

Impeach The Enemy Within, For Treason

George Lujack

treason: the crime of betraying one's country, especially by attempting to kill the sovereign *or overthrow the government*.

The impeachment investigation into President Donald J. Trump's alleged quid pro quo conversation with Ukrainian President Volodymyr Zelensky is beyond the theatre of the absurd. The continued harassment and ongoing defamation against the 45th president of the United States are acts of harassment, obstruction, and treason. Democrats and the liberal mainstream fake news media have been on a perpetual witch hunt to overthrow the duly elected POTUS and their credibility has reached new lows. If the United States is to remain a republic, the Democrat Party and their liberal propaganda media puppets must be stopped and held criminally accountable for libel, slander, and in some cases for treason.

Can someone please tell me why the Democrats and their media lapdogs are opening hearings to impeach President Trump, for blackmailing Ukraine, without any evidence of said act occurring, except for the refuted [lying testimony](#) of Adam Schiff, while there is a [SMOKING GUN](#) of then Vice President Joe Biden shaking down Ukrainian officials for a billion dollars if they

didn't fire a prosecutor investigating Biden's son's company for corruption? Why is Fox News letting the leftist propaganda media create the narrative? Why isn't Fox News repeatedly playing the tape of Joe Biden shaking down Ukraine? Why did it take a [campaign ad](#) by the Trump campaign to show the hypocrisy of the Democrat Party and the liberal propaganda media? Why is Joe Biden still a Democrat candidate for POTUS?

Can you imagine the hypocritical irony if President Trump was impeached and removed from office for blackmail, and actual [caught on tape](#) blackmailer Joe Biden was sworn in as POTUS?

Ukraine president: "[No blackmail](#) in conversation with Trump."
"I wanted to be [world famous](#), but not this way."

Since the dawn of the unlawful Obama administration, many Americans have begun to trust the word of foreign leaders and international media above their own. And rightfully so. Democrat politicians, RINOs, and the biased liberal fake news media won't stop lying to the American people.

Then came along Donald J. Trump, a straight talking businessman who made history by becoming the 45th president of the United States. Hope was restored to the nation, as President Trump kept his word and

delivered on his campaign promises.

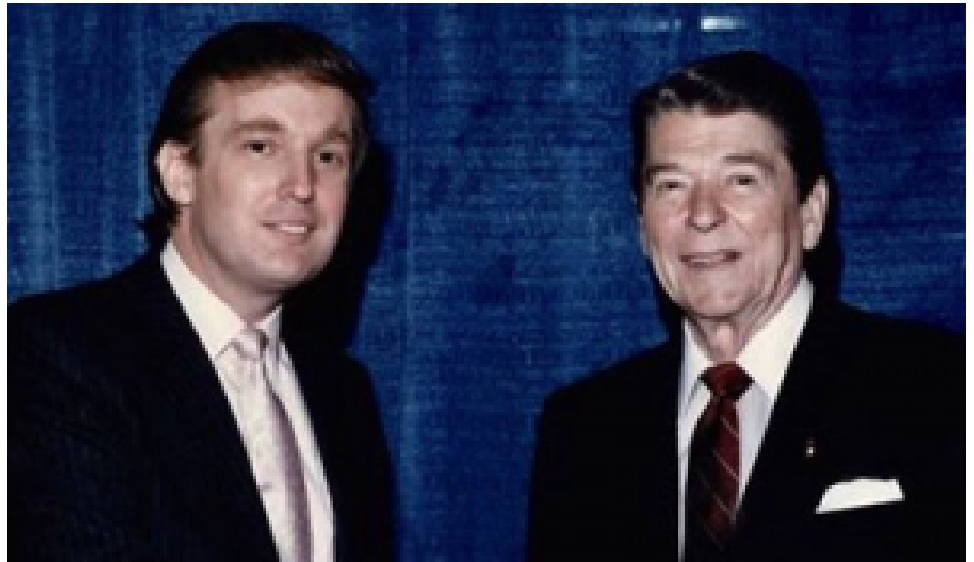

But the Deep State swamp was not pleased.

“Our Constitution was made *only* for a moral and religious People. It is wholly inadequate to the government of any other.” – John Adams, 2nd President of the United States, 11 October 1798

“You shall not bear false witness against your neighbor.” (9th Commandment: Exodus 20:16, Deuteronomy 5:20, Matthew 19:18, Mark 10:19, Luke 18:20, Romans 13:9)

Our government is inadequately dealing with Democrat Party and fake news media liars, libelers, and flat out corrupt criminals, who have no qualms whatsoever about shamelessly bearing false witness against President Trump, his appointments (Judge Kavanaugh), and the Constitution itself. Many Democrats (Joe Biden) are guilty of the very thing they are accusing President Trump of being guilty of. Yeshua Messiah (Jesus Christ) called many corrupt religious leaders of His time hypocrites, but let me tell you, the scribes and Pharisees of Jesus’ time ain’t got nothing on the modern Democrat Party!

It is time our government did take action against the slanderers, perjurers, libelers, and corruption. Half of House Republicans have backed

a [resolution](#) to censure House Intelligence Committee chairman Adam Schiff (D-CA) for fabricating a conversation between President Donald Trump and Ukrainian President Volodymyr Zelensky. Half? It would be nice to see Republicans united with some backbone and a moral spine! Trump's personal lawyer Rudy Giuliani has got the [evidence](#) on Biden's crimes and has stated that he wants to [sue](#) Congress.

Good start, but Congressional Democrats laugh at court, as the courts rarely hold them accountable for anything they do.

President Trump is [permitted](#) to request assistance from foreign leaders on matters of corruption, in the investigation and prosecution of crimes, according to a 1999 [treaty](#) signed by impeached President Bill Clinton.

What the Democrat Party and their Democrat propaganda media are trying to do to President Trump for uncovering corruption on the Bidens (father and son) is what they have done to whistleblowers of real criminal activity. If they cannot assassinate President Trump, they are going to try to *assange* him. That is, they are going to try to criminalize President Trump, as they did Julian Assange, for revealing the corruption of Democrat politicians.

Objective investigative journalism in America is dead. Woodward and Bernstein would be charged with criminal activity today, for uncovering corruption, as they did in their Watergate investigation of the Nixon administration. Oh wait... Nixon was a Republican, so I suppose Woodward and Bernstein would be in the clear.

It may be time for President Trump to seriously consider using his power as president, as Abraham Lincoln once did, to begin suing people for libel and arresting people for perjury and treason.

President Trump has the moral high ground and he has always been a fighter. He will not sit idly by and allow a socialist-communist coup d'etat overthrow of his presidency to occur. As President Trump has said, "They're not really after me, they're after you. I'm just in their way."

"Freedom is never more than one generation away from extinction. We didn't pass it to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same." – Ronald Reagan, 40th President of the United States

We the People must also rise up, stand, and defend our president, Donald J. Trump, and fight for our freedoms, our rights, and defeat [the enemy within](#).
