

Have you ever seen a Muslim try to be a true American?

- Have you ever seen a Muslim hospital?
- Have you heard a Muslim orchestra?
- Have you seen a Muslim band march in a parade?
- Have you ever heard of a Muslim charity?
- Have you shaken hands with a Muslim Girl Scout?

The answer is no, you have not. Just ask yourself WHY ???

Barack Obama, during his Cairo speech, said: "I know, too, that Islam has always been a part of America's history."

Carlie Fiorina stated only a few weeks after 911, "there was once a civilization that was the greatest in all the world". Carly goes on to state, "I'm talking about what the Islamic world from the year 800 to 1600 was, which included the Ottoman Empire and the courts of Baghdad, Damascus and Cairo." I am seriously concerned in regard to what she considers "greatest" as Muslims have always killed and raped and not for the protection of others!

Were those Muslims that were in America when the Pilgrims first landed? Funny, I thought they were Native American Indians.

Were those Muslims that celebrated the first Thanksgiving? Sorry again, those were Pilgrims and Native American Indians.

Can you show me one Muslim signature on the: United States Constitution; Declaration of Independence; Bill of Rights; or Federalist Papers? I didn't think so.

Did Muslims fight for this country's freedom from England in the Revolutionary War? NO.

Did Muslims fight during the Civil War to free the slaves in

America? No, they did not.

In fact, Muslims to this day are still the largest traffickers in human slavery known to man.

Your own half-brother Mr. Obama, a devout Muslim, still advocates slavery himself, even though Muslims of Arabic descent refers to black Muslims as “pug nosed slaves.”

Says a lot of what the Muslim world really thinks of your family’s “rich Islamic heritage,” doesn’t it Mr. Obama?

You yourself Mr. Obama have shown us your loyalty to Muslims and if you are not one, than you certainly should be since you are definitely NOT an American.

Where were Muslims during the Civil Rights era of this country? Not present.

There are no pictures or media accounts of Muslims walking side by side with Martin Luther King, Jr. or helping to advance the cause of Civil Rights.

Where were Muslim’s during this country’s Woman’s Suffrage era? Again, not present.

✖ In fact, devout Muslims demand that women are subservient to men in the Islamic culture. So much so, that often they are beaten for not wearing the ‘hajib’ or for talking to a man who is not a direct family member or their husband.

Yep, the Muslims are all for women’s rights, aren’t they?

In fact, rights for Muslim women are so strong and protective, if a Muslim woman is raped she has to have 2 witnesses present to the rape and then they will still probably stone her to death because she has “embarrassed” the family – stolen their honor.

Where is the honor in their way of life? Why aren’t you

stoning the rapist? Because Muslims have no respect for women or children as they slaughter them daily.

I do suppose Muslim men feel it is an act of “honor” as they are raping and torturing woman to have them also site words from the Quran at the same time.

But let us not forget to “honor” the growing number of women in ISIS like Tashfeen Malik, the female San Bernardino shooter who lied to get into this country. How about Huma Abedin, Hillary’s “body woman”, all these years was working deep within our government to include the State Dept. was also an assistant editor for a publication called the *Journal of Muslim Minority Affairs*(JMMA) from 1996 until 2008.

Truth is the Journal of Muslim Minority Affairs is an Abedin family business. Huma’s late father, Dr. Zyed Abedin, was recruited by Abdullah Omar Naseef to run the JMMA in Saudi Arabia as Huma was recruited to run the U.S. branch.

Abdullah Omar Naseef is also the founder of the Institute of Muslim Minority Affairs (IMMA) and the secretary-general of the Muslim World League (MWL) which has long been the Muslim Brotherhood’s principal vehicle for the international propagation of Islamic supremacist ideology.” The MWL is also considered the mother of the International Islamic Relief Organization (IIR0) all Saudi government funded organizations.

And Mama – she currently lives in Saudi Arabia and runs the Journal for Muslim Minority Affairs as well as being a dean at a woman’s college there. There never has been a vetting done in regard to the connection between Huma, Clinton’s, Clinton Foundation and the Muslim Brotherhood.

Mr. Obama, where were Muslims on Sept. 11th, 2001? If they weren’t flying planes into the World Trade Center, the Pentagon or a field in Pennsylvania killing nearly 3,000 people on our own soil, they were rejoicing in the Middle

East. No one can dispute the pictures shown from all parts of the Muslim world celebrating on CNN, Fox News, MSNBC and other cable news network's that day. Strangely, how the very "moderate" Muslims who's butt's you bent over backwards to kiss in Cairo, Egypt on June 4th were stone cold silent post 9-11. To many Americans, their silence has meant approval for the acts of that day.

Lying is ok isn't it Mr. Obama as long as you are lying to gain your own agenda! Everyone around you lies and most have an agenda of their own. They can't stand you either but you serve a purpose for them.

Where were Muslims during World War II? Why they were aligned with Adolf Hitler. The Muslim grand mufti himself met with Adolf Hitler, reviewed the troops and accepted support from the Nazi's in killing Jews.

In fact, so strong was their support of Hitler, they had their own branch in Hitler's army. The Muslim Brotherhood was founded in Egypt in 1928 by Hassan al-Banna, a 22-year old Muslim who admired Adolf Hitler's hatred of the Jews and persistently wrote to Hitler to express his admiration for Hitler and his desire for collaboration with Hitler's Nazi Party.

✖ When Hitler rose to power, his Nazis supported al-Banna in growing the Muslim Brotherhood into its ally in the Middle East. By 1938, the membership of Muslim Brotherhood topped 200,000.

Hitler made a personal remark in 1939 in which he referred to the populace of the Middle East as "painted half-apes that ought to feel the whip". However, as with our elected officials today, the Nazis never allowed their ideological views to get in the way of more urgent political considerations.

So they used the Muslims to their own end. During World War II, members of the Muslim Brotherhood spied for Hitler's Nazis in the Middle East and fought for Hitler as Nazi troops in two specially formed Muslim Waffen-SS Handschar Divisions ('Handschar' is German for scimitar, the curved saber used by the Muslim troops of the Ottoman empire). Surmising that it did not yet have the muscle to spread Islam by force, the Muslim Brotherhood 'officially' renounced violence in the 1970s and adopted more cunning strategies detailed in its secret internal manifesto, "[The Project](#)." In 1979, Western powers supported the Muslim Brotherhood to form the Mujahedeen army and fight the Soviet army in Afghanistan.

Isn't it interesting in watching America change sides all the time as to whom they support using our tax dollars along with their lies to support the government's agenda?

You come to America professing to want to be American and yet you are silent in regard to the murdering acts of your brother and sister Muslims.

Are you afraid? You should be! Because to a radical Muslim, you are NOT supporting them in their effort to gain control of the world and should die as true Americans are.

And now we can add November 5, 2009 – the slaughter of American soldiers at Fort Hood by a Muslim major who is a doctor and a psychiatrist and was supposed to be counseling soldiers returning from battle in Iraq and Afghanistan. Now we feed, clothe and give this monster medical attention.

Also, don't forget the Boston Marathon bombing on April 15, 2013 which were done by 2 Muslim Brothers – two Muslim brothers that were living HERE in the home of their uncle who just happens to be the ex-son-in-law of one of our former CIA agents.

Islam is not a religion but an ideology. In the face of peace and love, Pope Francis and Rick Warren should and probably will go to hell on judgment day for stating Mohammad (Allah) is one and the same with our Christian Lord God.

In case you are not aware, God has never asked his followers to murder anyone just because they don't believe in him or follow his word. His message is for Christians to continue to try and "teach" them and be tolerant, but he is also very adamant about an "eye for an eye" and to hurt one of his children is an abomination unto Him!

And THAT, Mr. Obama, is the "rich heritage" Muslims have here in America along with the safety of the White House halls and different offices to which they have been assigned.

Oh, I'm sorry; I forgot to mention the Barbary Pirates. They were Muslims.

That, Mr. Obama is the "Muslim heritage" in America

EVERY AMERICAN AND CANADIAN MUST READ THIS!! Be sure to SEND IT TO ALL.

Muslim Heritage, my read end. And if you don't share this message, you are part of the problem!

So Mr. Obama as you leave office I and many Americans would appreciate it if you let OUR door of liberty hit you on your butt (I am being a lady here) on your way out of our country. A good many of us are very aware you now want to step into the "God" position as the head of the United Nations. That move in fact, might be a good one for the world if you continue on your current road to destruction of everything. "It's all about me" doesn't work except of course unless you are lying, cheating and manipulating which is clearly entrenched on your bio.

Clearly, Mr. Obama, your responses to those who oppose your criminal methods by name calling "anti-Muslim, Islamaphob', irrational, partisan, churchy, fake, hypocritical) is not the way to win friends, but that has not bothered you because your high flying ego will not let it.

Poor Barack Obama or whatever his name is such a crybaby – everyone picks on him. Well, your deceit and that of others has been uncovered. Your whole life has been a lie and Americans wonder if you know who or what you really are?

Maybe it will be a good thing for you to move on to your next dream as the head of the United Nations – then the whole world can really watch you and watching we will be doing.
