

God's Purpose Written in a Book

Every person created by God has a purpose. Your purpose is recorded by God in a book in heaven. There are many books in heaven and one of the main books, however, is what can be called the books of destiny or purpose. "Your eyes saw my substance, being yet uniformed. And in your book, they all were written the days fashioned for me, when as yet there were none of them." (Psalm 139:16)

This verse says God wrote down in a book, my substance, my DNA – what makes me who I am. It is speaking of my likes and dislikes, my gifting and abilities, what I am good at and not good at. So what is in my book is my prophetic destiny and purpose that God saw of what I was to be for being alive on this earth. To discover our prophetic destiny and purpose, we should then pay attention to our innate desires. These can be significant clues to uncovering what we exist for. (Robert Henderson)

"In Him, also we have obtained an inheritance, being predestined according to the purpose of Him who works all things according to the counsel of His will." (Ephesians 1:11) (Predestination here simply means there was a plan for our lives) "For we are His workmanship, created in Christ Jesus for good works, which God prepared beforehand that we should walk in them." (Ephesians 2:10) "Who has saved us and called us with a holy calling not according to our works, but

according to His own purpose and grace which was given to us in Christ Jesus before time began.” (2 Timothy 1:9) God needs us to live out what is in our book of destiny so His purpose can be completed in this realm. If Satan can thwart enough of us from fulfilling our destiny, he can frustrate the purposes of God on the earth in America.

An example of this is recorded in the Old Testament in Numbers 14:31-36-33. The children of Israel came out of bondage in Egypt and God sent them into the wilderness, I believe, to get Egypt out of them before entering the Promise Land. While in the wilderness, the children of Israel delayed the purposes of God because of their unbelief and disobedience to God. So God raised up another generation to fulfill His will and purpose. As the Book of Numbers tells us that older generation's corpses fell in the wilderness and they suffered for this unfaithfulness. As Hebrews 3:8-11 says they did not enter in His rest.

Our generation today is doing what the generations did in the Old Testament. We are disrupting God's purpose in America and have been for years. Jesus said He would build His church. But Pastors for several years now have been successful building their mega churches but at what cost? They water down the Word of God. Preach smooth words and positive sermons so as not to offend anyone. As Mario Murillo says, “People are tired of big screens, skinny jeans, and smoke machines.” The people are tired of compromise, no teaching to lead them to be conformed to the image of Jesus Christ. The bigness of it all and the entertainment of it all has disrupted God's purpose and will for America.

I have no idea how God is going to correct this foolishness and compromise called religion. I know for a fact He is in the process of raising up a new generation of Christians, baptized in the Holy Spirit, making disciples, winning the lost, resisting evil, casting out demons and pulling down strongholds. Many of these Christian are at work as I speak.

This next move of God will not be church growth. The mainline denominational and mega churches will not like this new move of God at all. These new generation of Christians will declare war on religion and those who promote it. Multitudes will leave these fake mega churches and denominations and many will continue to close. Those in religion will miss this great move.

The season to repent is now because we will give an account to God with what we did with our purpose from God!! This end time great awakening will be exciting, led not by man but the power of God. It will be God's finest hour in America and around the world. Show love and compassion to the rioters and disenfranchised blacks and millennials and others. They don't know it yet but many will spearhead this mighty move of God!!! God bless, I remain His servant and watchman, Glynn Adams (Thanks to Robert Hendeson and his book "Courts of Heaven."
