“It is to be regretted that the rich and powerful too often bend the acts of government to their own selfish purposes.” - President Andrew Jackson

People need to first understand those who are guilty of the crimes against the American people and how they operate by doing the unthinkable. That is how they get away with what they get away with because people don't believe that they would do such things. Well, guess what? They are.

To prove the point, just look to those who are changing American government to that which is foreign to American government on a daily basis by those who are playing the good guys. This is all being done little by little through incrementalism or a siege (Deuteronomy 28:52).

If only the American people would take the time and read their Bibles and founding documents, how soon they could identify these counterfeits that operate under false pretenses (Jeremiah 6:16), both in the Christian realms, as well as the political realms (Mark 8:14-15).

Look at how Americans have been under heightened attack over the last 2 years by those who have been sold as the good guys to represent them. Free speech, the right to bear arms, the

sodomite agenda, personal and national security, etc. all of this during the tenure of the said good guy.

Today, we see President Donald Trump is sold as the victim by those he fails to prosecute. Meanwhile, the support that is driven to his base only ensures a victory for his next 4 years in the people’s White House. This helps him to further his attacks on his support base.

In other words, Americans are being set up for the fall.

Mark my words.

Just this last week, Fox News, the best that the conservatives have, just put out a fake poll (Causing the enemy, “Americans,” to believe that there is a lot more of them than there really is) stating that their poised and controlled opposition criminal and actor Joe Biden was winning over that of Trump, 49% to 39%.

Have you seen the crowds that go to Donald Trump’s engagements? Pretty astounding. There were over 100,000 ticket requests for Trump’s presidential 2020 kickoff at the same time that this fake poll came out.

For years, Americans have seen Joe Biden exposed for his perversions. He has the support of no one and Americans know it.

What of lunatic Senator Elizabeth Warren from Massachusetts, who endorses a coup against Donald Trump? Warren also argues the illegal border invasion shouldn't be against the law." How much support do you suppose she has in her efforts against Trump? None! This is exactly what drives support to Donald Trump. It is called controlled opposition.

Meanwhile, and on the other hand, President Donald Trump releases 196,000 illegals back into the cities of America.

What of criminal Senator Kamala Harris, who recently said that she would usurp Congress and unconstitutionally change gun laws? Again, this takes all eyes off Donald Trump's administration that is actually doing what she is talking about, and drives support to Trump.

The "establishment" knows that Americans will never get behind Kamala Harris and her criminal actions. No, the "establishment" transgresses (1 John 3:4) the law with the help of those who have been sold to you the American people as

the good guys (2 Corinthians 11:14).

Who has attacked gun rights more than that of Donald Trump's administration?

No one.

Twenty-six states have now passed 55 new gun control policies by a majority of Republican governors.

What about presidential contender and sodomite (Leviticus 18:22, 20:13) mayor from Indiana, Pete Buttigieg, who claims that he cannot help himself, that he was born that way, and then blames God for the abominable choices that he makes (Deuteronomy 30:19)? Outside of the likes of less than 1.7 percent of the population that engage in homosexual behavior, who do you think is going to support this guy? Again, this all drives support to Donald Trump, who in turn supports the sodomite agenda in an attempt to now decriminalize sodomy on a global scale.

I hope that you are getting my point here friends, this is the enemy play book and has been for decades in this country (Proverbs 20:12). The right wars against the left (Mark 3:25) and who wins and loses at the end of these contrived

unconstitutional wars? Americans lose, and corruption wins every-time.

When will Americans learn?

Furthermore, there are [hundreds of other candidates who are running for the White House](#) to serve “We the People.” Why is it that we have only heard from the CIA controlled Main Stream Media and their hand-picked candidates and not from the others? All cameras are to be kept on their global players and pushers of a global agenda.

The global agenda players that the American people are trying to rid themselves from are the very agenda's that President Donald Trump is implementing on his followers (Jeremiah 17:5).

[How Does One Deny The Fruit that the Tree Bears?](#)

This is how the American people, and that of other countries throughout history that have been destroyed are are being undermined (1 Kings 13:33). Nothing new under the sun (Ecclesiastes 1:9).

And just think friends, if I listened to the modern day professed and hypocritical Christians and conservatives of the day we would all be wrong.
