

Islam: A Political Party of Death, Violence & Oppression

First, I want to address some of the email I received from my last column. Very few didn't deny what those psychopaths (Hamas) did Oct. 7th was inhumane, but still believe Israel should be destroyed and Jews 'exterminated'. One particular email was beyond disgusting. I won't use his name but this man lives in Midland, 40 miles west of my city. He's sent me email for years on various issues. In response to my column, he sent email which reads:

"Many of the civilian Israeli deaths that occurred were at the hands of the IDF. You can believe what ya want, and so can I. My hat is off to those gutsy Hamas fighters who have to know that in the end, they haven't a chance against the weapons possessed by Israel."

My response to him: "Gutsy Hamas murderers get your "hats off" approval? It's one thing to conduct war with rules to try as much as possible to reduce civilian casualties and not engage in torture. Raping women, killing old people in their beds and yes, beheading babies even though you choose to believe the propaganda of terrorists is not an act of war, it is pure cowardice by psychopaths.

"As I said in my column, Oct. 7th was an **unprovoked** massacre which has devastated **both the people in the Gaza strip and Israel**. Please remove me from your email list."

Of course, he had to have the last word: “Gladly, you’re as dumb as K. Nelson. I haven’t been reading ya much anyway.” He was referring to Kelleigh Nelson. He included an article by [Scott Ritter](#): “The Israeli government has had to walk back its claims that Hamas beheaded 40 children and has provided no credible evidence that Hamas was involved in the rape or sexual assault of a single Israeli female. Eyewitness accounts describe the Hamas fighters as disciplined, determined, and deadly in the attack, and yet courteous and gentle when dealing with civilian captives.”

Really? And just what eye witnesses was Ritter referring to – those in Gaza? [Israeli Police Collect Eyewitness Testimony of Gang Rape During Hamas Attack](#) // [Israeli civilians were tortured, raped, and abused by Hamas fighters says forensic teams, Reuters reports](#). Well, they must all be liars because Hamas is just a group of activists fighting to “free Palestine”.

[The horror as Israeli authorities show footage of Hamas atrocities: Reporter’s Notebook](#): “The video started slowly. Hamas fighters are seen on the back of a pickup, with RPGs spiking out in every direction. You can sense their excitement. The video shows several groups cut through the fence and wave a pickup truck through.

“Then it shows three separate angles of motorists in Israel being flagged down, then gunned down – the AK-47s puffing smoke – on the road outside the Kfar Aza and Be’eri kibbutzim. Bodies are yanked out of cars.

“At a playground, he wonders in Arabic, “Where are the kids?” The duo set fire to one house, shoot an encroaching dog, and shoot another old man through a darkened screen. They are parsimonious with their ammunition, and chillingly unhurried as they pick through the tidy vegetable gardens and open the latches of wooden fences.

“Then the video gets grisly. Other militants are busy mashing a dying man’s face with their boots. Another pair screams “Allahu akbar” as they use a garden hoe to try to decapitate another man.

“In another house, a gunman sticks the muzzle of his rifle into a room inhabited by a family. It’s a mash of colors. In one, a terrorist is standing on an Israeli man’s chest and shoots him point-blank in the face.” You can read more about those “disciplined, courteous” murderers at link above.

For the cheerleaders of Hamas and the Oct. 7th unprovoked massacre, **have they ever even bothered to read [The Covenant of Hamas?](#)** “FAS Note: This is a translation of excerpts of the original 1988 charter of Hamas. A translation of the full document is [here](#). A [revised](#) Hamas Document of General Principles and Policies was issued in 2017.

“On the Destruction of Israel: ‘Israel will exist and will continue to exist until Islam will obliterate it, just as it obliterated others before it.’ (Preamble)...

“Rejection of a Negotiated Peace Settlement: ‘[Peace] initiatives, and so-called peaceful solutions and international conferences are in contradiction to the principles of the Islamic Resistance Movement... Those conferences are no more than a means to appoint the infidels as arbitrators in the lands of Islam... There is no solution for the Palestinian problem except by Jihad. Initiatives, proposals and international conferences are but a waste of time, an exercise in futility.’ (Article 13)”

Those are just two of their beliefs and goals. Read the Covenant in its entirety. **In 2006, voters elected Hamas to be their governing body.** West Bank is 85% Muslim, Gaza Strip 99% Muslim with Sunni Muslims dominating 98-99% of Gaza. [Hamas wins Palestinian hearts as Gaza conflict threatens broader shift](#) – “Now the Palestinian street is pro-resistance, not

pro-negotiations,” said Fadi Ellayan., June 28, 2021

As I wrote in my previous column, [Rashida Tlaib – What People Are Ignoring](#), Islam is not a religion although it’s been sold as one for well over a thousand years. Their goal is a world caliphate and death to all infidels. You will find this booklet in mosques all over the world – including the U.S.: [Jihad in Islam. 37 page booklet](#):

Pgs 3, 4: “Causes of Misunderstanding about the Holy War. In any case, this is a part of political tactics. But from a purely scholastic standpoint when we analyze the causes due to which the red nature of the ‘Holy War for the Cause of God’ has become difficult to understand not only for non-Muslims but Muslims themselves, we discover two major and basic misconceptions.

“The first misunderstanding is that they consider Islam to be a religion in the conventional sense of the term ‘religion’. The second misconception is that they take Muslims to be a ‘Nation’ in the technical sense of this term. These two misunderstandings have not only mixed up the concept of Jihād’ but have changed the picture of Islam as a whole and have wholly misrepresented the position of the Muslim people. In common terminology ‘religion’ means nothing more than a hotch potch of some beliefs, prayers and rituals...”

Pg. 5: “But the truth is that Islam is not the name of a ‘Religion’, nor is ‘Muslim’ the title of a ‘Nation’. In reality Islam is a revolutionary ideology and programme which seeks to alter the social order of the whole world and rebuild it in conformity with its own tenets and ideals. ‘Muslim’ is the title of that International Revolutionary Party organized by Islam to carry into effect its revolutionary programme. And ‘Jihad’ refers to that revolutionary struggle and utmost exertion which the Islamic Party brings into play to achieve this objective...”

Pgs. 6, 7: "Islam wishes to destroy all states and governments anywhere on the face of the earth which are opposed to the ideology and programme of Islam regardless of the country or the Nation which rules it. The purpose of Islam is to set up a state on the basis of its own ideology and programme, regardless of which nation assumes the role of the standard-bearer of Islam or the rule of which nation is undermined in the process of the establishment of an ideological Islamic State.

"Islam requires the earth—not just a portion, but the whole planet—not because the sovereignty over the earth should be wrested from one nation or several nations and vested in one particular nation, but because the entire mankind should benefit from the ideology and welfare programme or what would be truer to say from 'Islam' which is the programme of well-being for all humanity. Towards this end, Islam wishes to press into service all forces which can bring about a revolution and a composite term for the use of all these forces is 'Jihad'.

If you read the whole thing, you'll get a clear understanding of the goals of Islam; page 27 is a real eye opener: *'THE STATUS OF THE DHIMMIS (Non-Believers) under the Protection of an Islamic Government.'* Islam is a political party hell bent on forcing every human on this earth to "worship" their putrid ideology, Muhammed and some god named Allah. That includes Sharia Law and mutilating little girl's genitals. **They are sexual sadists.**

I wrote quite a bit about this in 2010 & 2012 after Hussein Obama stole the election for president, twice, via fraud. **99% of videos linked in my columns on Islam have been scrubbed by You Tube.** Why does anyone, anymore use You Tube – one of the biggest censors of truth on the Internet? Well, money from advertisers & subscribers. [Rumble](#) and others are alternatives to feeding big money to our domestic enemies and You Tube is a leader in censorship. (Think COVID). Rumble and others who

post videos also make it possible for those who host videos to monetize their efforts which I'm all for as a staunch supporter of free enterprise and capitalism.

For the sake of brevity, below are links to articles (and videos) I feel should be read/watched by anyone interested in better understanding this isn't about Islamophobia, but rather history and the ultimate goal of Islam and its sham religion as a controlling tool with an iron fist. So much information can seem overwhelming considering everyday challenges. What I do is set up separate files for future reading. I read or watch a few here and there, cross check as diligently as possible and make up my own mind on any issue.

Many are familiar with Amil Imani as he's a contributing writer for NWV's. "Amil Imani is an Iranian-American writer, satirist, novelist, essayist, public speaker and political analyst who has been writing and speaking out about the danger of radical Islam both in America and internationally. He has become a formidable voice in the United States against the danger of global jihad and Islamization of America."

[Political Correctness is the Incubator of Islamofascism](#), "Just coin some terms such as the "Melting Pot," or "Multiculturalism" and you have the problem solved? Roll out the red carpet for the immigrant Muslims, treat them as you would your own citizens, give them stipends, medical care, and free education and they will integrate seamlessly into society. No such thing at all.

"The idea of a Melting Pot may work with people who come from different lands to make the new country their home. The Islamists, on the other hand, come with the belief that they already own the place and want to make it part of the Ummah. Some forty percent of second and third-generation Muslim Britons reject British democracy, express their allegiance to Islam, and want to live under Sharia. So much for the Melting Pot comfort pill."

[Demoting Islam's Religion Status](#) by Martel Sobieskey. An Impostor Religion: "To put it bluntly Islam's religion status should be rescinded because it is a wolf in sheep's clothing, a Trojan horse, an impostor religion that has arrived on our shore with malicious intent, deathly determined to replace our constitution with the Koran, and turn America into an Islamic nation controlled by Sharia law.

"Robert Spencer in his excellent book, "Stealth Jihad" (How Radical Islam Is Subverting America Without Guns or Bombs), explains how so-called moderate Islam is having greater success at invading America than its counterpart militant Islam. Shockingly, one may rightly conclude that America is now being conquered without Islam even having to fire a shot. **Have we really become that docile, self-complacent and pathetic? The answer is Yes!"**

Many worldwide know of the Balfour 'Project' but hundreds of millions, if not billions know nothing about it. This is an 18:30 video of historic facts because there's always a 'back story'. [Britain in Palestine 1917-1948](#). This next video is also history which traces who controlled who. I might add millions have watched these videos I'm citing because they're trying to understand the when and how that has led to today and the awful killing and violence. [Palestine 1920: The Other Side of the Palestinian Story](#).

This third video, [How Britain Started the Arab-Israeli Conflict](#) | Free Documentary History is also worth watching. As one viewer posted, “Outstanding documentary! Utterly relevant to the present problems of the ME. (Middle East) The British policy of subversions, double dealings, and betrayals has footprints that are traced back to what we have witnessed in the Middle East for the past 150-plus years, and in particular for the past 75 years in Palestine. One cannot forget what they did to Iran with the discovery of oil in the early 1900s, the 1953 toppling of the first democratic Iranian government, and their subsequent hands in support of the 1979 revolution.”

Video. 1:33:12. Watch in segments or listen while doing chores, well worth the time. Not just a lecture but actual evidence. [Jay shuts down Islam’s Origins in ONE HOUR at “Calvary Chapel Chino Hills”!](#)

So, I ask again as I did in my last column: **What kind of religion forces you to be a believer or face death?** Not Christianity whatever denomination. Not Eastern religions. Not Judaism. Only “Islam”.

Only God knows what’s going to be the outcome of the tragedy **Hamas deliberately caused** to happen on Oct. 7, 2023. What I do believe is Islam is not a religion, it is a political party of hatred and war. Violence is their daily feasting. History proves when enough Muslims become a large enough population in any country, there’s nothing but death, violence and hatred of infidels. Here in America, Muslims are now being elected to all levels of public offices including judges. **Dangerous and complete lack of knowledge of your enemy.**

Brainwashing starts with toddlers and this is well documented for those who wish to not believe that which is true.

[UNRWA textbooks still include hate, antisemitism despite pledge to remove – watchdog.](#) Israeli organization says that rather than taking the material out of the 2022 curriculum, the UN Palestinian refugee agency has merely taken it off its public education portal.

The good news is more and more Muslims are escaping Islam. [Why Are so Many Muslims Leaving Islam?](#) – “The most dangerous step for a Muslim is not leaving Islam but embracing Christianity. However, droves of Muslims are taking this path. Christianity is the [fastest-growing religion in Iran](#), while Islam is the fastest shrinking.”

[Ex-Muslims: They left Islam and now tour the US to talk about it.](#) Unfortunately, many become atheists but then lots of atheists over the centuries have come to Christianity or some other religion that doesn't brainwash their flocks that the only good infidel is a dead one. [Why are young Muslims leaving Islam](#) – A new generation of educated Muslims is starting to question the fundamentals of their faith.

Those actions, Chambers says, are part of a broader effort to popularize coordinated attacks against Jews and their allies.
