

Does Israeli PM Netanyahu Trust The Prophetic Hebrew Scriptures?

A student of the Hebrew Bible knows that God determines who shall rule:

“... he (God) removeth kings, and setteth up kings.” (Daniel 2:21, KJV)

Netanyahu – if he believes the Hebrew Scriptures – believes that God has set him as Prime Minister and is making him invincible.

Does Prime Minister Netanyahu see himself as similar as King David? Consider:

“And there was war again: and David went out, and fought with the Philistines, and slew them with a great slaughter; and they fled from him.” (1 Samuel 19:9, KJV)

If he is emboldened by Old Testament prophecies, the world is about to see remarkable events!

Consider the prophecies of Obadiah:

God breathed an End of the Age prophecy against the “House of Esau” in Obadiah 15-18, one of the most startling prophecies in the Bible – and one working its way forward toward

fulfillment.

“But on Mount Zion [in Jerusalem] there shall be deliverance, and it shall be holy; and the house of Jacob shall possess its [own former] possessions. The house of Jacob shall be a fire, and the house of Joseph a flame , but the house of Esau shall be stubble; they shall kindle and burn them and consume them, and there shall be no survivor of the house of Esau, for the Lord has spoken it.” [Verses 17-18]

Take special note of the part of the verse “But on Mount Zion [in Jerusalem] there shall be deliverance ... ,”

This prophecy is close to being fulfilled in Israel today, as the modern Palestinians are the “House of Esau”. The current Prime Minister should read the Hebrew scriptures, that God has everything under control, and that His prophetic word of 2,600 years ago will be precisely fulfilled.

Prime Minister Netanyahu can determine that he cannot fail because God is with him

If ‘Bibi” feels this way, he is not the first modern leader.

In June, 1990, I read an editorial in the Jewish Press which indicated that Israel’s patience was at an end, and that the next major war was going to result in the annihilation of Israel’s implacable enemies. A decision had been made at the highest military and civilian leadership levels of the Israeli government that a future Arab-Israeli war would be the war in which the Israeli Defense Force would annihilate the entire populations of the Arabs who hated them so putridly. These Jewish leaders were sick and tired of constantly being attacked, winning the war, but then not winning the peace.

Further, this top Israeli leadership was concerned that, in due time, the Arabs would possess Weapons of Mass Destruction which could be delivered by suicide bombers, at which point Israel was surely doomed. Therefore, top Israeli leadership in

1990 had decided to annihilate entire populations during the next Arab – Israeli war.

This current Israeli-Palestinian War shows every indication that this war is the Obadiah annihilating war!

PM Netanyahu is likely filled with the same assurance from the Holy Spirit that possessed young David as he marched toward the giant Goliath!

Recent developments further suggest that Netanyahu does, indeed, believe in the Hebrew Scriptures and in the very occult group, the Kabbala.

NEWS BREAK: “Netanyahu tweets quote of Lubavitcher Rebbe: ‘God is on this side’,” The Times of Israel, 13 June 2021

“Benjamin Netanyahu tweets a message to his rivals this morning.

“Noting that today is the Hebrew anniversary of the death of (Kabbalist) Menachem Mendel Schneerson, the [Lubavitcher Rebbe](#), Netanyahu writes, ‘I am reminded of comments made to me by the rabbi of Lubavitch: ‘You will need to fight ... A blessing and success [to you]. God will give a blessing and success.’”

Why is this belief important? Because many of Schneerson’s followers believe he is the prophesied Jewish Messiah, the messiah for whom the Pharisees and Sadducees chose instead of Jesus!

As we stated in our ground-breaking DVD, “Secret Societies Killed Jesus”, the Pharisees killed Jesus even though they knew with 100% certainty that He was the Promised Messiah. But, Jesus was not the Messiah KING for which they were awaiting; rather, He was Messiah Suffering Servant, which they did not want.

The Cabala, which these Jewish religious leaders were practicing orally, believed that God of Abraham was an equal,

but opposite, God to Satan. Therefore, once they killed the Suffering Servant Messiah, they could then stage the appearance of their own man, the Messiah King.

Just as the Cabalists believed in Jesus' day that the Jewish Messiah was brought to Earth by powerfully occult priests who were serving God of Abraham, so they believe today that the Messiah King will be brought to Earth by their own power. Jesus stated these two sources of Messianic power and their two vastly goals, when He stated, □

"I am come in my Father's name, and ye receive me not: if another shall come in his own name, him ye will receive."
(John 5:43)

After rejecting Jesus' Messianic Office, modern day Cabalists will accept their own Messiah King – Antichrist – in his own name!

But Prime Minister Netanyahu believes in the Messianic scenario and he certainly believes that Menachem Schneerson and his teachings are to be revered!

"In 1998, a group of rabbis signed a Jewish legal ordinance (*psak din*) declaring Menachem Schneerson the Jewish messiah."

Now, if Netanyahu believes in the Hebrew writings as sacred, then he believes that the Book of Obadiah is also sacred. Therefore, he will believe that the following Scripture is sacred.

- Obadiah 1-2 – "The vision of Obadiah. Thus saith the Lord God concerning Edom ... I have made thee small among the heathen: thou art greatly despised." Netanyahu does believe that God has caused the House of Edom – the Palestinians – to be greatly despised in the eyes of all the other peoples in the Middle East.

This attitude has come over the nations of the Region.

- Obadiah 10, 15 – “For thy violence against thy brother Jacob shame shall cover thee, and thou shalt be cut off for ever ... For the day of the Lord is near upon all the heathen: as thou hast done, it shall be done unto thee: thy reward shall return upon thine own head.”

The Palestinians have turned to great violence and bloodshed to achieve their goals for 40 long years! On October 7, Palestinian/Hamas fighters launched their most bloody attack yet, and wreaked death on the elderly and the infant, even decapitating them.

- Obadiah 16 – “For as ye have drunk upon my holy mountain, so shall all the heathen drink continually, yea, they shall drink, and they shall swallow down, and they shall be as though they had not been.”
- Obadiah 17 – “But upon mount Zion shall be deliverance, and there shall be holiness; and the house of Jacob shall possess their (former) possessions.” Netanyahu is thus assured that Israel’s Jews (Mount Zion) will be both saved from the danger and be given their own “possessions” (Temple Mount, Jerusalem, Israel)
- Obadiah 18 – “And the house of Jacob shall be a fire, and the house of Joseph a flame, and the house of Esau for stubble, and they shall kindle in them, and devour them; and there shall not be any remaining of the house of Esau; for the Lord hath spoken it.”

A weapon of fire is prophesied to come leaping out of Israel (Jacob and Joseph), completely burning the House of Esau (Palestinians) to mere stubble, a complete annihilation!

Since PM Netanyahu believes Hebrew prophecy, he would believe in Daniel:

The Prime Minister also believes he is Divinely appointed to his office:

- “And at that time shall Michael stand up, the great prince which standeth for the children of thy people: and there shall be a time of trouble, such as never was since there was a nation even to that same time: and at that time thy people shall be delivered, every one that shall be found written in the book.”

This part of the prophecy foretells that Israel was going to pass through “a time of trouble, such as never was since there was a nation even to that same time”! Unparalleled Disaster!!

This theme of unparalleled physical disaster reappears in the account of the Russian-led invasion – Ezekiel 38-39.

“And they that dwell in the cities of Israel shall go forth, and shall set on fire and burn the weapons ... and they shall burn them with fire **seven years**: So that they shall take no wood out of the field, neither cut down any out of the forests; for they shall burn the weapons with fire .”

This war with the House of Esau will inflict such great destruction that Israel’s culture is bombed back into the Middle Ages, where people did depend upon wood for heating and cooking needs!

Therefore the PM and his closest advisers know what actions they must take according to Hebrew prophecies and will be filled with unflinching power.
