

Ilhan Omar, Jihadi Squad Islamic Socialist

Capitalists will sell us the rope with which we will hang them. –Vladimir Lenin

Contrary to popular misconception, Islam does not mean peace but rather means submission to the commands of Allah alone. Therefore, Muslims do not believe in the concept of freedom of expression, as their speech and actions are determined by divine revelation and not based on people's desires. –Anjem Choudary, British Islamist and socialist activist

I am convinced Socialism is the only answer and I urge all comrades to take this struggle to a victorious conclusion. Only this will free us from the chains of bigotry and exploitation. –Malala Yousafzai, Pakistani Muslim and Nobel Prize winner

Accuse the other side of that which you are guilty. –Joseph Goebbels, Nazi Propaganda Minister

Though Ilhan Omar and Rashida Tlaib took an oath to uphold the U.S. Constitution when they became members of Congress, their goal is to institute both sharia law and democratic socialism, neither of which are compatible with the Constitution and is anathema to their oaths of office.

Omar and Tlaib refused to place their hands on the Bible whose laws are incorporated into our Constitution; they were [sworn in on the Quran.](#) When John F. Kennedy ran for the presidency, he assured the people his allegiance was to the Constitution, not the papacy. We have had no assurance from Omar or Tlaib regarding their fidelity to the Constitution over Islam.

Our Founding Fathers were men who knew and studied scripture. Their lives were wrapped in God's Word; it was the chief

source of their education. They relied on the Bible and philosophers whose own works and commentaries also relied on Holy Scripture. Scripture is what all laws are to be based upon, not the Quran.

None of the four jihadi Janes represent our Republic. They are dangerous zealots.

Ilhan Omar

Just as Saikat Chakrabarti's [Brand New Congress](#) (BNC) and [Justice Democrats](#) (JD) were major supporters of AOC, they also supported Ilhan Omar. [Here is the list](#) of JD candidates for 2020.

Ilhan Omar ran for the 5th Congressional District seat in Minnesota, formerly held by Muslim Keith Ellison. The 5th district is home to 100,000 Somalis, the [terrorist recruiting capital of the U.S.](#) Her campaign was supported by [Our Revolution](#) (closely affiliated with [Bernie Sanders](#)) and the [Hamas](#)-linked [Council on American-Islamic Relations](#) (CAIR), which [held](#) three fundraising events on Omar's behalf in distant southern California.

Like her jihadi Jane sisters, she promotes the [Green New Deal](#), (which is nothing more than [U.N. Agenda 2030](#) on steroids), Medicare for all, tuition-free colleges, limits to the Second Amendment, the dissolution of Immigration and Customs Enforcement (ICE) and the Department of Homeland Security (DHS) along with open borders, murder of unborn babies up to and after birth, high taxes on corporations, steep cuts in

defense spending, and a [90% tax rate for the wealthy](#).

Speaker Pelosi has [appointed Ilhan Omar](#) to the [House Foreign Affairs Committee](#), the [Education and Labor Committee](#), and the [House Committee on the Budget](#).

Somalia born Omar graduated from North Dakota State University, where she joined the campus [Muslim Students Association](#) and eventually earned a degree in Political Science and International Studies.

Omar has served variously as an Advisory Board member for [CAIR](#)-Minnesota, Vice President of the Minneapolis [NAACP](#), a Sister Planet Ambassador for [Oxfam](#) (International relief organization that condemns Israeli defensive measures against terrorism, and supports boycotts of Israeli products), a Board member of the Legal Rights Center, which provides criminal defense and justice services in particular to people of color, and the Director of Policy & Initiatives at the [Women Organizing Women Network](#) (inspires Somali women to get involved in the political process, a subgroup of [Headwaters Foundation for Justice](#)).

In 2017, Omar was one of only two Minnesota House members (out of 129) to vote against a bill to allow life-insurance companies to deny payouts to the beneficiaries of people who died while committing acts of terrorism.

That same year, she was one of just four House members to [oppose](#) legislation that would make it a felony for parents to subject their daughters to female genital mutilation, a common practice in some Muslim cultures.

Both Omar and Tlaib belong to extremist mosques and rub shoulders with those who wish to annihilate the Jewish State.

Their goal is to normalize anti-Jewish and anti-Israel sentiment throughout America. Omar has come out in strong support for all forms of boycotts against Israel, but she can't seem to do it without the start-up nation's incredible tech innovations. Ban Lifted for Omar

A 181-year ban on head coverings in Congress was [lifted to allow this jihadi Jane to wear her hijab in Congress](#). The rules package was passed by 234 to 197, and this was the beginning of the Islamic sharia makeover of America's Judeo-Christian culture. Omar admits that she didn't always wear her hijab; it wasn't until after the attack on America by Islamic extremists on 9/11, that she chose to wear her hijab to make a statement. The [hijab is a symbol](#) and it is a symbol of the fact that the woman wearing it is fully committed to the sharia. It is a symbol that says to infidels that they are kafirs. Kafir is an Arabic term meaning "infidel."

The only Omar photo without her hijab is a mugshot after being [arrested in 2013 for trespassing](#) and booked at Hennepin County Jail "to prevent further criminal conduct."

Ethics Charges Filed

Now that Judicial Watch and Michigan State Representative Steve Drazkowski have filed [ethics charges against Ilhan Omar](#) for immigration fraud (using an unrelated family's name), a bigamous marriage with her brother so he could obtain American citizenship, corrupt campaign financing and student loan

fraud, she now has filed for divorce from the father of her three children. The controversial Congresswoman has a lengthy record of utter contempt for the rule of law, of which she is now ostensibly a guardian.

Omar first married Ahmed Hirsi only in an Islamic ceremony in 2002 when she was 19, but six years later they “reached an impasse in our life together,” and separated. In 2009, [Omar married Ahmed Nur Said Elmi](#), a British citizen, who has been identified as [her brother](#). Omar had a third child with Hirsi in 2012, even though she was still legally married to Elmi – who she divorced in 2017 and then legally married Hirsi in 2018.

Questions surfaced again this month in a state probe of campaign finance violations showing that [Omar filed taxes with her Islamic husband Ahmed Hirsi in 2014-2015](#), while she was still legally married to but separated from Elmi. She has declined to make her tax and immigration records available, but no one is demanding she produce them.

Her Real Name

David Steinberg published an [extensive report](#) on the alleged crimes and history of Rep. Ilhan Omar and the “Omar” family. In his report David found that the Omar family changed their name in order to enter the United States.

In 1995, Ilhan entered the United States as a fraudulent member of the “Omar” family. That is not her family. The Omar family is a second, unrelated family which was being granted asylum by the United States. The Omars allowed Ilhan, her genetic sister Sahra, and her genetic father Nur Said to use false names to apply for asylum as members of the Omar family. Ilhan’s genetic family split up at this time. The above three received asylum in the United States, while Ilhan’s three other siblings – using their real names – managed to get asylum in the United Kingdom.

Ilhan Abdullahi Omar's name, before applying for asylum, was [Ilhan Nur Said Elmi](#).

Her father's name before applying for asylum was Nur Said Elmi Mohamed. Her sister Sahra Noor's name before applying for asylum was Sahra Nur Said Elmi. Her three siblings who were granted asylum by the United Kingdom are Leila Nur Said Elmi, Mohamed Nur Said Elmi, and Ahmed Nur Said Elmi.

On October 22, 2008, the U.S. State Department [stopped accepting applications for the Priority 3/Refugee Family Reunification program](#) – the process by which refugees can apply for asylum if one family member is already a legal U.S. resident. State halted the program because DNA testing – primarily of Somalis – had concluded that perhaps [87 percent of applicants were fraudulently claiming family relationships](#).

Steinberg has also [exposed Omar supporters](#) who were caught threatening and attempting “to dox a Somali whistle blower” who revealed Ilhan's crimes.

Ilhan's Father, Top Propagandist in Somalia

Omar's father was the [top propaganda official in the genocidal Barre Regime](#), thus the reason for changing his name in order to enter the U.S. illegally. When he immigrated to America,

he claimed he was a “teacher trainer.” A teacher trainer in any revolutionary communist regime is the political commissar who trains teachers in the government-run school systems to impose the Qur’anic-Marxist-Leninist-Maoist-Mussolini hybrid of the Barre Regime. Nur Omar Mohamed (aka Nur Said Elmi Mohamed), father of Ilhan Omar, was one of those indoctrinators under the bloody Marxist Islamic dictator, Siad Barre who was in power when hundreds of thousands of Somali people were massacred.

Somalian dictator Mohammed Siad Barre, whom the Omar family served.

When the Barre regime collapsed in 1991, the country was plunged into civil war, regime loyalists like Nur Omar Mohamed were not safe. The family fled to Kenya, and then to the U.S. in 1995.

While some critics claim that Omar’s family migrated illegally to the U.S. because they did not disclose that they were communists, the Center for Security Policy claims that Congress, at the urging of the Clinton administration, abolished the law requiring that would-be immigrants declare whether they had belonged to a foreign Communist party. The Omar family was able to move to America without that important element of screening.

Jihadi Jane Ilhan Omar personifies the [Red-Green Axis](#): an ideological and political combination of Marxism-Leninism and Islamism mixed with the technology of eco socialism. She was raised in it. The [Red-Green Axis is strategic](#), as well as opportunistic. The Council on American Islamic Relations (CAIR) now supports Black Lives Matter (BLM) and participates in its protests. The American Civil Liberties Union (ACLU) and the Southern Poverty Law Center (SPLC) also work with BLM, CAIR, and open borders groups. Ilhan Omar has deflected any questions about violence from Antifa.

Omar interpreted for her grandfather, a Siad Barre servant, at political meetings. In high school, she became active in student politics. From there, the Red-Green Axis import from Somalia, put down her own political roots, became a community organizer, and laid her path to the United States Congress. Upon taking office in the U.S. House, she promptly joined the [Congressional Black Caucus](#) and the [Congressional Progressive Caucus](#).

Omar has never been critical of the Siad Barre regime or the horrors it inflicted during her childhood in Somalia. Her father is [not the only Somali war criminal](#) who immigrated to America illegally.

Yusuf Abdi Ali is a convicted war criminal who did the killing himself. Ali has been [located in the US working as security](#) at Dulles International Airport and driving for Uber in 2019. He reportedly lived at one time in Alexandria, Virginia. Ali was a Colonel in the Somalian Army's 5th Mechanized Brigade in 1987 and was a graduate of the Pentagon's Program for Foreign Officers in 1986. He's also a war criminal in [response to his actions in Somalia](#).

Conclusion

There is a [Red-Green Alliance of Islamists and the "regressive" left](#). It is a racist war against American Jewry, the American-Israel Alliance, and the foundations of America's Republic. The Jihad squad fully encompasses this hatred, yet they use the "race card" against any and all enemies who go against them. When our President wanted to stop immigration

from terrorist countries, Omar said, "This ban on refugees is rooted in racism and Islamophobia."

The left arm of the Democrat Party, the mainstream media, continually screams racism against our President. The jihadi squad and their democrat comrades scream "white privilege," which is equally racist in its tone because it stereotypes all whites, (something black people have long railed against when it comes to people of color) as over-privileged and undeserving of what they have, and this leaves them ripe for humiliation and white discrimination.

Just like Mandela's apartheid plan in South Africa, the jihad squad plan is as old as the snake in the garden. The armed struggle Mandela led was not to give every South African an equal opportunity to enjoy the fruits of liberty. It was a will-to-power struggle to give the Communists dominion over the country. White farmers and their families are murdered daily by Mandela's communist black rogues.

Mandela was the head of the Marxist African National Congress just as these four jihadi Janes are now the head of America's Democrat Party.
