Been Installed To Attack – This Video Speaks Loud & Clear

“Ilhan Omar and her family weren’t fleeing oppression. They were fleeing justice.”

One of the things that we all see with the likes of Ilhan Omar is that she has been installed by the CIA to subvert and to destabilize in order to do the very things that she has been guilty of doing.

She continuously attacks the people of this country while playing the victim (Revelation 12:10).

She claims to be a refugee fleeing her country of Somalia in coming here to America, which granted her asylum, only to then turn and attack the same people and government that helped her, or at least that is what she said.

What if I told you that she was not a refugee fleeing oppression, but rather she was fleeing justice for the crimes that her family was responsible for committing against Somalians (Luke 12:2?
