

Is Franklin Graham Straight up Lying to the People?

“After this thing Jeroboam returned not from his evil way, but made again of the lowest of the people priests of the high places: whosoever would, he consecrated him, and he became one of the priests of the high places.” -1 Kings13:33

For far too long, the American people have been listening to these ecumenical (Helping to create a one-world religion) controlled operatives (Propped up gatekeepers). Yes, I am speaking of both Billy and his creepy son Franklin Graham, who preach an unscriptural message of God’s love while advocating what the Lord condemns (Isaiah 8:20; Matthew 22:37).

[Franklin Graham is at it again unscriptural messaging on his God loves you tour](#)

If Franklin is not [blasphemously endorsing the vaccine by saying Jesus would have taken it](#), do your best to overlook the 20 million people worldwide who the bioweapons have murdered, then he is attempting to defend the said president who promised to defund the murder of children during his first term and failed to do so (Proverbs 6:17).

An article recently posted by [ChristianPost.com](https://www.christianpost.com) reads:

Evangelist Franklin Graham predicts that the abortion issue will not necessarily be a significant “priority” for President Donald Trump in his second administration but hopes the president would fulfill his promise to bring the U.S. into a “golden age.”

P.S. “Golden age,” is a phrase being thrown around by not only the globalists but also big pharmaceutical companies, and this simultaneously.

The 72-year-old son of the late Billy Graham and CEO of the Evangelical aid group Samaritan’s Purse surmised that Trump feels as if he has done all that he can to address abortion at the national level by appointing the U.S. Supreme Court justices that ultimately voted to overturn Roe v. Wade.

The court’s June 2022 ruling decentralized the issue and restored regulatory authority over abortion to the states.

“We’ve had lots of presidents who promised to overturn Roe v. Wade, and he’s the only one to do it,” Graham, who was selected to lead a prayer during the inauguration ceremony Monday, told The Christian Post in a post-inauguration interview. “[Trump] promised he would do that, and he did it.”

First off, [Franklin is straight up lying to the people](#) (Proverbs 19:9).

Secondly, for those who are paying attention to Donald Trump and his empty promises, what [Donald says and what Donald does are two different outcomes](#) (Matthew 7:16-29). The opposite is true of what Franklin claimed.

And thirdly, can someone please direct me to the constitutional provision where it gives lawful authority to murder children?

Fourthly, where did the American people, under God, ever

delegate authority to their representatives to murder children? There is none. The American people will be recompensed for what they tolerate when it comes to the shedding of innocent blood, no doubt (2 Kings 24:4).

There is no authority whatsoever found in any founding document to do so.

So, what is Franklin talking about? It comes back to the old saying, that if you get people asking the wrong questions, you do not have to worry about giving them the right answers. And so, it is.
