

Islam Is Not Compatible With Civilized Society, Part 2

Roger Anghis

Taking a closer look at islam we have to question any sane person that converts from Christianity to islam. We hear that it is a 'religion of peace' but in reality, it is an ideology of hate and debauchery and blood. In the book, Tears of Jihad, it is estimated that islam has massacred about 270 million people in its demand that all peoples follow their so-called prophet.[1] I have to question a god that would use a person who could not read or write and marry a six-year-old girl and then consummate the marriage when she was nine. A real god doesn't use a pedophile as a prophet. His followers believe that he was the best example and follow his lead.

Girls are not a muslims only interest for sexual pleasure. There is a think called ***bacha bazi*** which is a young boy used as a sexual companion for older and powerful men. ***Perhaps the most deplorable tragedy, one that has actually grown more rampant since 2001, is the practice of bacha bazi – sexual companionship between powerful men and their adolescent boy conscripts.***

This phenomenon presents a system of gender reversal in Afghanistan. Whereas rural Pashtun culture remains largely misogynistic and male-dominated due to deeply-ingrained Islamic values, teenage boys have become the objects of

lustful attraction and romance for some of the most powerful men in the Afghan countryside.

Demeaning and damaging, the widespread subculture of paedophilia in Afghanistan constitutes one of the most egregious ongoing violations of human rights in the world. The adolescent boys who are groomed for sexual relationships with older men are bought – or, in some instances, kidnapped – from their families and thrust into a world which strips them of their masculine identity. These boys are often made to dress as females, wear makeup, and dance for parties of men. They are expected to engage in sexual acts with much older suitors, often remaining a man's or group's sexual underling for a protracted period.[2] Keep in mind that these are the same people that throw homosexuals off of roofs. There is no difference between two men having 'sex' and an adult having 'sex' with a young boy. That is pedophilia homosexuality. Disgusting and tragic on all levels. How can any civilized society embrace this type of vile debauchery?

- *Their hatred of anyone that isn't Islamic knows no bounds and has no limits on what they are willing to do to those who will not convert will turn your stomach. Recently in Iraq, 19 Yazidi girls were placed in iron cages and burned alive in front of a crowd of hundreds, for refusing to copulate with jihadis.*
- *"Religious minority women under IS [Islamic State] control are often repeatedly sold from jihadi to jihadi. Once militants get tired of raping and abusing one particular girl, they usually sell them off to one of their militant buddies so they can rape and abuse them at their own pleasure." – Samuel Smith, The Christian Post.*
- *After their children were abducted by the Islamic State, a couple answered their door to find the body parts of their daughters and a video of them being tortured and raped.*

- ***“Christian girls are considered goods to be damaged at leisure. Abusing them is a right. According to the community’s mentality, it is not even a crime. Muslims regard them as spoils of war.” – Local residents, Pakistan.***[3] This is what the world calls a religion of peace. This is what a person of common sense calls a satanic ideology and nothing less.

The muslims are taught that anyone but a muslim is theirs to do with whatever they want. They are not to befriend a non-muslim: ***Quran 4:89: “They (infidels) desire that you should disbelieve as they have disbelieved, so that you might be (all) alike; therefore take not from among them friends until they fly (their homes) in Allah’s way; but if they turn back, then seize them and kill them wherever you find them, and take not from among them a friend or a helper.”*** They are to hunt non-believers down and kill them: ***Quran 2:191: “... kill the disbelievers wherever we find them ...”*** : ***Quran 8:59: “The infidels should not think that they can get away from us. Prepare against them whatever arms and weaponry you can muster so that you may terrorize them. They are your enemy and Allah’s enemy.”***

Should we be concerned about this ideology? We’d better be! Their plan is to take us from the inside out infiltrating our government and using our own laws against us. Barrack Obama gave them a major boost. Actually, the only ideology that flourished under his administration was islam. Not just in America but worldwide. Thank you, Democrats. ***This is not fanciful in the least. We have a jihadist in the White House who is doing everything to help implement this 20-year Islamic plan.***

Obama helped the Islamic State achieve its current size and strength by doing such things as (this is nowhere near a comprehensive list):

- ***Sending them weapons and vehicles [through ‘Syrian](#)***

rebels' and through Benghazi

- Paying ISIS members monthly salaries. Sending billions through various nefarious means.
- Releasing terrorist leaders from Gitmo, even those known to have Stinger missiles and uranium
- Firing top commanders and thousands of troops, replacing them with illegal immigrants and Muslims.
- Paying the mortgages of Muslims all over the world

Our entire government has been completely infiltrated by the Muslim Brotherhood, who now even have their own political party. The U.S. government even trained ISIS in secret camps in Jordan.

Obama flooded our country with Muslims in preparation for the coming war. From opening our borders, to flying in Muslims, to their direct importation through the State Dept by the thousands, to creating a hands-off list for special terrorists, our Jihadist In Chief is quickly establishing a large, Islamic army who will certainly begin operations by taking over the billions of dollars worth of military equipment that the DOD has flooded local law enforcement with.

At this moment we have Islamic terrorists preparing for war with the American people in 35 training and recruitment camps all over the U.S. The FBI can do nothing about these camps, who openly train in guerilla warfare and recruit others to their cause, because Obama wouldn't classify the group that runs these camps as terrorist.[4]

Obama saw to it that jihadist were given the upper hand in America. It is not a question of if there will be a violent attempted overthrow but when. Will we be ready to defend our nation and culture? We may not know until that day comes.
