

# GOP Governors & Second Amendment MIA

The whole world knows, thanks to the digital world, radio and propaganda box (TV) about 20-year old U.S. National Guard woman with her whole life ahead of her is dead: Specialist Sarah Beckstrom. Shot Thanksgiving eve in our nation's capital; died Thanksgiving Day. For the rest of their lives, her family (and friends) will never likely ever celebrate Thanksgiving as they have their whole lives. Every Thanksgiving they will probably be at the cemetery putting flowers on her grave.

Specialist Beckstrom was not murdered by an animal (animals kill for food, to protect their young, ward off enemies and in some cases, who's going to 'rule the pack' – they generally don't kill each other, just a testosterone battle.)

Thank God, the second National Guardman, Sgt. Andrew Wolfe, 24, is still alive as I write this and latest reports are he's making progress, although still critical. [New video emerges of DC National Guard shooting](#), I'm betting there's more camera footage.

In this case, the "alleged" shooter, 29-year-old Afghan national Rahmanullah Lakanwal, who was heard by witnesses' yell 'Allahu Akbar' before opening fire, is going to live. One trial. If found guilty, one appeal within one year and then

take him out and shoot his worthless being straight to Hell and skip the phony 72-virgins crap.

The families of this savage murderer have never forgotten:

[Top military court upholds death sentence for ex-soldier who killed 13 in mass shooting at Texas base](#), Sept. 12, 2023: "Army Maj. Nidal Hasan on Nov. 5, **2009**, walked into the Soldier Readiness Processing Center at Fort Hood, now Fort Cavazos, Texas, where troops receive medical treatment before and after deployments, and opened fire with a semi-automatic handgun. Hasan, a psychiatrist, killed 13 people and wounded dozens more by the time police arrived and subdued him." [He shot 43, 13 died](#). A muslim, of course.

That gutless coward jihadist did not want to be deployed to Afghanistan where [OUR troops were guarding poppy fields](#). His oath meant NOTHING.

Found guilty in 2013 after a court martial. How DISGUSTING. That piece of human garbage has been on death row over 12 years while WE pay for his three hots and a cot when he should have been executed more than a decade ago. **There was NO doubt he was the shooter.** I wrote about the death penalty years ago. If there is NO doubt such as this case, execute Lakanwal – the same as Hasan. If there is doubt about circumstantial evidence in a first-degree murder case that carries the death penalty, no witnesses or "smoking gun", either not guilty or life without parole and appeal.

Sept. 24, 2025 (Stupid heading since he was already convicted) [Hegseth seeking death penalty for convicted Fort Hood shooter](#): "Hegseth is asking President Trump for final approval for the military execution of Hasan, an ex-Army psychiatrist who gunned down 13 people and wounded 32 others at the Army base near Killeen, Texas, in November 2009."

I sent President Trump email a few days ago (<https://www.45office.com/info/share-your-thoughts>) and

politely told him to give the yes and execute Hasan now. No excuses. That muslim murdered 13 of our serving, innocent military and wounded dozens of others. **He's been on death row for 12 years and doesn't deserve to take one more breath.** The WH hot line to President Trump: 202-456-1111. Post it on X and Trump's [Truth Social](#). You and I have been paying for Hasan's three hots and a cot since 2009. *Give the families the justice they deserve for what that savage did in 2009.*

As most know by now, Lakanwal, was brought to our country by *Biden's handlers* in a country we should NEVER have been involved with regarding big money "war on terrorism". We lost 13 precious lives serving in uniform during the chaotic "withdrawal" DISASTER. Think dementia riddled Biden gave a damn? When elephants fly. His only concern was which flavor of ice cream was his choice of the day. ["The Constitution grants Congress the sole power to declare war."](#) The last CONSTITUTIONAL war was WWII.

Intentional: [Shocking Document Reveals Biden's Botched Afghan Evacuation Let Over 5,000 Migrants Flagged for National Security Risks Into America](#), Nov. 30, 2025.

President Trump has been calling up the National Guard in an effort to lower violent crimes in "blue" cities across this country from DC to the West Coast. Of course, the communist governors and mayors have been blowing out their tiddy-whities that Trump would dare to uphold his oath of office while their own citizenry are being robbed, raped, murdered and killed by illegals (or "refugees scamming the system) driving drunk on their roads. Too many are muslims or Somali's committing things like massive fraud. They don't assimilate and their goal is a world caliphate no matter how many innocent "non-believers" they have to kill. [MULTICULTURALISM DOESN'T WORK AND IT HAS NOTHING TO DO WITH RACISM](#).

We the People, OUR America is under attack by several factions and anyone who denies this is either uninformed, brainwashed

or doesn't believe the violence and infiltration of communists and muslims into elected offices and yelling about their First Amendment rights even though Islam is NOT a religion. Muslims (migrant invasion) have all but destroyed France and England with Germany now on the chopping block. To say the people over in those countries are fed up is putting it mildly. Good for them.

Every day we are seeing useful fools out on the streets screaming and yelling about ICE doing their LEGAL job of rounding up (first) criminal ILLEGAL aliens to reduce crime in their own towns and cities! I don't have to rehash a hundred pages of incidents. Brainwashed un-American mobs who allegedly voted a socialist for NYC mayor, Comrade Mamdani. *They are worse than fools.* Socialism is the first stepping stone towards communism. Go read Karl Marx.

Right now the whores in the Democrat Communist Party and even some Republicans are in a tizzy about blowing to smithereens boats carrying drugs like cocaine, heroin and Fentanyl: [Trump Warns: "Each Boat Is Responsible for 25,000 Dead Americans" as Fentanyl Crisis Drives Toughest Crackdown Yet](#), Nov. 30, 2025

How many socialists and communists in CON-gress objected to this absolutely sickening use of our military: [Marines grow opium for their masters](#). Video (4:42). [Why are we still send \\$40 million a week of your dollars to the Taliban? Call your Senator now!](#) Video (5:50); emphasis mine). *"Taliban payments are a repeat of Ukraine. It's a money-laundering scheme in which money goes through NGOs for Taliban aid and then is partially kicked back to Congress members as reelection donations. That's why the Senate is holding it back. The Money Train is running again. – Action".* (OUR purse, the U.S. Treasury has to borrow that "money" from the magical money machine, the "Fed". More debt slapped on us, our children and grandchildren. WHERE IS YOUR OUTRAGE AMERICA?

War on drugs? It's called supply and demand. **LOOK IN THE**

**MIRROR AMERICA.** As long as Americans (including the music industry, Hollyweird, Silicone Valley and I'm betting a few in CON-gress) continue to use those illegal highly addictive drugs which destroy them and their families, the cartels will continue shipping the drugs here.

As for the invaders who came by the **MILLIONS – around 12-14** not counting the ones who got away across the Mexican border, Gov. Greg Abbott could have stopped it the minute fake president career criminal Joe Biden was sworn into office. Like the rest of the GOP governors, Abbott ignored the true meaning of the Second Amendment:

I live in W. Texas. [Illegal Aliens Invasion: Texas GOP Legislators Selling Out America](#). May 10, 2023: “America: Tomorrow will be the beginning of hell most can't imagine or don't want to think about. Turning America into a third-world hell hole continues. [“F\\*ck You Americans!” – Illegal Aliens Trash Talk News Reporters in Heated Exchange in El Paso, TX](#) (VIDEO) (35,000 of them at that entry point waiting until tomorrow with more on the way – about 12,000 per day.)

[Texas Gov. Greg Abbott invokes constitutional ‘invasion clause’ amid immigration crisis](#), Nov. 15, 2022 – “I invoked the Invasion Clauses of the U.S. & Texas Constitutions to

fully authorize Texas to take unprecedented measures to defend our state against an invasion,” Abbott announced via social media Tuesday. Put a Band Aid on the problem: “Abbott plans to activate both National Guard and Texas Department of Public Safety personnel to arrest and return illegal immigrants to border.”

That didn't work out too well, did it, guv. The invasion over ran over this country and we are still paying the price (Lack of affordable housing, have rapidly collapsed our medical health care system, stealing jobs that belong to Americans along with our necessary resources like water; over running our public schools cheating American children out of a decent education. **The 1,500 U.S. active duty military sent by brain gone, Biden, were sent to process paper pushing, NOT enforcement.** Our republic, not just Texas is in even more danger now. Abbott who is adored by millions of Texas voters apparently – especially gun owners which is just about all of us except the “liberals” (socialists) and “progressives” (communists) in big cities like Austin – missed the solution:

Texas Statutes, Greg:

#### [GOVERNMENT CODE](#)

TITLE 4. EXECUTIVE BRANCH, SUBTITLE C. STATE MILITARY FORCES AND VETERANS, CHAPTER 431. **STATE MILITIA**, SUBCHAPTER A. GENERAL PROVISIONS

Sec. 431.071. **MILITARY DUTY.** (a) The reserve militia is not subject to active military duty, except that the governor may call into service the portion of the reserve militia needed for the period required in case of war, insurrection, **invasion or prevention of invasion, suppression of riot, tumult, or breach of peace or to aid civil officers to execute law or serve process.**

“(b) The governor may assign members of the reserve militia who are called into service to existing organizations of the

state military forces or organize them as circumstances require. Acts 1987, 70th Leg., ch. 147, Sec. 1, eff. Sept. 1, 1987.

Gov. Abbott put Band Aids on a patient hemorrhaging to death on the operating table. Abbott should have immediately 'called into service' our State Reserve Militia and believe me, there were plenty of well-trained, well-armed retired military and law enforcement who would have been happy to serve. Who wanted to get on the border right away to **assist the National Guard and DPS**. The National Guard is NOT the constitutional militia as written in the Second Amendment: A well regulated Militia, **being necessary to the security of a free State**, the right of the people to keep and bear Arms, shall not be infringed.

Not to go deer hunting. Yes, We the People have the God-given right to protect ourselves, family and property but a well regulated militia REQUIRES ownership of arms. Dr. Edwin Vieira explained this quite succinctly in his 3-part series. **Excuse me if I sound angry but I am FED UP with these domestic enemies being brought into our country with the sole purpose of turning America into the sh\*t hole they left and destroy our Constitution while at the same time stealing from us raising our taxes.** And gutless mayors, too many racists and STUPID county sheriffs and mayors *who side with the lawbreakers*. So no matter how busy you are, please take the time to read Edwin's scholarly AND historically accurate meaning of the Second Amendment: [True Vs. False Militia & Why the Difference Matters](#), July 30, 2007.

From one of my older columns that's important:

"Texas Republicans working to keep border open – our legislature. GOP screwing us, again. [Here is a must watch interview with Lara Logan, 10 minutes](#). For those unfamiliar with Lara, she is a very good investigative journalist.

[Lara Logan, Texas Republican Politicians Working Against Border Security](#), May 8, 2023

“Logan notes that Texas republican politicians are actively working to keep the border open with migration flows controlled but not stopped. As CTH has long documented, illegal mass immigration is a policy that both wings of the UniParty support.

“Logan reports that Texas republicans, the Bush wing of the professional republican apparatus that controls Texas politics, recently blocked a state border security effort in order to keep the immigration flow in place. This is a remarkable interview with details to support the baseline as discussed.”

**So where is this so-called reserve militia, Gov. Abbott? Oh, that's right. We don't have one.** WE are under attack and the violence is going to get worse than what we saw in DC last week. (1) The POLITICAL PARTY known as Islam is NOT a religion and they are going to fight and keep killing. [Jihad in Islam. Do check page 5 of the 37 page booklet](#): “But the truth is that Islam is not the name of a ‘Religion’, nor is ‘Muslim’ the title of a ‘Nation’. In reality Islam is a revolutionary ideology and programme which seeks to alter the social order of the whole world and rebuild it in conformity with its own tenets and ideals. ‘Muslim’ is the title of that International Revolutionary Party organized by Islam to carry into effect its revolutionary programme. And ‘Jihad’ refers to that revolutionary struggle and utmost exertion which the Islamic Party brings into play to achieve this objective.”

[Now go look at this recent short video](#): Muslims in Times Square, New York City: “We will NOT stop until Islam enters EVERY home.”

Terror-linked groups like CAIR are celebrating the wins of 42 Muslim candidates in the 2025 election, and this is just the beginning."

**You've been warned America about Islam.** London with a muslim mayor has become a literal dictatorship danger zone. Here's another damn fool: [Minneapolis police chief issues apology for linking Somali youth to local crime.](#) "'The Somali community here in Minneapolis has been welcoming and has shown love towards me, and I appreciate it,' O'Hara said." GAG ME. Like the communist Chinese, those God hating, America hating leeches *play the long game*. Muslims are taught to lie as soon as they can talk. No? Perhaps that sheriff should read Sun Tzu's Art of War.

(2) The drug cartels continue to operate along the border and  
(3) Illegals who must be deported and the chumps who support lawlessness are here by the millions from dozens of countries. It won't take much for things to get totally out of hand worse than now – especially with the muslims.

[Text of Monroe's Speech – Seventh State of the Union Address.](#)  
Monroe was our fifth president (1817-1825) and a member of a member of the Democratic-Republican Party.

"I transmit a return of the militia of the several States according to the last reports which have been made by the proper officers in each to the Department of War by reference to this return it will be seen that it is not complete, although great exertions have been made to make it so. **As the defense and even the liberties of the country must depend in times of imminent danger on the militia, it is of the highest**

**importance that it be well organized, armed, and disciplined throughout the Union."**

I know many gun organizations ([like the GOA](#)) fully understand the true meaning of the Second Amendment. I see nothing to indicate the NRA demanding revitalizing "the militia of the several states". Just more lawsuits for personal protection. My late husband and I quit the NRA long before he passed away after I got a full and complete historical education on the true meaning of the Second Amendment starting in 2005 thanks to Edwin.

**Dr. Edwin Vieira wrote so many columns on this and still GOP state legislatures and GOP governors act like it doesn't exist.** Call up the National Guard! There's not enough of them when the sh\*t hits the fan *which I hope does not happen*. Just two examples: [What "Right To Keep And Bear Arms" Is That?](#) August 23, 2019 // [Three Questions About The Second Amendment](#), Jan. 22, 2019

Edwin wrote a manual titled *A Proposal to Revitalize "The Militia of the Several States"* in 2005 and yet here we are today ignoring OUR responsibility under the Second Amendment to assist in homeland security. It was not for sale (Edwin only sent it to a select number of real Americans; I am grateful he sent me one) but it should be read in every senior high class and more importantly, every damn GOP governor and state legislator in "red" states and act NOW.

It doesn't matter if your legislature (like here in Texas) is out of session, trouble is coming. I pray I'm wrong but to quote Patrick Henry: **"I know of no way of judging of the future but by the past."**

Contact Dr. Edwin Vieira at 52 Stonegate Court Front Royal, VA 22630 (no email address) and ask him if any copies are available (I wish the whole manual was on the Internet) as you want to get your Second Amendment organization educated and

start hammering (metaphorically speaking) on their governor. Second Amendment groups should also sit down with their county sheriff.

Portland, Seattle, Chicago, NYC – you name it, Sheriff. We will not stand by and allow our America to be destroyed from within. Have a constructive conversation about the true meaning of the Second Amendment and that you're there to help once a governor calls up the constitutional militia or what Abbott should have done here in Texas the day after Biden was unlawfully sworn in.

Remember Monroe's State of the Union Address.

If we do nothing, nothing will get done and America will become another barbaric, totalitarian hell-hole. Don't wait for your daughter or wife to be raped and murdered, your city or town controlled by the VILE Sharia Law.
