

Islam For the Naïve and Gullible

For decades, I have argued that the enemy is Islam without adjectives, Islam is “pure and simple.” Adjectives such as “extremist,” “radical,” “moderate,” “fundamentalist,” “moderate,” “political,” and “Islamist” mislead the blind and the ignorant.

The naïve and wishful-thinking humanists, liberals, as well as soft-headed Jews, Christians, and idiotic atheists succumb to their fears and previous follies regarding the savagery intrinsic in Islamic scriptures and history, recognized by former Muslims who have somehow overcome their misconceptions about the most vicious and dangerous enemy of civilization and mankind.

A revealing book on the subject is Robert Reilly’s “The Closing of the Islamic Mind.”

This purely scholarly work should be supplemented by the work of theologian George Weigel, “Faith, Reason, and the War against Jihadism.”

Terms such as “Political Islam,” “Radical Islam,” or “Militant Islam” are the contributions of Useful Idiots. These terms do not even exist in the native parlance of Islam simply because they are redundant. Islam is a radical political movement by its very nature and, according to its charter, the Quran.

It is the Useful Idiot who sanitizes Islam and misguides the populace by saying that “real Islam” constitutes the main body of the religion and that this main body is non-political and moderate.

Regrettably, a large segment of the population goes along with these nonsensical euphemisms depicting Islam because it prefers to believe them. It is less threatening to think that only a hijacked small segment of Islam is radical or politically driven and that the main body of Islam is indeed moderate and non-political.

Islam is not a religion. It is a political ideology. In Islam, the mosque and State are the same—the mosque is the State. This arrangement goes back to the days of Muhammad himself. Islam is also radical in the extreme. Even “moderate” Islam is radical in its beliefs and its deeds. Muslims believe that all non-Muslims, bar none, are hellfire-bound and deserve to be maltreated compared to believers.

Many people wonder why Islam is blossoming in the US! They are bewildered as to why Democrats back Islamic ideology, honor their holidays and customs, and promote it as the religion of peace, knowing that Islam is not a religion of peace. In fact, it is an ideology of war. The answer is quite simple: The Democrat Party stands with anyone who hates America, and the Republican Party.

History has proven that once Muslims have the majority, they will institute sharia law and adopt their own legal system—a government within a government.

The Democrat Party has shown by both words and actions that they despise the US Constitution. Regarding the support of Muslims, they will not hesitate to hold the Bill of Rights over anyone who dares to accuse Islam and Muslims of wrongdoing. While crime and threats skyrocket, Islamized citizens will ignore the wrongdoing. They will look the other

way for fear of retribution, honor killings, and punishments from those who uphold the Islamic requirement to seek revenge on anyone who dishonors or disagrees with Islam.

The Democrat Party has descended into nihilism, which describes the present State of America. This is a logical consequence of America's abandonment of its Declaration of Independence, which she never really understood. Which, unknown even to eminent scholars, represent a synthesis of classical and modern political science, which is elaborated in my masterwork "A Judeo-Scientific Guide for the Perplexed."

The primary target of the Left is the Bible of Israel. The Bible says that God creates nations and individuals, and the Left opposes our country and our individualism. Do you fathom this? This does not require a lengthy discourse.

"By each passing day, the death of Western Civilization – specifically, the death of Europe, will not have been a suicide, but a cold-blooded, premeditated murder, carried out by the Western ruling oligarchy."

In plain language, Western Europe has been betrayed by the very people entrusted with its protection and stewardship – its political leaders and their enablers. Like former EU President Jean-Claude Juncker, German Chancellor Angela Merkel, French President Emmanuel Macron, and many others.

When the wolf gets into the fold and begins terrorizing the sheep and preying upon them, who is most at fault – the wolf or the shepherd who was supposed to guard the flock? Although his fangs may be bloody, the wolf is only being what he is – a predator. On the other hand, the shepherd has failed in his duty to protect the flock.

In the case of Europe, the "shepherds" have done much, much worse than fail through negligence. They have actively aided and abetted the enemy and let them into the heart of Europe to prey upon its native peoples.

The Muslims who now terrorize Europe must be dealt with like the rabid dogs they are – but a great evil has been done, and the job will not be done until the traitorous leaders of old Europe have been brought to justice and pay the price for their enormous betrayal. They have the blood of innocents on their hands – men, women, and children alike.

In the Germany of the 1930s, very few people were Nazis, and most Germans dismissed them as a bunch of hotheaded fools. Before long, the hotheaded few cowed the dismissive masses, resulting in millions losing their lives.

America: stay awake. It has started to happen here, too. Time is of the essence.
