

If You Are Confused, Remember, The Lord Is Not The Author

Recently, I had a friend send a video to me that made a lot of sense in this confused world of ours. Of course, the reason is that Scripture warned of the very things that are now happening worldwide.

Isaiah 5:20 tells us, "Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter!"

Because the people have failed to adhere to the warning signs that the Lord has faithfully given (Psalm 19:11), the people are now somehow confused, though He is not the author of confusion (1 Corinthians 14:33).

If you want to understand why the world is so confused, it is simply that the people in this country have wickedly departed from their God and His Word, and that to their demise (Psalm 9:16-17).

Furthermore, it is all brought to you by a corrupt system of men (that the American people fail to lawfully deal with; Isaiah 26:9) that would have it so.

So, let me share the content of what my friend had sent me.

"I never dreamed that I would have to face the prospect of not

living in the United States of America, at least not the one I've known all my life.

I've never wished to live anywhere else. This is my home and I was privileged to be born here, but today I woke up and as I had my morning coffee, I realized that everything is about to change no matter how I vote, no matter what I say. Something evil has invaded our nation, and our lives are never going to be the same. I've been confused by the hostility of family and friends, as I look at people that I've known all my life, who are so hate-filled that they agree with opinions they would never express on their own. I think I may have well entered the twilight zone.

You have become a nation that has lost its collective mind. You can't justify this insanity. If a guy pretends to be a woman, you're required to pretend with him (Which has completely backfired). Somehow, it's un-American for the census to count how many Americans are in America. Yet, Russians influencing our elections are bad but illegals voting in our elections are good.

We were told by the Mockingbird media that it was cool for the current corrupt president to blackmail the president of Ukraine but it's an impeachable offense if his political opposition inquires about it.

We're led to believe that 20 is too young to drink a beer but 18 is old enough to vote. People who've never owned slaves should pay slavery reparations to people who have never been slaves.

People who have never been to college pay the debts of college students who took out huge loans for their degrees. Immigrants with tuberculosis and polio are welcome but you better be able to prove your dog is vaccinated.

Irish doctors and German engineers who want to immigrate to the US must go through a rigorous vetting process but any

illiterate gangbangers who jumped the southern fence are welcome.

\$5 billion for border security is too expensive but \$1.5 trillion for free health care is not.

If you cheat to get into college you go to prison, but if you cheat to get into the country, you go to college for free.

People who say there is no such thing as gender are demanding a female president.

We see other countries going socialist and collapsing but it seems like a great plan to us.

Some people are held responsible for things that happened before they were born and other people are not held responsible for what they're doing right now.

Criminals are caught and released to hurt more people, but stopping them is bad because it's a violation of their rights, and pointing out all this hypocrisy somehow makes us racist.

Nothing makes sense anymore, no values, no morals and no civility.

People are dying of a Chinese virus but it's racist to refer to it as Chinese, even though it began in China.

We're clearly living in an upside-down world where right is wrong and wrong is right, where moral is immoral and immoral is moral, where good is evil and evil is good, where killing murderers is wrong but killing unborn babies is OK."

Wake up America, the great unsinkable ship the "Titanic" America has hit an iceberg and is taking on water and is sinking fast. Speak up! Read Leviticus 26:15-43 and Deuteronomy 28:15-63.
