

Don't Believe The Mainstream Media, Who Told You Michelle Obama Is The Most Admired Woman?

"There are no morals in politics; there is only expedience. A scoundrel may be of use to us just because he is a scoundrel."

-Vladimir Lenin

Here we go again, the mainstream media, in hopes that you will buy another one of their lies, have proclaimed that Michelle Obama is the most admired person in America while at the same time other propagandists like Time Magazine are simultaneously promoting Alexandra Ocasio-Cortez, Ilhan Omar, etc... Can you make this up?

This is nothing more than the globalists casting into your minds the "lowest of the people" (1 Kings 13:33) to further drive the standard down in hopes that the people at large will accept that to which they would have you submit.

They are also attempting to push on the unlearned that the masses are in support of these people when the opposite is true (Isaiah 5:20).

These globalists and propagandists love to praise their own (John 15:19) by highly esteeming their "Useful Idiots," which are nothing short of an abomination in the sight of the living God (Luke 16:15).

Back in January of 2018, I wrote how the lying mainstream media reported that criminals Barack Hussein Obama and Hillary Clinton were the most admired people. I wrote "To the 94% who don't believe the media, who told you Barack Obama & Hillary Clinton are "the most admired persons?"

To the 94% Who Don't Believe the Media, Who Told You Barack Obama & Hillary Clinton Are "The Most Admired Persons"?

Breitbart recently reported that former President Barack Obama took the title of "Most Admired Man" for the tenth consecutive year in a row, and former First Lady and Secretary of State Hillary Clinton is the "Most Admired Woman" for the 15th consecutive year in a row, according to a Gallup poll.

This is clearly nothing short of lies and propaganda by their controlled spin-doctors.

prop·a·gan·da, präpə'gandə/

noun derogatory information, especially of a biased or misleading nature, used to promote or publicize a particular political cause or point of view.

Propaganda, in this case, is an attempt to cause the readers to believe that they have the support of the masses, which they do not.

The truth of the matter is that the headline should have

stated, Barack Hussein Obama (Soetoro Sobarkah) is the “Most Despised Man” in America and Hillary Clinton is the “Most Despised Woman” in America.

When the American people begin to recollect their propaganda from the past in comparison to how they are pushing their propaganda today, it is relatively simple to detect (Luke 12:2).

Look at how Time Magazine has in the past put up the unthinkables to push forward their agenda, and learn this time around that prevention is far better than the cure.
