Aliens Texas Selling Out GOP

[Rape & Betrayal by the GOP: Let Me Count the Ways](#) is a column I wrote, Dec. 16, 2014. Tragically, I was right.

Tomorrow: [Border Patrol clears way for more migrant releases to city streets, sources say: 'The dam is about to break'](#), May 9, 2023 – “The consequence of this decision is that migrants will be mass released at bus stops, gas stations, supermarkets and in towns and cities across the border as Customs and Border Protection facilities are already over capacity in multiple sectors, according to CBP sources who were not authorized to speak publicly.

“NGOs are quickly approaching their limits to house migrants and tens of thousands more migrants are expected to surge into the United States once the Title 42 public health order is lifted on May 11...

“The mass releases will only happen if NGOs run out of space, but officials believe that is likely. Officials have made 26,000 apprehensions and seen over 7,000 “gotaways” in just 72 hours, according to Border Patrol.”

America: Tomorrow will be the beginning of hell most can't imagine or don't want to think about. Turning America into a third-world hell hole continues. I covered it fully in my last column, [#Boycott Everything Mexico](#)

[“F*ck You Americans!” – Illegal Aliens Trash Talk News Reporters in Heated Exchange in El Paso, TX \(VIDEO\) \(35,000 of them at that entry point waiting until tomorrow with more on the way – about 12,000 per day.\)](#)

[Texas Gov. Greg Abbott invokes constitutional ‘invasion clause’ amid immigration crisis](#), Nov. 15, 2022 – “I invoked the Invasion Clauses of the U.S. & Texas Constitutions to fully authorize Texas to take unprecedented measures to defend our state against an invasion,” Abbott announced via social media Tuesday.

“The “invasion clause” referenced by Abbott refers to Article IV, Section 4 of the U.S. Constitution, which states the U.S. “shall guarantee every state in this Union a republican form of government and shall protect each of them against invasion.” And, what? Biden is going to send 50,000 active-duty military to rescue the day?

Wrong section of the U.S. Constitution, Greg. Try Art. 1, Sec. 10, Clause 3: “No state shall, without the consent of Congress, lay any duty of tonnage, keep troops, or ships of war in time of peace, enter into any agreement or compact with another state, or with a foreign power, or **engage in war, unless actually invaded, or in such imminent danger as will not admit of delay.**”

This IS an invasion. The 1,500 U.S. military sent by brain gone, Biden, are for paper pushing, NOT enforcement. **Our republic, not just Texas is in imminent danger.**

Texas Statutes, Greg:

[GOVERNMENT CODE](#)

TITLE 4. EXECUTIVE BRANCH, SUBTITLE C. STATE MILITARY FORCES AND VETERANS, CHAPTER 431. **STATE MILITIA**, SUBCHAPTER A. GENERAL PROVISIONS

Sec. 431.071. MILITARY DUTY. (a) The **reserve militia** is not subject to active military duty, except that the governor may call into service the portion of the reserve militia needed for the period required in case of war, insurrection, **invasion or prevention of invasion**, suppression of riot, tumult, or breach of peace or to aid civil officers to execute law or serve process.

(b) The governor may assign members of the **reserve militia** who are called into service to existing organizations of the state military forces or organize them as circumstances require. Acts 1987, 70th Leg., ch. 147, Sec. 1, eff. Sept. 1, 1987.

Gov. Abbott is putting Band Aids on a patient hemorrhaging to death on the operating table. He must 'call into service' our State Reserve Militia and believe me, there are plenty of well-trained, well-armed retired military and law enforcement who will be happy to serve. Who want to get on the border right away to assist the National Guard and DPS.

Texas Republicans working to keep border open – our legislature. GOP screwing us, again.

[Here is a must watch interview with Lara Logan, 10 minutes.](#)

For those unfamiliar with Lara, she is a very good investigative journalist.

Lara Logan, Texas Republican Politicians Working Against Border Security, May 8, 2023

“Logan notes that Texas republican politicians are actively working to keep the border open with migration flows controlled but not stopped. As CTH has long documented, illegal mass immigration is a policy that both wings of the

UniParty support.

“Logan reports that Texas republicans, the Bush wing of the professional republican apparatus that controls Texas politics, recently blocked a state border security effort in order to keep the immigration flow in place. This is a remarkable interview with details to support the baseline as discussed.”

Here’s the bill she discusses. [HB 20 Texas Legislature – House side, GOP controlled.](#)

[Summary page](#)

[Lara directs people to Texas GOP Vote.com](#)

On that site is more lies: the bogus bull manure about 11 million illegals – a number first used back in 2007. I know because I wrote columns on it back then. Is the author stupid or deliberately deceitful? 6 MILLION have crossed the border just since brain gone, Biden, has occupied the WH. More accurate is 35-40 million.

This is more rewarding illegals for violating our immigration laws (take out legal seasonal workers because that’s a different challenge easily solved) but **all in the plan to erase our border and eventually, merge Canada, US and Mexico into one of the regions for world government.**

[Texas GOP Vote page](#): How to Fix the Broken Immigration System (Emphasis mine)

“The best way to fix the broken immigration system involves bipartisan legislating of three main policies: improving border security, adjusting legal immigration to allow for the entry of needed workers, and creating a method for unauthorized immigrants who are already here to earn legal status.

“Border security is necessary for any attempt to pass

immigration legislation. Republican lawmakers have made that clear. The federal government should have operational control over our border and who and what is coming into our nation. **What Republican lawmakers have not made clear is what defines a secure border...** (Note: What rot.)

“Another way to help secure the border and prevent illegal immigration is to create legal and **viable methods of entry for some of the people who are coming illegally.**”

We need to make that interview Lara go viral everywhere. **The backlash against Republicans in our legislature and Abbott should be loud and relentless.** This just makes me sick.

Please call or email Gov. Greg Abbott, keep calling and emailing, even if you don't live in Texas because **this catastrophe affects ALL Americans.** Tell him: to 'call into service' the Texas Reserve Militia, Texas Government Code, Title 4, Subtitle C, Chapter 431, State Militia, Subchapter A. General Provisions.

Easy to do, takes but a minute and right to the point. Raise hell with your state rep and senator here in Texas (no threats). Try to get your county sheriff to have bus stops surveilled to turn away buses of illegals. Go back to where you came from.
