

Is Islam Misunderstood

By Amil Imani

Everyone, just relax. Islam is badly misunderstood. The negative stereotype of Islam is the usual evil-doings of Zionists in America and their foolish fellow travelers, fundamentalist Christians. Please don't listen to what these hatemongers say about Islam and hear us out; so implies the nationally-launched campaign of Muslim organizations in the United States.

Ads are popping up in newspapers and magazines proclaiming the magnificence of Islam and aiming to refute the "false allegations" of Islam's ill-wishers.

Huge billboards are festooning major highways, such as the one along Highway 101 and Tully Road in San Jose, California, with crafty messages. Bold letters on the billboard proclaim Islam You Deserve to Know. A toll-free number, 1-877-WhyIslam, and a website, WhyIslam.org beckon the public to get the real scoop about the religion of peace.

Amil Imani:

"Pivotal to the success of any solution is first the realization that Islam is a religion of death and misery."

The billboard sneakily reminds the viewers about their kinship with Muslims. "Islam: The message of Abraham, Moses, Jesus,

and Mohammad.”

Well folks—Christians and Jews—the overwhelming majority of the people in the United States, you need to relax about Islam. Muslims are family. They are your kindred through your shared progenitor, Abraham.

Having Abraham as an ancestor would demand that the “children” be loving siblings. That’s the message the American Muslims try to convey. And that’s the way they aim to keep us in the deadly slumber of complacency and the delusion of multiculturalism.

For one, multiculturalism and multi-religionism are not interchangeable and are not one and the same. Muslims and their frequently well-paid apologists use the multiculturalism umbrella only in non-Islamic lands to shield themselves from the torrent of legitimate criticisms that those who know Islam better shower on this cult of violence peddled as the religion of peace.

Don’t listen to me and don’t listen to these conniving dissimulators. Find out for yourself. See if the euphemism of multiculturalism is ever even mentioned by any Islamic leader, ever printed in the Islamic press, or ever appears in any form anywhere in Muslim countries. This multiculturalism gambit is Islam-manufactured wool to pull over the eyes of the non-Muslims while the Muslims carry on with their unrelenting campaign of eradicating anything or anyone non-Islamic anywhere in the world.

Those of us, through reason and tremendous acts of will, who have freed ourselves from the enslaving yoke of Islam placed around our necks from birth, know about all the heinous inside dirt of this plague of humanity. We hardly need to call a toll-free number to hear a phony canned message of deceptions and lies.

We have experienced Islam first-hand and up close from the

inside. We have studied the Quran, the Hadith, and the Sunna. We have seen Islam in action where it wields sway. Some of us even tried desperately to cling to this security blanket that was wrapped around us from birth. Yet, the more we studied and the more we experienced Islam, the more our effort to remain in the fold became untenable.

We broke away from Islamic slavery and found it to be our solemn duty to expose this fraud of a religion, help other Muslims to free themselves from it, and warn the good-hearted and gullible non-Muslims against falling prey to it.

The Muslim organizations in America, generously financed by the oil-rich Muslim government and sheiks, are directed to sell Islam Lite for long enough until the cult runs deep roots and the Real Islam is introduced. One can see how the scheme played out in Europe. Much of Europe is already past the stage of Islam Lite and knee-deep into the quagmire of Real Islam. And that's exactly where things are headed in America.

For a starter, remember the Somali Muslim cabbies of the Minneapolis airport and their refusal of blind fares with seeing-eye dogs, because dogs are unclean according to their belief? The same cabbies that had a virtual monopoly at the airport also rejected passengers who had [alcoholic beverages](#) in their possession. And the recent campaign of Muslims in New York to force the city to officially recognize Islamic holidays. These chosen people of Allah have more holidays than working days. No wonder they are among the most backward and unproductive in the world.

These "annoyances" aside, one has to be more than daft not to see for himself and not be sickened by the horrors Muslims in power and Muslim governments commit, wherever they reign in the world. Their barbaric acts are not isolated behaviors of some deranged individuals that one can find within any group. They are, in fact, mandated by the authoritative teachings of Islam and those who practice them proudly proclaim their

actions as an implementation of Islamic teachings.

And they are correct in this claim. Let's just see a sampling of the Islamic teachings that mandate the beastly treatment of women, human slaves, and all non-Muslims, including those that the Islamic Softsell in the West aims to bunch itself with as kin—Jews and Christians.

Quran 4.34 Men have authority over women because Allah has made the one superior to others and because they spend their wealth to maintain them. Good women are obedient. They guard their unseen parts because Allah has guarded them. As for those from whom you fear disobedience, admonish them and send them to beds apart and beat them. Then if they obey you take no further action against them. Allah is high, supreme.

Quran 16.75 Allah sets forth a parable: (consider) a slave, the property of another, (who) has no power over anything, and one whom We have granted from ourselves goodly sustenance so he spends from it secretly and openly; are the two alike? (All) praise is due to Allah!

Quran 5:51 O you who believe! Take not the Jews and the Christians for your friends and protectors: they are but friends and protectors to each other. And he amongst you that turns to them (for friendship) is of them. Verily Allah guides not a people unjust.

You may say that you know Muslims and you find them to be decent people, family people, hard-working people who are no different than any other group of people. However, these people are Bad Muslims. Why so? Because they do not live the life the Quran commands them to lead. It is the Good Muslims that you don't ever want to meet. These are the diehard jihadists, the terrible killers who spare no torture on infidels before decapitating them or hanging them while intoning Allah's praise. These are the ones that don't show the slightest mercy to their very own people who fail to toe

the line.

These Real Muslims viciously and repeatedly rape women, and even men, arrested without even arrest warrants. One “lucky” victim who managed to escape the claws of these evils is [Maryam Sabri](#) (and so many others) arrested on phony charges and repeatedly raped in Iran’s Evin prison.

Acts of horrors committed in Islamic lands aside, it is disturbing to see Muslims dissimulate, sweet-talk, and use any and all means in free non-Islamic societies to convert people to their cult. Yet, if a Muslim, on his own free will decides to leave Islam he is condemned as apostate and automatically sentenced to death. And right here in America, the suffocating tentacles of Islamic bigotry are beginning to reach out to people. Just the other day, for instance, a teenage girl had to run away from her Muslim family fearing being killed by her own father for having become Christian.

This Islamic Softsell is a replay of Muhammad’s own life example. He was peaceful and humble in Mecca among his powerful detractors. Once in Medina and with power, Muhammad slaughtered the Jews of Medina as easily as if they were sheep, plundered their belongings, and took the “sellable” women and children as slaves.

It is said that truthfulness is the foundation of all virtues. Islam not only condones, it encourages, lying and dissimulation– taqiyya in dealing with non-Muslims. Hence the ads, the billboards, and the claims of these liars are little more than packs of crafty propaganda.

No, there is no misunderstanding. No, it is not the Zionists and fundamentalist Christians who are misrepresenting Islam. It is Muslims and Muslim organizations who are guilty of dissimulation and fraud. Muslims act meekly when they lack sufficient power. Once in power, Real Islam emerges from its shell of dissimulation and puts free people and their way of

Life to the sword.
