

End the Insanity Immediately!

By Lex Greene

February 21, 2023

The United States of America is on the brink of extinction and the O'Biden regime has pushed the world to the brink of World War III which may go to full-scale global war or even a nuclear exchange before they are finished.

Any American who supports Ukraine today is either completely ignorant of history and reality, or totally insane. And there's a lot of evidence to suggest that a growing segment of American society is totally insane! In fact, they aren't just insane, they are suicidal!

NOBODY EVER WINS A WAR, ESPECIALLY A MODERN WORLD WAR!

In terms of war, the definition of "winning" is limited to who killed and destroyed more than their opponent. The ONLY time war is "necessary" is when freedom, liberty and justice is under direct assault on our own soil, and the only means of preserving freedom, liberty and justice in our country is to eliminate those attacking us, be they foreign, domestic, or both.

Today, the greatest threat to American freedom, liberty and justice is coming from within, namely, the anti-American O'Biden regime in control of all weaponized Federal Agencies, our Military, the news media, the internet, medicine, food and energy supplies, and all social media platforms.

Never in human history has a government attacked its own people on so many fronts in so many ways all at once,

rendering that government a direct threat to not only every American citizen, but all freedom loving people around the globe. If America is no longer free, no place on earth will be free!

The current US Federal Government (and too many State governments) present a lethal threat to all American citizens, especially every Natural Born Citizen of the United States, whom they are rapidly replacing with millions of illegal invaders at both the Southern and Northern borders!

INSANITY is defined as, *“Severe mental illness or derangement; Unsoundness of mind sufficient to render a person unfit to maintain a contractual or other legal relationship or sufficient to warrant commitment to a mental health facility; Incapacity to form the criminal intent necessary for legal responsibility, as when a mental disorder prevents a person from knowing the difference between right and wrong.”*

This certainly well-defines both Joe Biden and Kamala Harris, for starters. But it also well-defines every person who actually thinks Joe and Kamala are running anything. Neither can complete an intelligent sentence without reading from a teleprompter or crib-notes prepared by their handlers, and honestly, neither is even capable of successfully running a summer lemonade stand, much less the American Federal Government!

Contrary to millions of Americans who errantly think the utter destruction under their administration is merely a sign of how ignorant they are, it's actually proof that these two mental midgets aren't running anything...and that the people behind the curtain who are running everything are VERY dangerous people!

A NATION GONE INSANE CANNOT SURVIVE ITS INSANITY

A dangerous segment of the American population is also entirely insane now. Not only do they actually believe O'Biden and Harris are running this country, they believe they are

running it well. Of course, the same insane people believe a lot of other false notions too!

TRANSGENDER MADNESS

The notion that a male can become a female, or a female a male, by simply changing their clothes, or paying a surgeon thousands of dollars to remove or add a penis, is totally INSANE! In reality, if you were born with male reproductive organs, you are a male forever. If you were born with female reproductive organs, you are a female forever, no matter how you dress, what pills you take or what surgeries you have to mutilate your body.

Now, to believe anything else is proof of “insanity” on the part of that believer. But even worse is the evidence of “mass insanity” in millions of Americans who think they are being forced to accept and acknowledge this blatant outright lie! Those who go-along to get-along with utter insanity, are also insane! Everyone involved in this lie has a screw loose somewhere!

CLIMATE CHANGE MADNESS

The last time earth’s climate changed in any dramatic way was the end of the ice age. Since then, earth has warmed and cooled thousands of times, long before the development of the combustion engine or man-made pollution of any kind. The people who believe the fake science behind the climate change hoax, designed to make saving Mother Earth more important than saving human beings, are utterly insane! Their own life experiences would easily debunk the pseudoscience behind climate change fanatics.

COVID19 INSANITY

Yet another glowing example of utter insanity based on maniacal pseudoscience that every “sane” American knew better than to believe. They are too often referred to as “the

unvaxxed” as-in, “the unclean.” But they are the people who were smart enough and sane enough to follow real science instead of the pseudoscience behind the global massacre event titled COVID19, involving a global bioweapon assault on all mankind in the form of a Defense Department created virus and mRNA injections responsible for killing millions around the world.

Sane people knew the following right away...

1. A “corona virus” is a “common cold or flu” in at least 37 different strains.
2. Science has never found any cure for the common cold, which made it a perfect bioweapon.
3. Never before have we ever quarantined healthy people, only sick people.
4. Never before have we sent sick people to infect nursing homes.
5. The side of the mask box told us all the masks won’t prevent the spread of a virus.
6. Six feet isn’t enough to avoid the exhale of another, much less a sneeze or cough.
7. If it isn’t even an “epidemic,” then it can’t be a “pandemic.”
8. The swine flu vaccine was stopped in days after 12 deaths in 1976.
9. But the COVID19 injections continue after 26 months and millions dead, “cause unknown.”
10. You can’t shut down an entire economy for 12-months and expect to economically survive it.
11. “Gain of Function” work is “bioweapons” work.
12. The Defense Department in charge of the “vaccines” isn’t in the health business.
13. People don’t just suddenly drop dead for no reason, by the thousands or millions, all ages.

I could keep going here, but still today, millions of “insane” citizens can’t wait to get their next Department of Defense

created injections. THAT'S INSANE!

FACT: As of this writing, President Trump is still refusing to reverse course and tell the American people that his "warp speed" is resulting in mass genocide all over the world. Until he does, he cannot be counted among the sane, decent, honorable, or friendly.

NO SHORTAGE OF INSANITY NOW

I could easily list another hundred examples of total insanity gripping our country and our world today, but the number of examples won't make insane people suddenly sane! There are those who we cannot save now!

So, this piece is for the SANE Americans! Those who CAN be saved if they become party to the saving!

If we don't stop accepting, tolerating, encouraging, and participating in the insanity flooding our world 24/7, this will NOT be our country or our world anymore, very soon!

There isn't even ONE news network in the USA today that is not supporting and perpetuating the total destruction of the USA via their complicity in spreading a constant diet of outright lies like spoon-feeding infants from a baby food jar.

It should be quite clear by now that the totally diabolical, treacherous, and criminally insane, are currently running the asylum. The fruits and nuts are in charge! The traitors are in charge, and they are literally everywhere now.

As Cicero quite rightly warned over 2000-years ago...

"A nation can survive its fools, and even the ambitious. But it cannot survive treason from within. An enemy at the gates is less formidable, for he is known and carries his banner openly. But the traitor moves amongst those within the gate freely, his sly whispers rustling through all the alleys, heard in the very halls of government itself."

Current US generations are dooming all future generations to global tyranny, treachery and the end of freedom and liberty anywhere on earth. Some will remain insane until their demise...

It's up to the SANE to save this country and the world from the pits of hell. I don't mean any politicians, jurists or so-called experts. I mean the average American who still has enough wits, decency and courage to protect and preserve sanity, freedom, liberty and justice for all.

If it isn't us, then it is NO ONE! There isn't anyone else!

If you are a "sane" Christian, then you are going to have to put your faith into ACTION.

James 2:14-17

14 What doth it profit, my brethren, though a man say he hath faith, and have not works? Can faith save him? 15 If a brother or sister be naked, and destitute of daily food, 16 And one of you say unto them, Depart in peace, be ye warmed and filled; notwithstanding ye give them not those things which are needful to the body; what doth it profit?

17 Even so faith, if it hath not works, is dead.

END the INSANITY IMMEDIATELY!

The Book of Revelations isn't a book of how God destroys the world. It's a book that foretells how a "Godless" people will destroy the world, and we are on the brink! This time, the entire world will go the way of the Roman Empire!

In the real world, the only way to deal with blatant evil is to eliminate it. Just another well-known fact!
