*"He that justifieth the wicked, and he that condemneth the just, even they both are abomination to the LORD." -Proverbs 17:15*

Today in America, we see where the government, both federal and state, are treasonously alluring illegals to come into this country (Article III, Section 3 U.S. Constitution). In the process, these illegals are bringing with them drug trafficking, human trafficking, murder, rape, attacks on the American military, attacks on America's police, etc. The list goes on. What could one expect from those who are ILLEGALLY crossing over the border?

What has been the response to these crimes?

Recently, a [Spanish Judge in Texas, Judge Ruben Morales somehow ruled against American Law](#) (He must be impeached and prosecuted; Article 2, Section 4 U.S. Constitution) in arguing that Texas authorities failed to prove probable cause.

In spite of the above, consider that back [on January 06, 2021, we found that Americans were allured to Washington D.C. and](#)

then entrapped only to be accused by this government of the crimes that the paid provocateurs that were bused in are guilty of committing. As of today, over 1200 Americans who were exercising their First Amendment, God-given rights are somehow behind bars (Proverbs 17:15).

Americans, with all due respect to our Father in Heaven, the truth of His Word, and to those that are illegally suffering behind bars, this is happening while the corrupt are incarcerating the innocent without recourse... This one is on you for letting this happen. Read Deuteronomy 28:63
