

Is Anyone Else Homo-Nauseous?

Is Anyone Else Homo-Nauseous?

Editor note. This commentary was originally written in 2007. Last week I attended the homo parade in Columbus, Ohio and felt it was appropriate to republish it. These deviants are on the verge of ruling America.

Warning: Commentary is not politically correct.

I'm sick of it. I really am.

I'm not homo-phobic. I'm not homo-hateful. I'm not homo-latent. **I'm homo-nauseous.** I really couldn't care less where a man desires to put his sexual appendage.

But I'm sick of hearing about it. I'm sick of talking about it. I'm sick of it being force fed to me on TV.

[Check out these pictures.](#)

In all of my life I have never seen such deviancy so openly celebrated. They are deviant, you know? No matter how many names they will try and call me, no matter how many sensitivity classes they try and send me to, no matter how much tolerance they try and cram down my throat (sorry), the fact remains homosexuals are deviant.

[Deviant](#)—*One that differs from a norm, especially a person whose behavior and attitudes differ from accepted social standards.*

Homosexual behavior is a deviant lifestyle. Everyone knows that. So in order to make themselves look normal the homosexual movement is doing everything that it can to change social standards. They can't feel good about themselves, so they must make sure WE feel good about them.

Well, I'm sick of it. I'm homo-nauseous. The homo-sexual movement is making me sick.

I understand what I am opening up myself to. It happens every time I take on this subject. My emails will be flooded by those who are concerned that I must secretly be battling homo-feelings, that I need to get-over my homo-phobia, and that Jesus would not be so judgmental. And that is just from the Christians. You couldn't stomach what the sodomites say about me. Hey, I'm used to it. It comes with the turf.

But I thought the homosexuals were just like everyone else and that all they wanted was to be free to live their lives in peace. If that is the case, why won't they stop identifying themselves by what they do in the privacy of their bedroom? Why are they so intent on making me accept their deviancy? Why are they [trying to indoctrinate 6-year-olds](#) into their perversion?

I'm sick of it. Take your behavior into your house and leave us alone.

They're everywhere, these norm changers. [They are perverted](#). (I'm sure that makes all of you nervous as well.) But interestingly enough, perverted shows up in the dictionary as a synonym for deviant.

[Perversion](#)—*a person whose behavior deviates from what is acceptable **especially in sexual behavior**.*

That is straight out of the dictionary. It is not a right-wing, fundamentalist version of the word. It is what the word "perverted" means. The homosexual lives a deviant, perverted lifestyle. The dictionary says so. Don't blame me. Words have meaning.

Here is what their godfather Alfred Kinsey wrote. *"Perversions are defined as unnatural acts, acts contrary to nature, bestial, abominable, and detestable. Such laws are interpretable only in accordance with the ancient tradition of the English common law which ... is committed to the doctrine that **no sexual activity is justifiable unless its objective is procreation.**"* [A.C. Kinsey, et.al., *"Sexual Behavior in the Human Male,"* 1948]

Their behavior and actions are perverted and deviant. Go ahead, call me hateful. I'm only defining the words. What they do can never be normal, so they must change the meaning of normal. They must alter societal standards.

Have you been watching?

They take their lifestyle to the streets to celebrate [their debauchery](#) (which I suppose is a harsh word too unless you read the definition.) *Excessive indulgence in sensual pleasures; intemperance.*

Look at [these pictures](#) (**Warning:** Graphic debauchery. May make you homo-nauseous) of the normal gay lifestyle.

Their behavior is [costing billions](#) in medical care.

Look at this [educational material](#) they are force-feeding public-school kids. [They attack anyone who disagrees with their debauchery.](#) Remember, they must change societal standards to accept their debaucherous, perverted, deviant, lifestyle. ***They can't change their behavior so they must force you to change yours.***

The government promotes it. The schools promote it. TV and films are awash with homo-stars. Churches are embracing it.

Homosexual activists are the real [fascists](#). They are determined to control what you think, believe, and say. They hate free speech. They will do all they can to silence men

like me.

Well, I'm sick of it. Leave me alone. Leave our children alone, leave our schools alone, and leave our culture alone.

What is wrong with the Church? Can't they see what is happening to America? Can't they see what is happening to our children? Can't they see that the rug is being pulled out from under them?

[Isaiah 1:4](#) *Ah sinful nation, a people laden with iniquity, a seed of evildoers, children that are corrupters: they have forsaken the LORD, they have provoked the Holy One of Israel unto anger, they are gone away backward.*

Why should ye be stricken any more? ye will revolt more and more: the whole head is sick, and the whole heart faint.

*From the sole of the foot even unto the head there is no soundness in it; **but wounds, and bruises, and putrifying sores**: they have not been closed, neither bound up, neither mollified with ointment.*

Your country is desolate, your cities are burned with fire: your land, strangers devour it in your presence, and it is desolate, as overthrown by strangers.

And the daughter of Zion is left as a cottage in a vineyard, as a lodge in a garden of cucumbers, as a besieged city.

Except the LORD of hosts had left unto us a very small remnant, we should have been as Sodom, and we should have been like unto Gomorrah.

...but wounds, and bruises, and putrifying sores. Putrifying refers to the decay of the body of a formerly living organism into simpler forms of matter.

America is dying. It makes me sick. It is time to stand up and fight against this deviancy.

Is anyone else homo-nauseous?
