

Is the Biden Administration Riddled With Jew Haters?

By Joan Swirsky

June 12, 2022

King Solomon said, “there is nothing new under the sun” (Ecclesiastes 1:9).

The sun rises, and the sun goes down...all streams run to the sea... what has been done is what will be done, and there is nothing new under the sun.

In his prescience, King Solomon no doubt knew that one of the things that would remain the same was the obdurate persistence—over thousands of years—of maniacal Jew hatred and a fanatical loathing of Israel.

If it weren't so serious, and deadly, it would be almost comical, considering that the massive, heavily armed, immensely populated, and hugely influential empires that tried to annihilate the Jews—the Babylonians, Greeks, Romans, Byzantines, Assyrians, et al—have been extinct for centuries, while the teeny tiny world of Judaism flourishes to this day.

And that is not to omit the Crusades and Inquisition and forced conversions and the 20th century Holocaust in which Hitler's “[willing executioners](#)”—all over Europe—succeeded in mass-murdering a full half of the world's Jewry. Here is a [partial picture of Jewish history and persecution](#) that makes the vibrancy of modern Jewish life even more amazing!

But not so amazing that today, in the putatively evolved 21st century, the historical scourge of [viciously rampant](#) Jew hatred not only gallops across the globe but also in hundreds if not thousands of colleges and universities in our own country!

According to The Center for the Study of Contemporary European Jewry, [hatred of Jews is on a significant rise](#). Their 2021 survey reports:

- In the US, which has the largest Jewish population outside of Israel, the number of anti-Jewish hate crimes recorded in both New York and Los Angeles was almost twice that of the previous year,
- In France, the number of recorded anti-Semitic incidents increased by nearly 75% compared with 2020,
- In Canada, a leading Jewish group reported a 40-year record in anti-Semitic physical violence in one month – August,
- In the UK, the number of recorded physical assaults against Jews increased by 78% compared with 2020,
- In Germany, anti-Semitic incidents recorded by police were up 29% compared with 2020,
- In Australia, there was the sharpest rise in recorded anti-Semitic incidents, with 88 in May alone.
- In Ukraine (Jewish population: 43,000), acts of vandalism against Jews increased 162.5% from 2019.

In fact, according to the [Annual Report on Hate Crimes released by the Uniform Crime Reporting Program of the Federal Bureau of Investigation \(FBI\)](#), it is Jews, among the world's tiniest populations—15 million in a world of nearly eight billion—who experience the most bias, hatred, assaults, blatant racism and hate crimes.

Yet, we Jews continue to thrive not only in our ancestral home in the State of Israel but around the world, contributing disproportionately, as we always have, to the world's

welfare—in science, the arts, medicine, technology, athletics, media, et al. Still, the world’s Jew haters and Israel loathers continue to marinate in their DNA hatred and envy of the Jews who, of course, they should be admiring and emulating. Stupid is forever!

WHO COULD IMAGINE?

It is inconceivable that in America, a country that welcomes the stranger, strives mightily for equality, and in which minorities have succeeded far beyond even their own expectations, that many of our leaders have been outright racists themselves, with a particularly irrational hatred toward Jews.

Going back to Franklin Delano Roosevelt, whose Jew hatred has been [exhaustively documented](#) by professor, columnist and author Rafael Medoff, among others; up to the Ayatollah-infatuated Jimmy Carter who had and continues to have a “[special animus](#)” toward Jews and Israel, according to rabbi and author Shmuley Boteach; and not to omit the seething Jew hatred of Barack Obama, as spelled out [here](#) and [here](#) and [here](#) and [here](#), the list has no end.

But who could imagine that in the so-called evolved culture of 2022, that among the most maniacally anti-Semitic people in the world—and among the most powerful—are those in the Biden regime who currently occupy the White House?

Very unfortunately, many of them are apostate Jews...you know, the species that has replaced Judaism with their own fetishistic, cult-like religion of Social Justice—a cult that worships at the altar of political correctness, multiculturalism, moral relativism, and the convoluted and racist construct of [intersectionality](#).

And all of them are Democrats, including a huge number of elected members of the U.S. Congress! We have all witnessed the ferocious Jew hatred and abhorrence of Israel vomited out

on a regular basis by the growing number of racist Democrats in the U.S. Congress, aka “the Squad” of Alexandria Ocasio-Cortez (D-NY), Cori Bush (D-MO), Ayanna Pressley (D-MA), Rashida Tlaib (D-MI), Jamaal Bowman (NY), and Ilhan Omar (D-MN), et al—the list gets longer every day.

Here is their latest [Resolution](#), which calls the founding of Israel “a catastrophe.” And here, political activist Paul Schnee describes [The Treachery of the ‘Squad’](#).

Of course, if any member of Congress dared to criticize the color, style, or primitive nature of a:

Hijab

or a:

Niqab

...all hell would break loose. But vilify, insult, lie about, slander, or proffer a blood libel about Jews, a thunderous silence!

WHY ARE SO MANY JEWS DEMOCRATS?

Clearly it is not solely because their parents and grandparents were Democrats, but because they appear to genuinely like high taxes, open borders, a weak military, no-bail laws, the rampant thuggery of Black Lives Matter and Antifa, and especially abortions [up to birth](#) (now legal in 29 states) and even [infanticide](#) after live births. We know this because this is what they consistently—decade after decade after decade—campaign for, teach their children, contribute money to, and vote for.

But there are other theories. Writer M. B. Mathews says this phenomenon is “hard to fathom.” But a rabbi in New Jersey, he [reports](#), says that Jews vote Democrat because [it’s in their DNA](#).

The late English journalist Malcolm Muggeridge, Mathews writes, said: “I am not certain that college attendance is the only cause of Jewish liberalism, but it is probably the most likely culprit. Many colleges are festering pustules of regressive socialist/Marxist thinking. Our Jewish youngsters are being groomed intellectually to be perversely liberal.”

And editor, writer and conservative political commentator Norman Podhoretz [has posited](#) that “To most American Jews . . . liberalism is . . . the very essence of being a Jew...it is a religion in its own right, complete with its own catechism and its own dogmas and, Tertullian-like, obdurately resistant to facts...”

IN THEIR OWN WORDS

But don’t believe me. Here, in alphabetical order, are the direct quotes and credentials and behavior of some of Joe Biden’s hand-picked Jew-hating and Israel-loathing appointees, which are not limited to the Oval Office, but also include officials in the State Department, the National Security Council, the Defense Department, and U.S. intelligence agencies. It is as if the arch criterion for employment in this regime is a loathing of Jews and detestation of Israel. Otherwise, don’t apply!

I have written about this before, but I repeat it here because I believe that repetition aids learning. Only space limitations prevents me from listing all these miscreants and presenting the entire sordid picture of these career anti-Semitic racists.

I could write a doctoral thesis on Joe Biden’s animus toward Israel, going back decades. Here are just a few headlines, out

of thousands.

[Biden Is No Friend of Israel](#)

[Biden to visit Jerusalem to tell the world: Zion belongs to Muslims](#)

[Biden State Dept "Strongly Opposes" New Jewish Homes in Israel](#)

[Biden Institutes Rules Forbidding US Soldiers from Non-Official Travel to Israel](#)

[Why Is the Biden Administration Determined to Help Terrorist Iran Get a Bomb?](#)

HADY AMR (whose mother is Jewish) is the Deputy Asst. Secretary for Israeli and Palestinian Affairs. [Caroline Glick](#) writes that Amr is an anti-Israel activist with "a long record of statements hostile to Israel and supportive of Palestinian terrorists, including Hamas." Amr said: "I was inspired by the Palestinian intifada" (the terror wars in which Palestinian Arab terrorists murdered or maimed 10,000 Jews).

MAHER BITAR, the "Palestinian" Senior Director for Intelligence of the National Security Council (NSC), supports the Boycott/Divest/Sanction (BDS) movement to strangle Israel economically and [has called for the destruction of Israel.](#)

ANTHONY BLINKEN, Secretary of State (who is Jewish), has [praised](#) radical anti-Israel J Street as a 'constructive force,'" and opposed designating the murderous terrorist Iranian Islamic Revolutionary Guard Corps (IRGC) as a foreign terror organization.

KRISTEN CLARKE, head of the Civil Rights Division of the Department of Justice, has a long [history](#) of advocating for anti-Semites and

spewing anti-Semitic lies,” going back to her heading Harvard’s Black Students Association.

REEMA DODIN, the “Palestinian” Deputy Director of the White House Office of Legislative Affairs, supports the suicide bombings of Jews, was the [leader](#) of the Hamas-affiliated Muslim Students Association, and has spread Medieval-style blood libels about Jews.

AVRIL HAINES, Director of National Intelligence (who is Jewish) has been described as [rabidly anti-Israel](#), and was (surprise surprise!) Obama’s deputy national security adviser and is now deputy director of Obama’s anti-Israel Columbia World Project.

KARINE JEAN-PIERRE, White House Press Secretary, former head of far-left, anti-Israel MoveOn.org, [has praised lawmakers for boycotting pro-Israel](#) groups and accused Israel of “war crimes.”

JOHN KERRY, who has Jewish roots, is Envoy for Climate. With [personal family connections to Iran](#), Kerry, according to Adam Berkowitz, [has written](#) that “even the Israeli leftist newspaper Haaretz is appalled by John Kerry’s bungled, counterproductive, [utter capitulation](#) to Hamas.”

ALEJANDRO MAYORKAS, who is Jewish, is Secretary of the Department of Homeland Security. He is a [board member of HIAS](#), which [partners](#) with terrorism-financier Islamic Relief, and he has [undermined](#) Israeli repatriation policies regarding illegal immigrants, among many anti-Israel actions.

DENIS McDONOUGH is Secretary of the Veterans Administration. Obama's former Chief of Staff, he has spoken at the anti-Israel J Street convention and falsely condemned Israel's "occupation." As Obama's Deputy National Security Advisor, he praised the imam of a Virginia mosque, knowing that the imam was a Muslim Brotherhood leader and VP of the Islamic Society of North America (ISNA), which directly funds Hamas.

THOMAS NIDES, Obama's former deputy secretary of state, is Biden's Israel Ambassador. According to Daniel Greenfield, Nides [tells BDS group he wants Jews out of Jerusalem](#), and also [documents](#) that Nides "is the ambassador to the anti-Israel lobby." Nides also describes Arab terrorists who murder Jews as "martyrs,"

SUSAN RICE is Domestic Policy Advisor (aka Biden's Valerie Jarrett). The [serial liar](#) and inveterate Israel basher was Obama's senior foreign-policy advisor and John Kerry's chief foreign-policy adviser when he ran for President. And you know what both those Jew-hating racists stood for!

WENDY SHERMAN, who is Jewish, is Deputy Secretary of State. She negotiated the genocidal-to-Israel Iran deal and has also praised arch-terrorist Yasir Arafat as "the leader of the resistance movement" as well as downplaying the PLO suicide bombings and other terror attacks on innocent Israelis that Arafat engineered; on and on.

Unfortunately, because of space limitations, this is the very veryshort list! But you can see some of Biden's other Jew-hating, Israel-detesting appointments [here](#).

All of them—I repeat, all of them—are obsessed—to the point of utter capitulation to all the Draconian demands of Iran—to seal the malevolent Iran deal in order to put nuclear weapons

into the hands of the one nation on earth that has vowed for the last 50 years literally to destroy every last vestige of the State of Israel, to wipe the only Jewish state in the world and its inhabitants off the map of human history.

I could recite the colossal failures of the current regime, but everyone in America knows and recognizes and “feels” the horrors that a very compromised and diminished Joe Biden and his communist handlers have inflicted on this nation and on their own personal lives.

WHAT TO DO?

There are only two solutions to this regime’s rampant racism.

The first is for every sane citizen to write to their representatives in the U.S. Congress and the U.S. Senate **EVERY DAY** to insist on voter IDs and scrupulously monitored midterm elections.

If these elected officials don’t answer you, or they send a waffling response, know that they are in on “the fix,” no doubt for the hefty payments they’re receiving—paying off their mortgages, financing their children through college, et al—from the left wing billionaires who control all Democrat behavior.

[Here’s How to Contact All 535 Members of United States Congress. CALL, EMAIL, TWEET, et al, them every day!](#) This will take you 10 minutes.

Simply prepare a two-or-three-line message that expresses your ideas, for example: Mr. President...I insist that you mandate Voter ID cards for ALL voters in ALL elections, starting with the midterms in November 2022.

In influencing elected officials, numbers count! Let’s send them an avalanche of phone calls and a Mt. Everest of e-mails!

The second is to vote in the midterms on Tuesday, November 8,

2022. And to encourage everyone you know to cast their vote in this all-important, history-changing, anti-fascist election.

When We the American People put our hearts and minds and efforts into any mission, we can accomplish anything!
