is nothing for whites to be ashamed of in America; it is just history. It is the way it was. The sad part is that the blacks who built America along with the European whites – have had the American Black history replaced with victimhood and hatred.

Will we let a small coalition of blacks, Latinos, feminists, gays, government workers, union members, environmental extremists, the media, Hollywood, uninformed young people, the “forever needy,” the chronically-unemployed, illegal aliens, and miscellaneous fellow-travelers...End the Constitutional Republic of America?

I listen to the Democrat candidates. All they do is spew MORE HATRED, aimed to make victims of every minority group imaginable...except for whites, of course. I can not imagine why any white person would vote for a candidate who LIES, calls them names, pushing White Guilt Complex; and all the while telling them that all that is needed is MORE MONEY to fix things. I am embarrassed that I once was a Democrat.

Time to tell the children of America: You do NOT have a RIGHT to tangible objects or material things. GOD gave you the ability to succeed. No one but you is standing in the way of your success. IT is not up to ME to pay for YOUR STUFF. That is YOUR job. How come I don't hear anyone saying that?

In America, God grants our Rights. (Our Founders recognized this!) The Constitution protects those Rights. If you think life will be better somewhere else, please leave!

As we prepare for Memorial Day, read the Bill of Rights to your children. Point out Rights are not different for different people under the Constitution.

The opening states: "We The People." It does not say WE the White people, Black people, Christian people, or Jewish people!

There are NO divisions in America's Constitution. The only division comes from those who wish to destroy American headed by a regime of globalists, seeking to force on us – their New World Order.

- Just listen to GWH Bush 41. Google his speeches. He is very CLEAR!!
 - He is calling for a World Government – headed by the UN!!
 - So did Clinton, and Bush 43...
 - So did many of their PREDECESSORS!

Click on following very important link for Roscoe Drummond, Herald Tribune, on an article regarding the U.S., Governors' visit to the Soviet Union after Pres. [Eisenhower signed the initial agreement with Soviet Union](#) (Khrushchev) in 1958.

The Eisenhower-Khrushchev agreement covered planned U.S.-USSR activities in ALL areas. President Reagan followed up in 1985, with the USA-USSR cultural exchange agreement which also contained agreement to merge U.S. and Soviet education

systems, currently implemented today under EDUCATION RESTRUCTURING aka NCLB, Common Core, ESEA, ESSA.

Massive documentation regarding the Reagan-Gorbachev agreement [can be found here](#) and at the Deliberate Dumbing Down of America (FREE) download.

And of course, who can forget Obama?

HE TOLD US: "We will fundamentally transform American." In order to transform, you must first DESTROY. Michelle said: 'we'll change History." And so they have. They have set out to DESTROY America, and that destruction is well on its way:

With open borders and illegals voting, "we will never again out-vote these people. It will take individual acts of defiance and massive displays of civil disobedience to get back the Rights we have allowed them to take away. It will take zealots, not moderates and shy, not reach-across-the-aisle RINOs to right this ship and restore our beloved country to its former status."

Poor trade deals made America a debtor (slave) nation. Add that their desire to merge America, Canada and Mexico into one economic zone and America is gone. Their main goal is **MONEY, Power and Control!** Not America.

Most of us never ask, where is the hatred coming from? Why is it happening? We see the man in the street and learn that Americans can no longer answer simple questions. Yet we do not ask WHY? Perhaps because we are afraid of the answer – which is under our nose, and the answer is "School".

Before the early 60's America was always in the top 10 in the world for education. Now we are mediocre. Why did America not keep its sovereignty, and strive for excellence as in the past? The answer to that is **CONTROL**. People who think freely are hard to control. Lies about education were created.

Being an American comes with a JOB. The Founders intended it that way! Being an AMERICAN comes with RESPONSIBILITY. If taught properly in school, students would know the way their government works, understand the Rule of Law, and realize the law does not change for different GROUPS of people. All GROUPS have the same rights under the Constitution and the Bill of Rights. This is the framework that our Founders put in place. That is why in America, we have EQUAL JUSTICE under the Law not social justice.

Social Justice was created by the communists, in order to rally the groups around victimhood while collecting donations **MONEY**. Social Justice creates justice for a specific group, a protected group status. THINK: Doesn't it follow that if YOU are not part of that SPECIFIC group, you do NOT HAVE PROTECTION under the LAW? Break up into groups is necessary to divide the people. Curious how no one ever asks "How many people does that new law affect?" Why are we spending millions to make changes that affect less than 5% of the population?

Think ABOUT it!! So, we are no longer EQUAL in the eyes of the LAW – unless we are part of that SOCIAL JUSTICE GROUP. Why is so much effort put into dividing the American people? Divided people are easier to **CONTROL**.

When today's immigrants come HERE, they are not required to learn our language, or assimilate into our culture! They are used by the left to create a sub culture voting block. They are separated from the existing population and culture. Coming from countries giving minimal free stuff, they can not believe the amount of free stuff they now get from America. They will vote for the group giving the most free stuff. By continuing multi-culturalism aka DIVERSITY , We continue to promote the GROUP or HERD mentality insuring the demise of America.

The concept of being AMERICAN, of being ALL different peoples together in the same land, in the same country, following the

same law disappears!

- Our individualism, our culture...LOST FOREVER.
 - Our IDENTITY AS AMERICANS...GONE FOREVER!
 - We MORPH into...THE BORG!!
 - Comply, Resistance is Futile

Education is the one thing that affects all Americans. We call it the lowest common denominator. When you declare commonality in education, you must teach to the lowest and slowest. It is now the job of the school to dumb the population by training not educating while they REPLACE:

FAMILIES...WITH SCHOOLS:

GOD...WITH GOVERNMENT:

AMERICAN CITIZENS...with GLOBAL CITIZENS:

Eventually, people lose their ability to legally comment on their opposing view and will surrender America's culture, heritage and traditions – without a shot being fired! Political Correctness marks the end of free speech as we know it.

Our children will no longer know FREEDOM, LIBERTY and the PURSUIT OF HAPPINESS. Instead, they will be told by the government, what makes them happy and to be happy with the crumbs the government provides.

Realize this is the final chapter of the sad story of America in DECLINE. But the chapter has an open ending left for us to complete. Realize, the ending will only be THE END...IF YOU ALLOW IT! If you do NOTHING, nothing changes!

The curtain WILL come down. The damage has been done. But a solid leader still has a short time to rewrite the ending. Remember this too: EVERY American is a leader! You can either be a VICTIM...OR AN ACTIVIST. You can't be both. The choice is yours.

Is America worth saving? If not you, who? If not now when?
