

Evidence of the Covid Conspiracy

The CDC recently announced the scheduling of a confidential meeting to develop a public health tool to predict the virality of vaccine misinformation narratives. Of course, we know that they perceive truth to be misinformation. So, their intent is to stop it.

What they intend to do is come out with a new policy which will stop, or at least impede, the reporting of the truth of the deaths and serious life-time injuries caused by the so-called Covid-19 “vaccine.”

As you can imagine, the reporting of the truth is causing many more people to see through the **Big Lie**. So, it just naturally follows that it's making the **liars, especially at the top, very uncomfortable. But, if they only knew that the amount of discomfort they have now (if they have any) is nothing compared to what they will experience at the GREAT WHITE THRONE judgement.**

It's hard for the **AGENDA (Conspiracy for global depopulation of 85 to 90 percent)** to keep the **BIG LIE** going with reporting of the truth by writers like Kelleigh Nelson, in articles like [“Mass murder by a medical system that has lost its direction and soul.”](#)

In this article she asks several questions, then follows up

with the answers – such as:

“Have the **AMA, CDC, FDA, NIH** protocols saved patients? Hell no! They have purposely murdered thousands, perhaps millions, who could have been saved. The dissident doctors, scientists and healthcare workers know there are repurposed drugs (inexpensive and available) that could have saved up to 86 percent of those who perished. Have those stakeholders lied about hydroxychloroquine and ivermectin? Yes, even Lancet and New England Journal of Medicine lied.”

Was the CIA involved in planning this pandemic? Yes! Robert F. Kennedy, Jr.’s book, *The Real Anthony Fauci*, states that there were over 20 “pandemic” simulations beginning in 2000, and Bill Gates, Anthony Fauci and the CIA were involved in every one of them. “The CIA wrote the script, high-level CIA officials participated in every one of those pandemic simulations.”

Kennedy states, “So they practiced again and again and again: How to use the pandemic as a pretext for imposing totalitarian controls and for obliterating liberal democracy across the planet.”

“This was all part of a decades-old globalist-devised blueprint for the future.”

“New World System”

Continuing, she says, “The previous two nightmare years were engineered decades ago and exposed in the 1960s. Dr. Vernon Coleman’s short 17-minute video explains what the globalists architects were up to back then and where we are today...frighteningly close to completion. He mentioned a dystopian lecture by Dr. Richard Day.”

Now, this is very important. Please click on the links in her article – the one about Dr. Coleman’s 17-minute video, and the link to, or log on to **“NWO plans exposed by Insider Dr.**

Richard Day in 1969 as transcribed by Dr. Lawrence Dunegan.”

There is a lot of information in this article concerning things you need to know and prepare for.

We need to be prepared mentally. Emotionally, and above all spiritually, in order to survive until we are caught-up to be with the Lord, i.e., “The Rapture.”

And now this from Judge Anna Von Reitz:

“Remember Lord Pirbright, he was the man who brought the world its first concentration camp during the Boer War in Africa. He was rewarded instead of being hung, so that just encouraged more of it.

Yes, concentration camps were a British invention, not German.

Besides being the first Concentration Camps, the camps established during the Boer War boasted another “first.” Pirbright experimented on his Dutch and African prisoners, injecting them with various substances in the name of medical science.

Pirbright was a loathsome elitist and proponent of racial purity. He also championed “eugenics”—the purported science of breeding better human stock, similar to breeding American Kennel Club dogs, and generally treating people like animals, i.e., guinea pigs.

It should come as no surprise to anyone that the Pirbright Institute’s fingerprints are all over the origins of the present disastrous genocide.

Despite their efforts being already outlawed when they began them, these criminals contrived to evade every form of law you can think of, every standard of decency that is customary, and imposed upon their Elite peers, (that is, Canaanite members of the Saturnine Brotherhood) who are not very bright but are very evil and lacking in conscience. To support the mRNA

“vaccine” pseudo-scientific medical profiteering scheme, for the sake of money. Profits...

What they liked, what they have always liked, is the death and dismemberment of “inferiors” for profit. By war, by disease, by injection—It hardly matters how, so long as people die, and they profit from it.

I think it is now irrefutably proven who the inferiors. among us really are. And despite their money, they are mentally inferior, morally inferior, and emotionally inferior in every way.

Here’s one of them, Dr. Mylo Canderian of Pirbright UK. He is under contract with the World Economic Forum and Pfizer, should be shoveling coal in hell. Take a good look at the monster under the bed. He would give you nightmares if you found him lurking in your closet?”

“Dr. Canderian openly claims that even if the mRNA experiment should fail to have the desired effect of reducing the world population by 90%, the poisons (prions, graphene, polyethylene glycol, CF clotting factors, heartworms and other goodies injected along with it), will kill everyone who took the jab by 2030. He gleefully guarantees it.”

This is all I can cover of this article; I only did this much to help some understand the kind of beings we are confronted with, although those which are aligned against us are even worse, I think, than those described in the article.

According to Mike Adams of Natural News, to truly understand why the Wuhan Coronavirus (Covid-19) is still being reported as a problem almost two years since it was first announced, look no further than the “vaccines,” which Dr. Richard Fleming says are **the true bioweapon**.

Appearing in a recent Brighteon interview with Mike Adams, the Health Ranger – [watch here](#) – Fleming talked about his new book, [Is Covid-19 a Bioweapon?: A scientific and forensic investigation, as well as the history of the coronavirus bioweapons and how we got to this point.](#)

“The mass vaccination protocol being promoted by the likes of Tony Fauci is having a disastrous impact on public health,” Fleming explained. This thing would have been long gone had the virus simply been allowed to run its course without **Donald “father of the vaccine” Trump’s “Operation Warp Speed” injections**, which are fueling the mutation and spread of new Chinese “variants.”

Dr. Fleming’s interview is extremely interesting, and a very informative account of what has, and continues to be going on behind the scenes, not only nationally, but globally.

The interview is very long but everyone needs to listen to all of it.

“If you take a drug vaccine that is directed towards just a type of one part of variant of a species of coronavirus, and you make an immune response to that, you’ll make an immune response, but when you dump billions of that into the body, you’ll make a massive immune response and have very adverse effects, which is what we’re seeing,” Fleming explained to Adams about the surge in new variant “cases.”

“We were able to put pressure on the virus to promote one of the variants, in this case delta...that if you actually attack one part of the virus, you’ll promote the spread of the other types that are immune because the antibodies are completely different for that type of spike protein.”

The pressure of which Fleming speaks is selective pressure induced by the injections. Much like how antibiotic drug use fuels the mutation and spread of often times deadlier “super bugs.” Fauci Flu shots are doing the same thing to the Wuhan

coronavirus (Covid-19).

I am somewhat puzzled concerning all the above relative to the variants; for it is my understanding that at the outset the “Wuhan coronavirus (Covid-19)” could not be seen. That being the case, then, how do we produce variants from something which can’t be isolated?

According to Dr. Fleming, “All this was done with American taxpayer dollars, by the way, funneled by Fauci into several different channels both here and abroad. Fort Detrick in Maryland is said to have been involved, as was the University of North Carolina at Chapel Hill. And everyone involved, including Fauci, has violated the Biological Weapons Convention Treaty in the process.”

“Now these people are criminally culpable,” says Fleming. “They have violated the [Biological Weapons Convention Treaty](#). They have violated the Informed Consent with the Declaration of Helsinki. They have violated the International Covenant on Civil and Political Rights Treaty. They have violated the Nuremberg Code. Physicians in the United States who are vaccinating people who have not read the package inserts to obtain the information about drugs are violating their Hippocratic oath – but wait a minute, there’s nothing on those package inserts because they are intentionally blank.”

Now, I have a lot of confidence and faith in Dr. Fleming and what he is involved in – trying to bring these **War Criminals, whoever they might be**, to justice. However, we know that those involved in this conspiracy began many years ago to incrementally change the laws which they would be confronted with in their endeavor to bring their plans to fruition. So, any action to bring the evidence of **Crimes Against Humanity** before an international tribunal, could be completely blocked. However, we must keep doing whatever we can to help insure the survival of resistance.

Now, as to those people which Dr. Fleming says are criminally culpable, which there are many. I have seen a partial list of names as long as my arm, however, at this point in time it appears that any action we might take to bring them to justice – is blocked. But, even though we may not have access to an entity which can make them pay for their crimes against humanity – their justice awaits them at the Great White Throne.

Then there's this:

What we are witnessing currently is a political and cultural system which could very well be moving into an approach phase to what is written in Thessalonians 4:16, **"For the Lord himself will descend from Heaven with a shout, with the voice of an archangel, and with the trumpet of God. And the dead in Christ will rise first.**

Then we who are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air. And thus, we shall always be with the Lord."

For those who don't recognize the above, it is what many people call "The Rapture." Now, I'm aware that that many refuse to believe there will be a "catching away," because the word, rapture, is not in the bible. However, the words relating to the catching-up of the "dead in Christ" first, then of those who alive and remain to be with the Lord forever – **are written in God's Word.**

Here's the point, if we are in the approach phase, which we very well could be, – to the catching-up of all those who belong to Christ – then everything to that end is a given – which is to say, that the approach will continue; there will be nothing to stop it or turn it around – it will be completely inadvertent.

Nevertheless, we should not stop our resistance to the evil plans of the conspiracy. On the contrary, I believe we should increase our resistance. For this may not be the approach phase, although I think it is, but then – I could be wrong.

This is something which we cannot correctly discern – only the Lord knows the time and place.
