

Happy Church, Little Resistance of Evil and the Powers of Darkness

I wish I had the words and the ability to express in such a way that all of America would see that we are in such spiritual disarray because of our false religion. Jesus and His First Century Church is our example as it was lived out by the disciples of Jesus in the Book of Acts for us to see and we are not even in the ballpark or even close to that example in our churches in America today!! As a result, we are in such danger that I do not have the words to express also. I learned a long time ago that I can't make anyone see anything. People that have eyes that see not and ears that hear not, Jesus did not spend a lot of time with them. He gave them truth and if they did not act on it, Jesus simply moved on without them and left them to their devices!!!

Leonard Ravenhill once said, "The world outside there is not waiting for a new definition of Christianity. It's waiting for a new demonstration of true Christianity. In the First Century, while He was on this earth, Jesus cleansed the temple; today He would cleanse the pulpits of America from religious humanist false pastors." I might add, He would cleanse the podcast, seminars, and many books written today!!!

Paris Reidhead said in a sermon, "Paul warned us in Colossians 2:8 not to be taken captive by philosophy and empty deception

but today our subtle philosophy and deception is religious humanism. You can define religious humanism as a philosophical statement that declares, "The end of all things is the happiness of man." The liberal says, "The end of religious humanism is to make man happy while he is alive and the fundamentalist says the end of religious humanism is to make man happy when he dies." This is unchristian and the betrayal of the ages. And it is a betrayal in which we live and I don't see how God can revive this. True Biblical Christianity says, "The end of all being is the glory of God."

Didn't God intend to make man happy? Yes, but as a byproduct not a prime product. What is the philosophy of missions, of evangelism, and of a Christian? If our motive is we don't want people living a life of suffering and misery and going to hell, then we are using the provision of Jesus Christ as a means to improve upon human conditions of suffering and misery and thus, we are motivated by religious humanism

I would like to see some people repent on Biblical terms again. Here is somebody trembling because he or she is going to be hurt in hell but they have no sense of the enormity of their guilt, no sense of the enormity of their crime, no sense of the enormity of their insult against Deity, no sense of their rebellion against God, no sense of God's righteousness, of His holiness, of His justice, the justice of His wrath and anger. I would like to see God so descend on people that they would repent because they had a revelation of the holiness of God, and in the light of that, they have seen the enormity of their sin against God and God so penetrated their minds and hearts they would fall to the ground in brokenness over their spiritual condition not their living conditions.

"Lord Jesus, I am going to obey You, and love You and serve You, and do what You want me to do as long as I live, even if I go to hell at the end of the road, simply because you are worthy to be loved and obeyed and served, and I'm not trying to make a deal with you. There is only one reason for God

meeting you and that is to bring you to the place where in repentance you have been pardoned for His glory and in victory you have been brought to the place of death that He might rule in your life. And in His fullness, Jesus Christ is able to live and walk in you and your attitude is the attitude of the Lord Himself who said, "I can do nothing of myself. I can't speak of myself – I don't make plans for myself because my only reason for being is the glory of God."

And if you don't know the fullness of the Holy Spirit, then present your body a living sacrifice and let Him fill you so you can have the purpose for His death on the cross fulfilled in you so the Lord Jesus can get glory through your life and the people you influence. IT'S NOT WHAT YOU ARE GOING TO GET OUT OF GOD. IT'S WHAT GOD IS GOING TO GET OUT OF YOU. Let's be done with this false humanist philosophy of Christianity in our day brought on by positive pastors and their sermonettes that make God a means instead of the glorious end that He is. MAY THE LAMB THAT WAS SLAIN RECEIVE THE REWARD OF HIS SUFFERING" (Paris Reidhead)

Pastor Paris Reidhead is a man who lived and preached the true gospel. How many times have we seen people come down the altar, crying because they heard a sermon that hell is hot and "were trembling because he or she is going to be hurt in hell but they have no sense of the enormity of their guilt, no sense of the enormity of their crime, no sense of the enormity of their insult against Deity no sense of their rebellion against God, no sense of God's righteousness, of His holiness, of His justice, the justice of His wrath and anger" and some pastor or counselor who immediately leads that person to repeat Romans 10:9, and after they confess with their mouth, they are declared a Christian. That pastor or counselor, who probably abhors abortion, just aborted a new birth because that was not a new birth from above; it was humanism and it had nothing to do with the heart and spiritual condition but everything to do with their human condition of suffering.

Our churches are full of these “false conversions” and most will never change their life and cannot live by every Word that proceeds out of the mouth of God. God does not rule our pastors and the life of churchgoers because they have never been brought to a place of death so God can rule in their life and in our nation. That is why we have made a false religion, a sectarian sect, and we have reduced Christianity to going to a building on a certain day. That is also why their lives do not influence anyone or a nation to give God the glory.

We are making a huge spiritual mistake if we think we can revive this religious system and wrong mindset currently operating in America. Americans do not understand the sovereignty of a King. We live in a nation where we can criticize the President and voice our opinion or our private interpretation of the Word of God on Facebook. But this mindset is suicide for Christians. God is Sovereign and what He says is law and is to be obeyed. We have no opinions, or private interpretations of what He says in the Word. We are to obey it period!!! God is clear in the Word of God. Faith without works is dead. We are to read the Word of God and act on it. That is obedience. We are not to sit in our church buildings passively, and watch this world being destroyed and expect the rapture to deliver us out of here.

The church is given gifts to the Body to equip the saints for the work of ministry and for war. There is a war going on between good and evil and we are commanded to show up at the battlefield, wherever it is, with the full armor of God and His weapons – His Name, His power, and His authority to stand and resist the lies of Satan and anyone who exalts themselves against the Word of God in our culture. James 4:7, is plain as day, “Submit to God; resist the devil and he will flee from you.” God has defeated Satan at the cross and He has given us authority over all the works of the power of darkness. A warning: If you are not resisting Satan; he will overcome you as he has done to so many in America!!!

We must read the Book of Acts until we get their mindset. Our spiritual responsibility is to go into all the world, door to door, resist evil, make disciples, expose the unfruitful works of darkness. The work of God is not done in the church building but out in the culture in which we live. America has been captured by Satan and his hordes of demonic occult's and New World Order and the church in America has been captured by religion, false philosophy (Colossians 2:8) and false pastors and we must rid ourselves of these immediately.

Now I want to address the true, faithful Remnant of God in this nation. Our attitude today is to have more seminars, podcasts, gatherings to get to know each other better and to learn more about ourselves and what is going on in our nation. We are in a war against our nation. We are very close to the collapse of many parts of our nation – by design!!! Time is not on our side.

In 1964, I was on the USS SEGUNDO (SS-398) and we sailed into the war zone of Viet Nam. Everything on that boat changed. We weren't thinking of fellowship, getting to know each other better. We knew we were in a war zone and our mission was to keep that boat afloat and resisting the enemy as we were commanded.

Today in America, we are in a war zone. We have not taken the time to recognize our visitation. It is still religious business as usual – we are still having seminars, Bible studies, and fellowship meetings. We need to stop this now!!! We must lay battle plans to stand and resist this enemy in our nation. Our enemy is well organized and on the same page. The Remnant of God is not organized throughout America and we have no plan of resistance against our enemies.

God has the plan; the Remnant just needs to get in on it and implement God's plan. We have our orders and we have been given our weapons and now we need to implement God's plan of resistance of our enemies. Our enemies are committed to

destroying us, enslaving us and our children into bondage and even kill us!!!! They really “hate” the Bible and those who follow God!!! THAT IS WHY WE NEED AN ACTIVE GODLY RESISTANCE FORCE IN AMERICA!!!!!!

This is not the time to be a coward or fearful and try to save your life. Jesus is clear. In spiritual war there are no safe zones, no hiding places or playing it safe. Jesus said, “If you try to save your life you will lose it but if you lose your life for My sake, you will save it.” I don’t need to be hyped up or encouraged, or manipulated to obey Jesus Christ. I have the love for Jesus in my heart to do that and if that is not enough, I have the fear of God!!!

In the underground church in China, they operate with a spirit of resistance to the Chinese government. No pastor in China teaches the Hitlerian interpretation of Romans 13 as do many of the pastors of America. The Scriptures in Romans 13 are clear. We are to obey government. But when our government or any government requires that we participate in evil or anything contrary to Scriptures, we are not only not to obey the government, we are to resist. Most of the churches in America are failing to do this.

It is decision time for the Remnant in America. We have a faithful LORD and King and if we will meet Him on the battlefield, He will give us the victory against evil. We have work to do because one day we will stand before the King and answer to Him for what we did with what He gave to us. God bless, I remain His warrior and watchman, Glynn Adams
