

# **GOP spreads vicious lies about Trump**

*“If there is a decay of conscience, the pulpit is responsible for it. If the public press lacks moral discernment, the pulpit is responsible for it. If the church is degenerate and worldly, the pulpit is responsible for it. If the world loses its interest in Christianity, the pulpit is responsible for it. If satan rules in our halls of legislation, the pulpit is responsible for it. **If our politics become so corrupt that the very foundations of our government are ready to fall away, the pulpit is responsible for it.**” –[Rev. Charles Finney, 1792-1875](#)*

**Read the last sentence of Finney’s statement again. “If our politics become so corrupt that the very foundations of our government are ready to fall away, the pulpit is responsible for it.” This statement from an 1800’s preacher is true for today.**

From my friend Ruth, “Congratulations to Trump for his Super Tuesday wins, despite the last-minute lying and bashing by the MSM. How convenient that the NYT, on the very day of voting, says they have an “audio” of Trump backstage saying he doesn’t mean any of the things he says, and would never do any of those things. Of course, they refuse to release this non-existent audio. Purposeful damage done.”

Remember the [1964 Supreme court decision, NYT’s v. Sullivan](#), which now allows the media (as well as public figures) to lie through their teeth with impunity about other public figures.

The GOPe, the DNC, and the MSM will haul out all their CFR globalists pals and bash Trump with every lie and half-truth they can think of...to hell with what the American people want!

**The Church’s Failure to Discern**

In 2008, I parted from a friend of over 20 years. Why? Because she and her Lutheran pastor husband were voting for Obama. I asked her how, as a Christian, she could possibly support someone who had voted against the [BAIPA act](#) in Illinois three times. That's the Born Alive Infant Protection Act which allows care for infants who have survived abortions. (In my Bible, there is no way you can call yourself a Christian and vote for baby murder.) She wouldn't answer me. I told her I obviously never knew her. That was the end of our friendship.

Today, it's the same thing. I've written dozens of articles on the GOP candidates for president. I've exposed their lies, their votes, their pasts, and their false doctrine religions. One cyber bud told me I was taking flak because I'd hit the nail on the head. The reality of it is that some fellow Christians are so lacking in discernment that they'll vote for someone who uses the most unscrupulous tactics, and lies to destroy their opponents. They lie not only about their opponents with made up fictional stories, but they lie about their own attributes and pasts. Yet, these same Christians will attack the messenger rather than the message, saying I'm not a Christian for writing these documented articles and exposing the truth.

I've asked them why they attack the messenger rather than the message, and why they think lying by a so-called Christian candidate is okay. I don't get any further answers, just more attacks, both personal and on the candidate I support. It just proves to me, over and over again, that the swill from the DNC, GOP, and MSM is still believed by those who have little insight or good judgment. Government propaganda does work because many Americans are too lazy to read or research on their own.

When the FBI is taught about counterfeit American dollars, they don't study the counterfeits. They study our real bills. They know them so well that they can spot a fake in a NY second. The same goes for Christians. We have to know God's

Word so well, that we can spot the fakes in a flash. This is where the pulpits have failed. Unfortunately, too few pick up God's Word and daily read it, and our pulpits have become infiltrated and neutralized.

## **The Lies and Hatred**

Remember the media and other public figures can lie with impunity, because of the 1964 Supreme court decision in [New York Times v. Sullivan](#).

*The GOP says, "Donald Trump is not a Conservative." This is code for saying, "Donald Trump is not a globalist like us." Obviously the GOP, who is in bed with the left's agenda, wanted to run Jeb Bush on the ticket. Since Jeb is out of the picture, they'll destroy their own top candidate to get Hillary in the White House so the New World Order plans will continue. Donald has totally upset their apple cart.*

A GOP consulting firm has been hired to research an independent presidential bid in case Trump wins the nomination, and that's why Willard Romney is waiting in the wings. [The independent ballot document](#), stamped "confidential," was authored by staff at Data Targeting, a Republican firm based in Gainesville, Florida. The memo notes that "it is possible to mount an independent candidacy but will require immediate action on the part of this core of key funding and strategic players." [[Link](#)]

This is how much the G0Pe hates Trump...they'd rather throw the election to Hillary than allow the GOP front runner to win. Remember, they have been planning this NWO for decades and they're not about to let Donald destroy it.

## **The Media's David Duke KKK Lies**

Watch this video of David Duke stating the fact that CNN is lying. David Duke himself says he's never endorsed Donald

Trump. The level the GOPe is stooping to is unconscionable.

While the media has attempted to smear Donald Trump with this phony made up endorsement by former Ku Klux Klan member David Duke, Hillary Clinton has escaped scrutiny despite the fact that [she once praised ex-KKK member Robert Byrd as her “friend and mentor.”](#)

✘ Senator Ted Cruz has been extremely vocal about Mr. Trump and the so-called false endorsement by former Klansman and Grand Wizard, David Duke. But Senator Cruz’ campaign has its own KKK connection in Family Research Council president, and former Louisiana Representative, Tony Perkins. (CNP member, UN-NGO member).

In 1996, when Representative Tony Perkins was helping the US Senate campaign of Woody Jenkins against Mary Landrieu, Perkins was fined \$3,000 for filing false disclosure forms in an attempt to hide \$82,500 he had [paid for a mailing list from...guess who...David Duke](#). (Believe me, I don’t trust SPLC, but this is documented all over the web.

✘ Perkins has also caused controversy being pictured addressing a group that has been known for white supremacist rhetoric, the Council of Conservative Citizens, while a Louisiana State Representative. [[Link](#)]

Senator Cruz really ought to check his own endorsements...

### **Max Lucado and Christian Post**

Max Lucado and Christian Post have both come out against “fake Christian” Donald Trump. They sit in judgment of him without knowing anything about him, his faith, or his unbelievably generous donations, and help to so many Americans. Wonder why? Because Christian Post and Lucado have their own stealth reasons for fighting Trump. They are part of the 103 evangelicals (if you can call them that) of the [Evangelical](#)

[Immigration Table](#) (EIT) and are for amnesty with far-left Democratic activist, Jim Wallis, founder of [Sojourner Magazine](#). [Breitbart News](#) has [reported](#), that EIT's efforts have been funded by the [George Soros financed National Immigration Forum](#). Thus the EIT will be fighting Trump's nomination all the way.

Both Samuel Rodriguez and, one-world-religion loving CFR member, Richard Land, were signatories to the EIT statement supporting the 2013 Gang of Eight illegal alien amnesty bill co-sponsored by **Senator Marco Rubio**.

### **Planned Parenthood**

Trump has made it clear over and over again, that he wants to defund Planned Parenthood, because they do abortions. When they first began, as Trump points out, they used to educate and do pap smears and HPV cancer screenings, which was a service for low income women. They no longer do this today, and they've never done mammograms. This is why Trump wants to defund it. By the way the [12th video is out regarding Planned Parenthood's abortions of intact late term babies](#). Trump is pro-life, and the argument is moot.

### **Trump University**

Sen. [Marco Rubio](#) of Florida more than once referred to Trump's real estate academy as a fake university, while Sen. [Ted Cruz](#) of Texas relished the implications of a presidential candidate being put on the witness stand. Problem is, it's another lie. If anyone were to look at our local papers, the University of Tennessee is being sued left and right. Other universities and colleges have the same problems. However, in all these universities, 98 to 99% of the graduates are happy. The same goes for Trump's graduates.

 In 2015, Donald Trump won a key legal battle when a federal district court in California partially decertified a class

action lawsuit against Trump and the now-defunct Trump University, which once offered real estate classes. A statement by the Trump legal team said the ruling “validates the fact that Trump University provided a legitimate and valuable real estate education.”

That, coupled “with the fact that 98% of all Trump University students rated the program ‘excellent,’ and was also rated ‘A’ by the Better Business Bureau, will ultimately doom Plaintiffs’ claims.”

Trump’s opponents are grabbing at straws, and following the orders of the GOP establishment to stop Trump at all costs.

### ✘ **Trump’s Tax Audits**

Trump has said he will not release his tax returns until an IRS audit is complete.

“For many years, I’ve been audited every year. Twelve years or something like that,” he said during Thursday night’s GOP debate.

Shortly after the debate, the businessman suggested that the IRS was targeting him because of his religion. (Please understand that this man gives to a huge number of charities, as well as giving to people in need, or people who have in some way helped him. Even his son Eric, who works for his father, has given over \$20 million to St. Jude’s.) But the head of IRS, John Koskinen disagreed. “That’s something that would never cause you to be audited,” Koskinen said. “We don’t care who you are, who you voted for, what party you belong to, whether you go to church, or don’t go to church.”

What a load of bull Koskinen’s statement is...does anyone remember all the Tea Parties who were targeted and audited by the honest upright IRS?

Any tax professional that has high end clients that routinely report complex tax matters has had multiple examinations. They may or may not have been successive, but it (as far as the taxpayer and his hired professionals are concerned) is considered ongoing.

The absolute worst thing Donald Trump could do is to respond to it. Responding to the provocation is exactly what they want. Dismiss it like you would swat an annoying gnat. Why? Because Willard Mitt Romney and Paul Ryan are behind this. Romney is waiting in the wings to jump into the GOPe fray as presidential candidate... Because they'll do anything to destroy Trump, even running Romney so we'll end up with the New World Order, corrupt, and murderous globalist, Hillary Rodham Clinton.

Stay tuned, so much more to report!
