

How the Politician Criminals Fleece Americans

By Karen Schoen

April 29, 2023

I knew when I was teaching as I watched the standards getting lower and the books providing less education that the results would be devastating. Well today we see those results and yes they are devastating. If the Globalists/Communist/Democrats/RINOS/ELITE/Fascists had their way we will be dead, after they finish experimenting with us. Right now I feel like we are playing chicken. Whereby the Biden administration of incompetence requests something so ridiculous just to see how far they can go to get us to comply. Don't fall in the trap. Be prepared, polite and ask questions. Remember, they lie all the time. When they have no facts, they call you names. Usually you will be called a racist. I ask them to give me an example of an action where i was racist. They can't find one.

Making an example of us brings them lots of cash for the cause – Owning and controlling all means of production and distribution of everything. Destroy America and enforcing Communist Chinese policies. We will all be equal in poverty.

This is an example of how the politician criminals fleece Americans.

A non-governmental organization (NGO) founded by former Presidents Bill Clinton, George W. Bush, Barack Obama and

backed by a litany of multinational corporations are teaming up with American Express to [fly migrants into the United States](#). This is the same group that managed the \$3 Billion collected by taxpayers to help the people of Haiti. The unaccounted for money never made it to Haiti. The sending companies are cleaning out their prisons and mental institutions by sending those criminals into America's interior cities. How can I murder you, let me count the ways...

It is the same thing with abortion. Did anyone ever ask "what is an abortion?" According to 18 U.S. Code § 1841 – Protection of unborn children This law calls the unborn, CHILDREN

If a criminal kills a pregnant woman they get charged with 2 crimes.

Abortion calls the same unborn a fetus and abortion killing the fetus is fine.

According to US Code 18 abortion is murder.

Lets call abortion what it is...murder of babies. Stop being nice.

Question: How according to Code 18, is abortion allowed?

Clinics and Doctors are committing murder.

How can I murder you, let me count the ways...

To make matters worse the Biden Administration is allowing millions of unvaxed illegals many with criminal pasts into America to replace us. A new group from poor countries will be happy with crumbs, and will drive down wages. Now Americans will lose everything again and face the risk of illness.. PREPARE. Depressed people commit suicide, drink, take drugs and commit crimes. They are on a crash course to destroy and demoralize Americans so they can move in and take over. How can I murder you, let me count the ways...

Did you hear about the UN report that [declares pedophilia is a Human Right](#).

The schools will be the perfect place to promote this. Biden said he will not protect girls sports. this is part of their desire to erase women. So I would ask, can a woman get an enlarged prostate? Erectile dysfunction? Can a man provide breast milk? Can a man get ovarian cancer? Let's kill their spirit, maybe they will get depressed and commit suicide. No my child you are not god. You can't change your sex from what G-D has given you. How can I murder you, let me count the ways...

The disgrace that we call our military is evidence that the education has failed dramatically especially in the common sense area. The skill set that our leaders have is almost unrecognizable. How can I say that you ask? Did you listen to General Millie? He went to Congress and is advocating for electric tanks. What a moron. What a supreme waste of taxpayer dollars. How/where will they be charged? listening to that idiot speak, how did he become a general? How did he become in charge of anything military? And they're surprised that no one wants to join the military? After all Climate change is way ahead of national security and safety. How can I murder you, let me count the ways...

The illegals will flood our schools. Classes will be over crowded. Get your kids out of government indoctrination clinics where all they will learn is to hate and be groomed to be some pedophile's toy. Illegal immigration and immigration are a big issue as they will change the face of America in the image Obama wanted when he said he would transform America and make it a lot browner. How can I murder you, let me count the ways...

Remember: Everything is connected. Nothing is random, Everyone follows the same plan. ALL PLANS ARE BASED ON LIES.

Globalists only care about MONEY, POWER and CONTROL
