

George Foreman 1949-2025; Final Message From the Boxer, Christian Minister, and Entrepreneur

By George Lujack

April 3, 2025

George Foreman died on March 21, 2025, at 76 years old. His incredible life story includes winning the heavyweight boxing gold medal in the 1968 Summer Olympics, winning the world heavyweight title in 1973 by knocking out Joe Frazier, then losing his heavyweight title in the infamous “Rumble in the Jungle” bout with Muhammad Ali in 1974. After a loss to Jimmy Young in 1977, Foreman had a near-death experience and retired from boxing to become a Pentecostal minister in the Church of the Lord Jesus Christ in Texas. He also ran a youth center there.

THE COMEBACK... Having run out of money for his youth center, George Foreman returned to boxing in 1987. After a string of victories and a couple of losses, Foreman fought Michael Moorer in 1994 for the Heavyweight Championship. After having lost all nine rounds, Foreman mounted an offensive and knocked out Michael Moorer in the 10th round to become the oldest heavyweight champion in history at 45 years old.

During the comeback, Foreman became wealthy through sales of the George Foreman Grill and worked as a boxing ringside

analyst for HBO.

George Foreman's [final message](#) was that people, with God, can do anything, just as he was blessed to achieve his goals and dreams. Foreman was inspired by Philippians 4:12-13.

PHILIPPIANS 4:12-13:

I know how to be abased, and I know how to abound. Everywhere and in all things I have learned both to be full and to be hungry, both to abound and to suffer need. I can do all things through Messiah (Christ) who strengthens me.

DIED SUDDENLY... Foreman died in a Houston, TX hospital with family at his side, but had been, up to that time, healthy and had not been suffering from any long-term illness.

Did George Foreman die prematurely due to receiving the COVID-19 vaccine and boosters? This writer believes he did. Foreman was good at taking shots in the ring, but Foreman may not have been able to withstand the [COVID-19 blood clot shot and boosters](#), which he not only had injected into himself, but advocated for others to do so as well. Foreman is not the only in-shape athlete who recently died suddenly after receiving the COVID-19 vaccination and boosters. He joins Carl Weathers, Marvin Hagler, and many others.

2 CORINTHIANS 6:17:

Therefore "Come out from among them and be separate, says the Lord. Do not touch what is unclean, and I will receive you."

It is written that even the elect will be deceived, if possible. It has become abundantly clear, for anyone with eyes to see, that Western medicine is in the sick-making business for profit. They make no money off of a healthy population. Furthermore, there are the wicked ruling elites who wish to depopulate the world. There are rumors that they are already scheduling the next plandemic for 2030. This writer and minsiter's advice is to obey Scripture and not touch (or

inject) what is unclean into your body. Have faith in natural immunity.

RIP Big George.
