

Government Found Demanding Big Tech To Illegally Censor Opposition To COVID Narrative

“Here you have the unqualified executives censoring the qualified doctors.”

It is being reported that over 1 million deaths are due to that of COVID. Remember that this virus has a 99.997% recovery rate. In fact, it is not COVID that is murdering the people. It is the government working hand in glove with Big Pharma that is responsible for these deaths; and, of course, they could not have done this without the complicit Mockingbird media and the Big Tech companies (Facebook, Twitter, Google, Vimeo, etc.) illegally censoring our free speech, protected under the First Amendment of the Bill of Rights, which is the bulwark to our freedoms!

How, you ask? If you have been paying attention to how this all works, that is when it comes to those who are responsible for creating the crisis, you will find that they are the same ones that play the problem solvers and the US government has a long history of doing just this (Jeremiah 11:9).
